Reevaluating Eisenhower American Foreign Policy In The Fifties

Jerald A. Combs, Jessica Elkind

Reevaluating Eisenhower American Foreign Policy In The Fifties:

Reevaluating Eisenhower David Allan Mayers,1988-01-15 These essays offer diverse opinions and provocative insights They are a welcome reflection of current scholarly assessments of Eisenhower Dulles foreign policies Journal of American History Probably the most balanced analysis of Eisenhower s handling of foreign and national security policy that has yet appeared this book deserves to be widely read Highly recommended Choice

Reevaluating Eisenhower Richard A. Melanson,1987 [History of American Foreign Policy, Volume 2](#) Jerald A Combs,2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

Dwight Eisenhower and American Foreign Policy during the 1960s Richard M. Filipink Jr.,2014-12-24 Dwight Eisenhower had a measurable impact on the foreign policy decisions of his Democratic successors during the 1960s due to his reputation as a military and foreign policy expert as well as his continued popularity when and after he left office Eisenhower sought to influence his successors policies for a number of reasons including his underrated partisanship his desire to protect the reputation of his administration and his real concerns about the ability of his successors to successfully counter the communist challenge to American interests Despite his steadily declining health Eisenhower played both a public and behind the scenes role in shaping American foreign policy during the 1960s that had long term consequences for the country This book traces the interactions between Eisenhower and his two successors from the pre inaugural meetings with John F Kennedy their direct contacts on Cuba the use of intermediaries such as John McCone and General Andrew Goodpaster and the constant contact initiated by Lyndon B Johnson Through these direct and indirect contacts Eisenhower constrained the choices available to Kennedy and Johnson and shaped the politics and policies of the United States until the final months of his life

George Kennan and the Dilemmas of US Foreign Policy David Mayers,1990-04-12 Drawing upon a wealth of original research David Mayers fascinating life of George Kennan examines his participation in the process of making foreign policy and interprets his political and philosophical development within a historical framework He presents an engaging and lucid account of Kennan s training his rise to prominence during the late 1940s and his policy failures and his later role as critic of America s external policy advocate of détente with the Soviet Union and proponent of nuclear arms limitation Mayers also explores Kennan s complicated relationships with such prominent political figures and analysts of his time as Dean Acheson John Foster Dulles and Walter Lippmann

The History of American Foreign Policy from 1895 Jerald A. Combs,Jessica Elkind,2024-04-01 Now in its fifth edition this volume

offers a clear concise and nuanced history of U S foreign relations since the Spanish American War and places that narrative within the context of the most influential historiographical trends and debates The History of American Foreign Policy from 1895 includes both revised and new sections that incorporate insights from recent scholarship on the United States in the world These sections devote more attention to the international framework as well as the domestic constraints under which American foreign policymakers operated This edition also emphasizes the role of non state actors such as missionaries aid workers activists and business leaders in shaping policies and contributing to international relations As a result the text considers a broader and more diverse range of people and voices than many other histories of U S foreign policy Expanded final chapters bring the story of U S foreign relations to the present and explore some of the contemporary challenges facing American and global leaders including terrorism the effects of climate change China s increasing influence and globalization Updated controversial issues sections and suggestions for further reading at the end of each chapter reflect important contributions from new studies This engaging text is an invaluable resource for students interested in the history of American foreign policy and international relations

Eisenhower's New-Look National Security Policy, 1953-61 S.

Dockrill,1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill s incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years

The Ashgate Research Companion to

US Foreign Policy Robert J. Pauly,Jr.,2016-03-23 Examining the past present and future formulation and implementation of US foreign policy this research companion provides a range of interpretations of the topic so that the reader comes away with a clear knowledge of the academic and policy debates that define the field The volume focuses on American foreign policy from both historical and political science analytical perspectives and divides into three sections

History of the Office of the Secretary of Defense: Strategy, Money, and the New Look, 1953-1956 Alfred Goldberg,2001

History of the Office of the Secretary of Defense Steven L. Rearden,1984

Strategy, Money, and the New Look, 1953-1956

Richard M. Leighton,2001 Examines the role of Office of the Secretary of Defense and Secretary Charles E Wilson in the transformation of national security policy during the first Eisenhower administration Includes bibliography and index

Shadow on the White House David L. Anderson,1993 Harry Truman s administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In Shadow on the White House seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities

and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president s decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon com

Explaining the History of American Foreign

Relations Michael J. Hogan, Thomas G. Paterson, 2004-01-19 Originally published in 1991 Explaining the History of American Foreign Relations has become an indispensable volume not only for teachers and students in international history and political science but also for general readers seeking an introduction to American diplomatic history This collection of essays highlights a variety of newer innovative and stimulating conceptual approaches and analytical methods used to study the history of American foreign relations including bureaucratic dependency and world systems theories corporatist and national security models psychology culture and ideology Along with substantially revised essays from the first edition this volume presents entirely new material on postcolonial theory borderlands history modernization theory gender race memory cultural transfer and critical theory The book seeks to define the study of American international history stimulate research in fresh directions and encourage cross disciplinary thinking especially between diplomatic history and other fields of American history in an increasingly transnational globalizing world

Outposts of Empire Steven Lee, 1996-06-08 Drawing on a wide range of recently declassified documents Lee outlines the regional and international context of American diplomatic history towards Korea and Vietnam and analyses the relationship between containment the bipolar international system and European and American concepts of empire at the beginning of the era of decolonization He argues that although policy makers in the United Kingdom and Canada adopted a more defensive containment policy towards Communist China than the United States did they generally supported American attempts to promote pro Western elites in Korea and Vietnam This is an important book for anyone interested in American foreign policy Anglo American relations Asia and the international system and British and Canadian foreign policies

America and the Postwar World: Remaking International Society, 1945-1956

David Mayers, 2018-03-13 The main tide of international relations scholarship on the first years after World War II sweeps toward Cold War accounts These have emphasized the United States and USSR in a context of geopolitical rivalry with concomitant attention upon the bristling security state Historians have also extensively analyzed the creation of an economic order Bretton Woods mainly designed by Americans and tailored to their interests but resisted by peoples residing outside of North America Western Europe and Japan This scholarship centered on the Cold War as vortex and a reconfigured world

economy is rife with contending schools of interpretation and bolstered by troves of declassified archival documents will support investigations and writing into the future By contrast this book examines a past that ran concurrent with the Cold War and interacted with it but which usefully can also be read as separable Washington in the first years after World War II and in response to that conflagration sought to redesign international society That society was then and remains an admittedly amorphous thing Yet it has always had a tangible aspect drawing self regarding states into occasional cooperation mediated by treaties laws norms diplomatic customs and transnational institutions The U S led attempt during the first postwar years to salvage international society focused on the United Nations Relief and Rehabilitation Administration the Acheson Lilienthal plan to contain the atomic arms race the Nuremberg and Tokyo tribunals to force Axis leaders to account the 1948 Genocide Convention the 1948 Universal Declaration of Human Rights and the founding of the United Nations None of these initiatives was transformative not individually or collectively Yet they had an ameliorative effect traces of which have touched the twenty first century in struggles to curb the proliferation of nuclear weapons bring war criminals to justice create laws supportive of human rights and maintain an aspirational United Nations still striving to retain meaningfulness amid world hazards Together these partially realized innovations and frameworks constitute if nothing else a point of moral reference much needed as the border between war and peace has become blurred and the consequences of a return to unrestraint must be harrowing

Western Foreign Policy and the Middle East Christian Kaunert, Sarah Leonard, Lars Berger, Gaynor Johnson, 2017-10-02 This book examines Western foreign policy towards the Middle East and the extent to which the promotion of democracy has been in conflict with or supported by other goals geo strategic economic and cultural in the policies of the major actors towards the Middle East Does the Arab Spring provide a new opening for cooperation with the region Contributions are offered by scholars with research interests in Middle Eastern politics and by those analysing the policies and interests of external actors Against the backdrop of the recent War on Terror the comparative and interdisciplinary outlook of the book will offer the opportunity for much needed intellectual exchanges between political scientists contemporary historians and international relations scholars from Europe North America and the Middle East Since it coincides with and or follows the final phases of US and British withdrawal from Iraq and Afghanistan this book will be highly relevant to both academics and policy makers in the UK and abroad making a significant contribution not only to the scholarly investigation of Western foreign policies but also to the study of the Middle East in general This book was originally published as a special issue of the Cambridge Review of International Affairs

John Foster Dulles and the Diplomacy of the Cold War Richard H. Immerman, 2021-03-09 As Dwight D Eisenhower s Secretary of State John Foster Dulles came to personify the shortcomings of American foreign policy This collection of essays representing the first archivally based reassessment of Dulles s diplomacy examines his role during one of the most critical periods of modern history Rejecting familiar Cold War stereotypes this volume reveals the hidden complexities in Dulles s conduct of foreign

policy and in his own personality Latin America's Democratic Crusade Allen Wells, 2023-09-26 By emphasizing Latin American reformers decades long struggle to defeat authoritarianism this transnational history challenges the timeworn Cold War paradigm and recasts the region's political evolution. Scholars persist in framing the Cold War as a battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and Moscow. What if the era is told from the perspective of the many who preferred reform to revolution? Scholars have routinely neglected, dismissed, or caricatured moderate politicians. In this book Allen Wells argues that until the Cuban Revolution the struggle was not between capitalism and communism that was Washington's abiding preoccupation but between democracy and dictatorship. Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts: political, ideological, and cultural, taking on the dimensions of a political crusade. Convinced that despots represented an existential threat, reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the hemisphere. Dictators retaliated often with deadly results, exporting strategies that had been honed at home to guarantee their political survival. Grafted onto this war without borders was a belated Cold War with all its political convulsions, the aftershocks of which are still felt today.

The Presidency of Dwight D. Eisenhower Chester J. Pach, Elmo Richardson, 1991 The best single volume available on the Eisenhower presidency. Stephen E. Ambrose, author of *Eisenhower*. **How Presidents Test Reality** John P. Burke, Fred L. Greenstein, 1989-09-19 Just as famines and plagues can provide opportunities for medical research, the unhappy course of United States relations with Vietnam is a prime source of evidence for students of American political institutions. *How Presidents Test Reality* draws on the record of American decision making about Vietnam to explore the capacity of top government executives and their advisers to engage in effective reality testing. Authors Burke and Greenstein compare the Vietnam decisions of two presidents whose leadership styles and advisory systems diverged as sharply as any in the modern presidency. Faced with a common challenge, an incipient Communist take over of Vietnam, presidents Eisenhower and Johnson engaged in intense debates with their aides and associates, some of whom favored intervention and some of whom opposed it. In the Dien Bien Phu Crisis of 1954, Eisenhower decided not to enter the conflict; in 1965, when it became evident that the regime in South Vietnam could not hold out much longer, Johnson intervened. *How Presidents Test Reality* uses declassified records and interviews with participants to assess the adequacy of each president's use of advice and information. This important book advances our historical understanding of the American involvement in Vietnam and illuminates the preconditions of effective presidential leadership in the modern world. An exceptionally thoughtful exercise in what contemporary history ought to be. It illuminates the past in a way that suggests how we might deal with the present and the future. John Lewis Gaddis, Burke and Greenstein have written what amounts to an owner's manual for operating the National Security Council. This is a book Reagan's people could have used and George Bush ought to read. Bob Schieffer, *The Washington Monthly*.

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Tender Moments: **Reevaluating Eisenhower American Foreign Policy In The Fifties** . Reevaluating Eisenhower American Foreign Policy In The Fifties Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reevaluating Eisenhower American Foreign Policy In The Fifties has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reevaluating Eisenhower American Foreign Policy In The Fifties has opened up a world of possibilities. Downloading Reevaluating Eisenhower American Foreign Policy In The Fifties provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reevaluating Eisenhower American Foreign Policy In The Fifties has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reevaluating Eisenhower American Foreign Policy In The Fifties. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reevaluating Eisenhower American Foreign Policy In The Fifties. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reevaluating Eisenhower American Foreign Policy In The Fifties, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reevaluating Eisenhower American Foreign Policy In The Fifties has transformed the way we access information. With the convenience,

cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reevaluating Eisenhower American Foreign Policy In The Fifties Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reevaluating Eisenhower American Foreign Policy In The Fifties is one of the best book in our library for free trial. We provide copy of Reevaluating Eisenhower American Foreign Policy In The Fifties in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reevaluating Eisenhower American Foreign Policy In The Fifties. Where to download Reevaluating Eisenhower American Foreign Policy In The Fifties online for free? Are you looking for Reevaluating Eisenhower American Foreign Policy In The Fifties PDF? This is definitely going to save you time and cash in something you should think about.
