

Rediscovering Freedom

Moshe Givoni, David Banister

Rediscovering Freedom:

Rediscovering a Lost Freedom Patrick Garry, 2017-07-12 Since ratification of the First Amendment in the late eighteenth century there has been a sea change in American life. When the amendment was ratified individuals were almost completely free of unwanted speech but today they are besieged by it. Indeed the First Amendment has for all practical purposes been commandeered by the media to justify intrusions of offensive speech into private life. In its application the First Amendment has become one-sided. Even though America is virtually drowning in speech the First Amendment only applies to the speaker's delivery of speech. Left out of consideration is the one participant in the communications process who is the most vulnerable and least protected: the helpless recipient of offensive speech. In *Rediscovering a Lost Freedom* Patrick Garry addresses what he sees as the most pressing speech problem of the twenty-first century: an often irresponsible media using the First Amendment as a shield behind which to hide its socially corrosive speech. To Garry the First Amendment should protect the communicative process as a whole. And for this process to be free and open, listeners should have as much right to be free from unwanted speech as speakers do of not being thrown in jail for uttering unpopular ideas. *Rediscovering a Lost Freedom* seeks to modernize the First Amendment. With other constitutional rights, changed circumstances have prompted changes in the law. Restrictions on political advertising seek to combat the perceived influences of big money; the Second Amendment right to bear arms, due to the prevalence of violence in America, has been curtailed; and the Equal Protection clause has been altered to permit affirmative action programs aimed at certain racial and ethnic groups. But when it comes to the flood of violent and vulgar media speech, there has been no change in First Amendment doctrines. This work proposes a government-facilitated private right to censor. **Rediscovering Values** Hugh Mercer

Curtler, 2016-06-16 The author's primary purpose in this short book is to clearly define the nature of value and restore it to a central place in discussions of ethical and aesthetic problems. He begins the book with a broad cultural perspective on the issue of postmodernism in general, then takes a closer look at recent attempts to reduce values to evaluation to deny their objectivity. The central chapter focuses on the question "What Is Value?" after which Curtler discusses values in the fine arts and literature, concluding with the question of values in education. **Rediscovering Freedom** John Lester, Pierre Spoerri, 1992

Rediscovering America's Sacred Ground Barbara A. McGraw, 2012-02-01 Returning to the ideas of John Locke and the Founders themselves, Barbara A. McGraw examines the debate about the role of religion in American public life and unravels the confounded rhetoric on all sides. She reveals that no group has been standing on proper ground and that all sides have misused terminology: religion/secular dichotomies, public/private and concepts of separation of church and state in ways that have little relevance to the original intentions of the Founders. She rediscovers a theology underlying the founding documents of the nation that is neither anyone's particular religion nor one requiring religion. Instead, it justifies freedom of conscience for all and provides a two-tiered public forum: a civic public forum and a conscientious public forum for the debate itself and

the actions that debate inspires America's Sacred Ground this theology and its public forum determines the meaning of freedom and the ways in which Americans can pursue the good good government good communities good families good relations between individuals and good individuals from a plurality of perspectives By exploring our past McGraw answers the critical question Who are we as a people and what do we stand for *Rediscovering the West* Stephen C.

Rowe,1994-08-16 An inquiry into how westerners can tap into their own philosophical and spiritual traditions to grow beyond their unsteadiness of relations inner dullness and underlying absence of vision or orientation and become more alert compassionate and intelligent Reviews the Zen worldview and such western traditions as the mystical Christ Socrates and Jesus as Christ and describes how to learn relatedness through practice rather than mere thinking Annotation copyright by Book News Inc Portland OR *Rediscovering Lenin* Michael Brie,2019-07-31 Translated from the original German Lenin Neuentdecken and available in English for the first time this volume rediscovers Lenin as a strategic socialist thinker through close examination of his collected works and correspondence Brie opens with an analysis of Lenin's theoretical development between 1914 and 1917 in preparation for his critical decision to dissolve the Constituent Assembly in January 1918 in a struggle for power This led from the dialectics of revolutionary practice and social analysis to a new understanding of socialism which is compared and contrasted to the alternative Marxist ideas and conceptions of the state posited by Karl Kautsky and Rosa Luxemburg Rediscovering Lenin then moves to 1921 when Lenin begins a new stage of his theoretical development concerned with resolving the reversal of the revolution's aims and its results This process remains unfinished and the questions raised a hundred years ago remain How can one intervene successfully and responsibly in social and political crises What role do social science theories ideological frameworks and other practices play in transforming the economic political and cultural power structures of a society Brie concludes with a retrospective on the ideas developed by Marx and in the Second International and their impact on Lenin's strategic thinking Placing Lenin's writing itself in the foreground and arguing from inside his own self learning Rediscovering Lenin focuses on the reflective relationship between ideology theory and practice **Letting Go: Therapeutic Paths to Emotional Freedom** , Discover the art of emotional

South African Theatre as/and Intervention, 2021-11-22 One of the most striking features of cultural life in South Africa has been the extent to which one area of cultural practice theatre has more than any other testified to the present condition of the country now in transition between its colonial past and a decolonized future But in what sense and how far does the critical force of theatre in South Africa as a mode of intervention continue In the immediate post election moment theatre seemed to be pursuing an escapist nostalgic route relieved of its historical burden of protest and opposition But as the contributors to this volume show new voices have been emerging and a more complex politics of the theatre involving feminist and gay initiatives physical theatre festival theatre and theatre for education has become apparent Both new and familiar players in South African theatre studies from around the world here respond to or anticipate the altered conditions of the country while exploring the notion that theatre continues to intervene This broad focus enables a wide and stimulating range of approaches contributors examine strategies of intervention among audiences theatres established and fledgling writers canonical and new texts traditional and innovative critical perspectives The book concludes with four recent interviews with influential practitioners

about the meaning and future of theatre in South Africa Athol Fugard Fatima Dike Reza de Wet and Janet Suzman

Summary of This Naked Mind SellWave Audio,2025-09-20 This Naked Mind is a groundbreaking and inspiring book that redefines our relationship with alcohol By delving into the psychological factors behind alcohol use and the cultural influences that contribute to dependency Annie Grace challenges the way we think about drinking and offers a fresh positive approach to breaking free from its grip Many people wonder if alcohol has become too central to their lives especially as they notice its impact on their health Yet the idea of giving up alcohol often feels daunting due to the fear of losing the pleasure and stress relief it seems to provide The assumption is that quitting will involve deprivation and misery However This Naked Mind offers an empowering solution that shatters these misconceptions Through a combination of the latest scientific research on the psychological and neurological components of alcohol use Grace reveals the cultural social and industry forces that keep us dependent on alcohol Her candid personal story intertwines with powerful insights into the reasons we drink and the pervasive influence of alcohol in our culture Grace also highlights how the stigma surrounding alcoholism and recovery prevents many from seeking the help they need This Naked Mind offers readers the freedom to break free from alcohol By eliminating psychological dependence it helps you stop craving alcohol allowing you to easily drink less or quit altogether With humor clarity and a compelling blend of science and storytelling This Naked Mind opens the door to the life you've been waiting for You have given me my life back Katy F Albuquerque New Mexico This is an inspiring and groundbreaking must read I am forever inspired and changed Kate S Los Angeles California The most selfless and amazing book that I have ever read Bernie M Dublin Ireland

A Most Unusual Relationship, Pros & Cons Anne-Marie Moscatelli,2011-12-02 A Most Unusual Relationship Pros Cons Humor dominates the general tone of this action focused story Ms Ingram a failed professor of Psychology proposes to save a retirement community from bankruptcy thanks to her visionary theory which brings together the most unlikely partners elderly people and convicts She will prove that by sharing intimate resources damaged individuals can conquer their respective disabilities After some turbulent initial encounters both groups work out their differences and start getting along Through their mutual interaction they change Both learn how to cope with each other's predicaments But before reaching her goal Ms Ingram will have to overcome the nefarious machinations of both Dr Dreidfoil the facility medical chief and his nephew Eric Flint a Harvard graduate business executive who have personal interest in her program's failure Pros and Cons is a story of hope in human potential where integrity and candor triumph over greed and conceit

Moving Towards Low Carbon Mobility Moshe Givoni,David Banister,2013-01-01 For a thorough and thoughtful perspective on what it will take to de carbonize cities of the future this book is a must read Technology alone we are told will not create the post carbon city As important is coming to grips with a complex web of cultural institutional financial and social factors that powerfully shape mobility choices now and in the future A balanced holistic approach that reveals how the many elements of contemporary transport systems work together offers the best hope

for achieving more sustainable less carbon intensive mobility futures Robert Cervero University of California Berkeley US This is not just another book about transport and climate change It sensibly places transport within the much broader concept of mobility and explores all aspects of travel behaviour of people and goods and the infrastructure needs to serve these leading to a balanced set of policy proposals This volume compiled by an internationally eminent team of researchers is essential reading for all those wanting a balanced and objective analysis of this critical topic Roger Vickerman University of Kent UK A unique assemblage of papers by top international experts that together cover every aspect of the transport mobility environment relationship today s central issue for transport planners worldwide Sir Peter Hall University College London UCL UK The transport sector has been singularly unsuccessful in becoming low carbon and less resource intensive This book takes an innovative and holistic social cultural and behavioural perspective as well as covering the more conventional economic and technological dimensions to provide a more complete understanding of the mobility and transport system and its progress towards high carbon mobility The book uses this platform to explore the means to achieve low carbon mobility through outlining alternative pathways through an investigation of theories of change and through alternative visions of the low carbon transport city The book s core message is that the complexity of the mobility and transport system should not encourage inaction but strong and immediate action In addition to implementing a wide range of policy measures the book argues for a fundamental change in thinking when it comes to transport policy governance and analysis approaches before low carbon mobility becomes a reality Bringing together the latest thinking on transport mobility and the environment this book will appeal to researchers and students interested in sustainability issues and sustainable transport and transport related areas in particular including policy makers as well as a more general professional audience

The Smoke-Free Smoke Break Pavel Somov, Marla Somova, 2011-12-01 As a smoker you know how comforting stepping out for a smoke can be Smoke breaks are relaxing rituals that can help you cope with stress keep perspective and feel good So why give them up With The Smoke Free Smoke Break you don t have to This groundbreaking approach presents a complete plan for quitting smoking safely by helping you transform your smoke breaks into a powerful self care routine for managing stress and cravings The exercises and meditations in this program are designed to make it easy for you to mindfully manage stress control cravings and prevent relapse Long after you ve quit you ll continue to enjoy smoke free smoke breaks to help you feel calm relaxed and in control throughout the day

While this might not be the Rediscovering Freedom full book , it can give you a taste of the authors writing style. Subscription Services Platforms

like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rediscovering Freedom eBooks, including some popular titles.

FAQs About Rediscovering Freedom Books

What is a Rediscovering Freedom PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rediscovering Freedom PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rediscovering Freedom PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rediscovering Freedom PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rediscovering Freedom PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
