**King Kong On 4th Street** Jagna Wojcicka Sharff,2018-02-19 This book chronicles an ethnographic teams involvement over a span of fifteen years with the people of a poor largely Puerto Rican neighborhood in New York City Jagna Sharff focuses on a group of families who live within a radius of a few blocks of her storefront office especially the children who come first to interact with the team She contrasts her teams initial observations of how people grapple with daily life with the residents expressed hopes and dreams in a community lacking jobs but rife with underground activities Through lively and interconnected stories she traces over time the fate of the neighborhood and the outcomes for individual children and adults during an era when the local and national policy of the war on poverty was transmuted into a war against the poor The books lyrical cinematically vivid style makes it appealing both for college social science courses and for the general public In King Kong on 4th Street Jagna Sharff chronicles an ethnographic teams involvement over a span of fifteen years with the people of a poor largely Puerto Rican neighborhood in New York City Anchoring her observations in field notes she recounts the joys fears and disappointments of daily life as well as the drama of large events Arson the murder of a popular local teenager the mobbing of a grocery store as an act of retribution for his death are projected onto a canvas of shifting local and national policies toward poor people and neighborhoods Sharff provides new insights into gender and family roles how adaptations to available resources from the welfare state may shape the membership of households and how children may be trained for specific adult roles that will advance the familys well being She also reveals how the underground economy particularly the

commerce in drugs whose profits are realized outside of the neighborhood undermines neighborhood wide solidarity and sends people scrambling against one another for jobs in the quasi licit and illicit sector Following the lives of a number of families into the next generation Sharffs ethnographic team documents how external political decisions that change the war on poverty into a war on the poor affected them Paramilitary sweeps of the neighborhood in tandem with gentrification and declining social services produce severe dislocations and relocation to homeless shelters welfare hotels and prisons But the reality described is not all grim The books vivid style shows that life is more than grim reality People get real pleasure from raising children and taking part in the human drama around them Kinfolk real and fictive keep each other afloat and reconnected to new neighborhoods and opportunities including that of upward mobility through religious conversion Adults and children achieve satisfaction and a measure of security through grit wit and acts of heroism and solidarity

**Lift Up Your Hearts** James A. Wallace, Robert P. Waznak, Guerric DeBona, 2004 This collection of homilies represents the efforts of three preachers to interpret the lives of a community of faith and lead them deeper into the liturgy and life It grows out of a vision of the homily as a scriptural interpretation of human existence which enables a community to recognize God's active presence to respond to that presence in faith through liturgical word and gesture and beyond the liturgical assembly through a life lived in conformity with the Gospel The first intent of Lift Up Your Hearts is to focus on homilies as acts of interpretation in which the preacher does not so much attempt to explain the Scriptures as to interpret the human situation

through the Scriptures This book casts the homilist not so much as a teacher but as a mediator of meaning speaking words that help the community to know itself and to act as the People of God the Body of Christ and the dwelling place of the Holy Spirit In addition these homilies are intended to move the parishioners toward the act of Eucharist to giving praise and thanks here and now and then beyond the Church doors out into the world to take part in the mission of the Church Pastors priests deacons and anyone who preaches will find this collection of source material to be particularly useful in crafting homilies that are grounded in Holy Scripture and yet relevant and meaningful in today s world Also it is written for the churchgoer in search of a helpful reflection on the Sunday readings with the intent of connecting the biblical texts with life

Craddock,2009 Travel with revered preacher and author Fred Craddock through his early years as he considers what made him take to the pulpit For some reason I felt I had to say Yes or No to the ministry so I could feel free again My siblings and friends talked almost casually about options and preferences as to careers but with no evident sense of urgency Not so with me I did not then nor do I now know whether the burden of choice was a trait of personality a kind of super conscientiousness whether the calling to ministry itself carried a weight a burden peculiar to the task itself Rightly or wrongly when I thought of possibly becoming a journalist that would be a choice 100 percent mine When I considered becoming a minister that was not totally my decision I was responding to God s will for me Of course I had been told that journalists lawyers teachers merchants farmers all could understand their lives as a vocation a calling but what I am telling you is that I perceived I felt I experienced the idea of being a preacher as different and that difference was sobering even burdensome That s why advice about not being in a hurry taking my time was not helpful even if wise If it was my decision why could I not make it now if it was God s decision why did not God tell me or at least tell my father or my mother I prayed for the ache to leave me Excerpt
