Refinements Of Love A Novel About Clover And Henry Adams:

Refinements of Love Sarah Booth Conroy,1993 Although rooted in history *Refinements of Love* is a novel of mystery and elegance and powerful fascination Neither history nor Henry Adams ever revealed the truth about the strange death in 1885 of Adams s wife Clover in their home on Lafayette Square within walking distance of the White House In his classic autobiography *The Education of Henry Adams* this grandson and great grandson of presidents did not even mention his wife s name or discuss the years of their marriage Yet Clover Adams s death from poison was a notorious Washington scandal The Adamses were at the center of society in the nation s capital both politicians and literati coveted invitations to their famous salon Clover s sudden death shocked her contemporaries and continues to fascinate people more than a hundred years later In a sparkling and dramatic blend of fact and fiction Sarah Booth Conroy recreates the strange life and mysterious death of Clover Adams and comes up with an astonishing theory regarding its cause Secretary of State John Hay called Clover a bright intrepid spirit with a keen fine intellect And he praised her lofty scorn of all that was mean and her social charm that made the Adamses home such a one as Washington never knew before Henry James novelist and friend declared her a Voltaire in petticoats Was Clover s touch of genius as James called it in an age when women s independence was corseted by social custom responsible for her death In Conroy s enchanting novel of Washington during the Gilded Age the grand houses opulent balls and great art collections form a glittering veneer that masks a dark and sinister reality

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The First Lady Murders* Nancy Pickard,1999

A collection of short detective and mystery stories involving American Presidents wives **You Can Go Home Again** Monica McGoldrick,1997-06-03 Family therapist Monica McGoldrick explains how the use of genograms family trees can bring to light a family s history of estrangement alliance divorce or suicide revealing intergenerational patterns that prove more than coincidental Genograms of famous families such as the Kennedys the Hepburns and the Brontes complement discussions of the influence of birth order sibling rivalry family secrets and couple relationships Photos drawings

America in Historical Fiction Vandelia L. Vanmeter,1997-02-15 Portrayals of America s people places and events in historical fiction integrate literature with history and make an exciting supplement to U S history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U S history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events

The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected

here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

You Can Go Home Again Tracey Laszloffy, Monica McGoldrick, 2024-06-11 Are you ready to reconnect with family in a meaningful way but unsure where or how to begin This beloved classic poignantly explains how constructing the genogram or a basic family tree can help us to better understand and mend family relationships and dynamics Readers learn how genograms can reveal a family s history of estrangement alliance divorce or suicide exposing intergenerational patterns that prove more than coincidental The book sheds light on a range of complex issues such as birth order and sibling rivalry family myths and secrets cultural differences couple relationships and the pivotal role of loss In the third edition of this revelatory book godmother of genograms Monica McGoldrick and family therapist Tracey Laszloffy focus on aiding readers in their own work to understand their family history and change their role in relationships where there is distance conflict or cutoff Readers will also find new and updated material on the intergenerational transmission of trauma the ramifications of uncovering family secrets via DNA testing and more If you ve ever struggled to understand the complex dynamics of your family and your place within it this book is for you

The History of Science in the United States Marc Rothenberg, 2001 Annotation This Encyclopedia examines all aspects of the history of science in the United States with a special emphasis placed on the historiography of science in America Contains more than 500 entries written by experts in the field Nineteenth Century ,1993 **Washington History** ,1997 **Cassette Books** Library of Congress.
