Wife, Inc. Suzanne Leonard,2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband's status or money instead she can wield her own power provided she can successfully manage the business of being a wife *Wife Inc* tells a fiercely contemporary story revealing that today's wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women's magazines new media and advice culture The first major study to focus on this new definition of working wives *Wife Inc* reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story **Happily Never After** Lynn Painter,2024-03-12 Their name The objectors Their job To break off weddings as hired Their dilemma They might just be in love with each other When Sophie Steinbeck finds out just before her nuptials that her fianc has cheated yet again she desperately wants to call it off But because her future father in law is her dad's cutthroat boss she doesn't want to be the one to do it Her savior comes in the form of a professional objector whose purpose is to show up at weddings and proclaim the words no couple usually wants to hear at their ceremony I object During anti wedding festivities that night Sophie learns more about Max the Objector's job It makes perfect sense to her he saves people from wasting their lives from hurting each other He's a modern day hero And Sophie wants in The two love cynics start working together going from wedding to wedding and Sophie's having more fun than she's had in ages She looks forward to every nerve racking ceremony saving the lovesick souls of the betrothed masses As Sophie and Max spend more time together however they realize that their physical chemistry is off the charts leading them to dabble in a little hookup session or two but it's totally fine because they definitely do not have feelings for each other Love doesn't exist after all And then everything changes A groom to be hires Sophie to object but his fianc e is the woman

who broke Max's heart As Max wrestles with whether he can be a party to his ex's getting hurt Sophie grapples with the sudden realization that she may have fallen hard for her partner in crime **Life Has Just Caught Up with Me** Dee Dee Cooper,2022-06-22 Life Has Just Caught Up With Me A Collection of Poetry By Dee Dee Cooper Life Has Just Caught Up With Me A Collection of Poetry can touch the hearts and minds of the reader with time for thought and reflection Dee Dee Cooper's poetry reflects personal interests and life happenings as well as that of others around her emotions of love life family friendship sympathy and empathy are found in these words Listen carefully and the words will speak to you **The Devil Made Me Do It Too** Donald T. The Animation Studies Reader

Nichola Dobson, Annabelle Honess Roe, Amy Ratelle, Caroline Ruddell, 2018-10-18 The Animation Studies Reader brings together both key writings within animation studies and new material in emerging areas of the field The collection provides readers with seminal texts that ground animation studies within the contexts of theory and aesthetics form and genre and issues of representation The first section collates key readings on animation theory on how we might conceptualise animation and on some of the fundamental qualities of animation New material is also introduced in this section specifically addressing questions raised by the nature style and materiality of animation The second section outlines some of the main forms that animation takes which includes discussions of genre Although this section cannot be exhaustive the material chosen is particularly useful as it provides samples of analysis that can illuminate some of the issues the first section of the book raises

The third section focuses on issues of representation and how the medium of animation might have an impact on how bodies gender sexuality race and ethnicity are represented These representations can only be read through an understanding of the questions that the first two sections of the book raise we can only decode these representations if we take into account form and genre and theoretical conceptualisations such as visual pleasure spectacle the uncanny realism etc **New Critical Essays on Toni Morrison's God Help the Child** Alice Knox Eaton,Maxine Lavon Montgomery,Shirley A. Willet can't move on. So when clues surface drawing them to the remote tip of Florida they drop everything and drive south. Deep in the murky depths of the Florida Everglades they may find the answer to Pansy's mysterious disappearance but truth like the past is sometimes better left where it lies. Perfect for fans of Flannery O'Connor and Dorothy Allison. *The Past Is Never* is an atmospheric haunting story of myths, legends, and the good and evil we carry in our hearts. **Junior Ray** John Pritchard, 2008-07-01. This provocative novel takes the reader on a wild ride inside the mind of a Mississippi Delta good old boy ex-deputy sheriff who is as vicious and racist as the worst 1950s/60s stereotypes. Junior Ray Loveblood narrates the story in his own profane colloquial voice, telling why he hates just about everybody and why he wants to shoot Leland Shaw, a shell-shocked World War II hero and poet who is hiding in a silo from what he believes are German patrols. Through a series of sleights of hand, misdirections, and near misses, Junior Ray and his sidekick Voyd give a dark tour of the Delta country as they chase their mysterious prey. Junior Ray's thoughts are peppered with excerpts from Shaw's notebooks, sometimes starkly different from Junior Ray's diatribe, sometimes eerily similar. And by the end of the story, it is up to the reader to sort out whose reality is more fantastic: Shaw's or Loveblood's, as the one stalks the other through the pages of this highly original and darkly comedic story. **Off the Beaten Page** Terri Peterson Smith, 2013. Mobley endeavors to apply geopoetics toward establishing a new framework for understanding Morrison's famous call to create and allow for spaces for the reader to come into the text. **Coates's Herd Book** Henry Strafford, 1908. **The Publishers Weekly**, 2002.
