

Some actions make people happy, such as:

- being kind
- following class rules
- sharing

The consequence to this may be that you get a friend or a reward.

When we make unkind choices, like not sharing, this has a consequence to the other person. How does it make you feel when someone won't share with you?

Becoming a Better Sports Coach Andreas Carlsson, 2021-09-20 Research on coaching education and development highlights repeatedly the difficulties of traditional coaching education to impact coaching practice Practice seems to be disconnected from scientific theory with few coaches accessing the scientific literature as it too often is presented in dry academic tones This volume sets out to provide an integration of theory and everyday practice that to date has not yet been published in the field of coaching science in a text easily used by sports coaches In order to bridge this theory to practice gap *Becoming a Better Sports Coach* Development through Theory Application presents theory and science connected to practice in a way that makes it possible for coaches to test evaluate and improve upon their existing coaching practice This hands on approach sets out to improve coaches cognition and raising self awareness as well as improve coaches learning using specific tools for behavioural feedback and reflection Improving on self reflective skills and eliciting feedback on the coach's own behaviour is how coaching practice is improved What coaching practice includes and what is laid out for coaches in this new text is motivational climate coaching behaviours pedagogy feedback coach athlete relationship each in one chapter Reflection and behavioural feedback are applied to each of these areas

The Superiority of an Evangelical Model of Religious Liberty Daniel J. Trippie, 2022-11-14 Religious liberty is America's first freedom But in recent years challenges to religious liberty have abounded For example some claim that religious freedom promotes intolerance and bigotry while others contend religious freedom condemns people to hell And others weaponize religious liberty for culture warring Nevertheless evangelicals believe that religious liberty is fundamentally a matter of human dignity thus religious liberty is a right we must preserve for all people This book will explore how evangelical anthropology cosmology and eschatology offer the most stable basis for religious freedom Secular and Roman Catholic theories may positively contribute to religious liberty but the evangelical model is superior because it answers fundamental questions left unanswered in other models
