Danove,2005-03-28 This study develops a method for analyzing the semantic and narrative rhetoric of repetition and the narrative rhetoric and function of characterization and applies this method in studies of the characterization of God Jesus and Jesus disciples in the Gospel of Mark The studies of characterization distinguish beliefs that are assumed for the audience from beliefs that the narration cultivates for the audience identifies the rhetorical relationships and organization of cultivated beliefs and clarifies the contribution of each character s portrayal to the overall narrative development of Mark The study then considers the contribution of the characterization of the women at the tomb to the portrayal of Jesus disciples and narrative developments A concluding inquiry investigates the possible applications of the studies of characterization for determining the rhetorical exigency of the narration and for formulating statements of Mark s proposed theology Thrival Skills 101: Charlotte F. Nesteruk, In this unique volume a new and distinctive perspective on hotly debated issues in science and religion emerges from the unlikely ancient Eastern Orthodox Christian tradition Alexei Nesteruk reveals how the Orthodox tradition deeply rooted in Greek Patristic thought can contribute importantly in a way that the usual Western sources do not Orthodox thought he holds profoundly and helpfully

relates the experience of God to our knowledge of the world His masterful historical introduction to the Orthodox traditions not only surveys key features of its theology but highlights its ontology of participation and communion From this Nesteruk derives Orthodoxy s unique approach to theological and scientific attribution Theology identifies the underlying principles logoi in scientific affirmations Nesteruk then applies this methodology to key issues in cosmology the presence of the divine in creation the theological meaning of models of creation the problem of time and the validity of the anthropic principle especially as it relates to the emergence of humans and the Incarnation Nesteruk s unique synthesis is not a valorization of Eastern Orthodox thought so much as an influx of startlingly fresh ideas about the character of science itself and an affirmation of the ultimate religious and theological value of the whole scientific enterprise **Commentary on the New Testament** Robert H. Gundry,2010-07-01 Verse by verse explanations with a literal translation Shouldn t a Bible commentary clarify what God s Word actually says Going beyond questions of authorship date sources and historicity respected linguist and teacher Gundry offers a one volume exposition of the New Testament that focuses on what is most useful for preaching teaching and individual study what the biblical text really means Providing interpretive observations in a breezy style that s easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings SAMPLE TEXT OF TRANSLATION JOHN S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1 1 8 1 1 3 The beginning of the gospel of Jesus Christ God s Son according as it s written in Isaiah the prophet Behold I m sending my messenger before your face ahead of you who ll pave your way the road you ll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God s Word SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52 7 Non Jews would think of the good news of an emperor s accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark s good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark s contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel *Biblical Theology of the New Testament* Christian Friedrich Schmid,1877 **Feasting on the Word: Pentecost and season after Pentecost 1 (Propers 3-16)** David Lyon Bartlett,Barbara Brown Taylor,2009-01-01 We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching
