**Redwood National & State Parks** Jerry Rohde, Gisela Rohde, 1994-01-01 *Historic Redwood National and State Parks* Gail L. Jenner, 2016-05 If redwood trees could share their stories what would they say Some of these giants are thousands of years old but all have witnessed some truly unique moments in history Historic Redwood National and State is a vibrant collection of essays sharing different parts of Redwood National Park s history from the Native Americans and the early explorers to park visitors today Celebrate the 100th anniversary of the National Park Service and learn more about the cultural political and natural history of Redwood National and State Parks

**Best Short Hikes in Redwood National and State Parks** Gisela Rohde, Jerry Rohde, 2005-01-12 More than 60 short hikes in the Redwoods from half hour to half day with camping and park facilities information Handy quick guide for selecting hikes by difficulty mileage and features flowers water views etc Little known Redwood Park gems as well as world famous Founders Grove and Fern Canyon trails A stand of towering old growth redwoods where sounds are dampened to near silence where only the dimmest rays of light penetrate or are you looking for redwood hikes with beaches Redwood hikes known for wildflowers You ll find those too in this guide devoted to the best hikes in Redwood National Park and the state parks Prairie Creek Del Norte Coast Jedediah Smith and Humboldt Redwoods State Parks Most trailheads are adjacent to paved roads accessible within five miles of Pacific Coast Highway 101 This guidebook includes many short hikes off Avenue of the Giants and Newton B Drury Scenic Parkway It will take you to the Boy Scout Tree and to the Tallest Tree a 367 8 foot skyscraper But it also includes trails for solitude even at the height of the tourist season Background information on redwood biology rounds out your experience

*Redwood National and State Parks, General Management Plan* ,1999 Redwood ,1997 Provides an introduction to the parks and the movement to preserve redwoods the world s tallest trees Explores redwood natural history the work of restoring loggeProvid lands and North Coast Indian culture Includes a travel guide and reference materials for touring the parks

**The Ghost Forest** Greg King, 2023-06-06 The definitive story of the California redwoods their discovery and their exploitation as told by an activist who fought to protect their existence against those determined to cut them down Every year millions of tourists from around the world visit California s famous redwoods Yet few who strain their necks to glimpse the tops of the world s tallest trees understand how unlikely it is that these last isolated groves of giant trees still stand at all In this gripping historical memoir journalist and famed redwood activist Greg King examines how investors and a growing U S economy drove the timber industry to cut down all but 4 percent of the original two million acre redwood ecosystem King first examined redwood logging in the 1980s as an award winning reporter What he found in the woods convinced him to leap the line of neutrality and become an activist dedicated to saving the very last ancient redwood groves remaining in private hands The land grab began in 1849 when a green gold rush of migrants came to exploit the legendary redwoods that grew along the Russian River Several generations later in 1987 Greg King discovered and named Headwaters Forest at 3 000 acres the

largest ancient redwood habitat remaining outside of parks and he led the movement to save this grove After a decade of one of the longest most dramatic and violent environmental campaigns in US history in 1999 the state and federal governments protected Headwaters Forest The Ghost Forest explores a central question an overhanging mystery What was it like this botanical Elysium that grew only along the Northern California coast a forest so spectacular but also uniquely valuable as a cornerstone of American economic growth that in the end it would inspire life and death struggles Few but loggers and surveyors ever saw such magnificent trees ancient sentinels that like ghosts have informed King s understanding of the world On a lifelong journey King finds himself through the generations and through the trees A Next Big Idea Club Must Read Title

**Handbook** ,1979 **Backpacker** ,1994-08 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured **The Best in Tent**

**Camping: Northern California** Cindy Coloma,2011-06-15 From Santa Cruz to Yosemite National Park from the coastal bluffs to the Nevada border Northern California is a spectacular location for tent camping With such a staggering list of possibilities a guide like The Best in Tent Camping Northern California is a must have Offering at a glance information organized with a five star rating system the book lets outdoor enthusiasts quickly gauge the beauty site privacy and security of each listing In addition each write up includes suggestions on the right time of year to visit local amenities and natural attractions Whether pitching that tent in sandy beaches or the mountainous Sierra Nevada this is the guide to consult

**The Tall Trees** Bob Von Normann,1995-05 *Public Spaces of Nature* Elizabeth Bennett,2008 *Coast Redwood* Michael G.
