**The Yogin and the Madman** Andrew Quintman, 2013-11-12. Tibetan biographers began writing Jetsun Milarepa's 1052-1135 life story shortly after his death, initiating a literary tradition that turned the poet and saint into a model of virtuosic Buddhist practice throughout the Himalayan world. Andrew Quintman traces this history and its innovations in narrative and aesthetic representation across four centuries, culminating in a detailed analysis of the genre's most famous example composed in 1488 by Tsangnyen Heruka or the Madman of Western Tibet. Quintman imagines these works as a kind of physical body supplanting the yogin's corporeal relics.

*The Madman's Middle Way* Donald S. Lopez Jr., 2008-09-15. Gendun Chopel is considered the most important Tibetan intellectual of the twentieth century. His life spanned the two defining moments in modern Tibetan history: the entry into Lhasa by British troops in 1904 and by Chinese troops in 1951. Recognized as an incarnate lama while he was a child, Gendun Chopel excelled in the traditional monastic curriculum and went on to become expert in fields as diverse as philosophy, history, linguistics, geography, and tantric Buddhism. Near the end of his life, before he was persecuted and imprisoned by the government of the young Dalai Lama, he would dictate the Adornment for Nagarjuna's Thought, a work on Madhyamaka or Middle Way philosophy. It sparked controversy immediately upon its publication and continues to do so today. *The Madman's Middle Way* presents the first English translation of this major Tibetan Buddhist work, accompanied by an essay on Gendun Chopel's life liberally.

interspersed with passages from his writings Donald S Lopez Jr also provides a commentary that sheds light on the doctrinal context of the Adornment and summarizes its key arguments Ultimately Lopez examines the long standing debate over whether Gendun Chopel in fact is the author of the Adornment the heated critical response to the work by Tibetan monks of the Dalai Lama's sect and what the Adornment tells us about Tibetan Buddhism's encounter with modernity The result is an insightful glimpse into a provocative and enigmatic work that will be of great interest to anyone seriously interested in Buddhism or Asian religions

*From Madman to Crime Fighter* Roslynn D. Haynes, 2017-08-31 A study of the scientist in Western culture from medieval images of alchemists to present day depictions of cyberpunks and genetic engineers They were mad of course Or evil Or godless amoral arrogant impersonal and inhuman At best they were well intentioned but blind to the dangers of forces they barely controlled They were Faust Frankenstein Jekyll Moreau Caligari Strangelove the scientists of film and fiction cultural archetypes that reflected ancient fears of tampering with the unknown or unleashing the little understood powers of nature In *From Madman to Crime Fighter* Roslynn D Haynes analyzes stereotypical characters including the mad scientist the cold blooded pursuer of knowledge the intrepid pathbreaker and the bumbling fool that from medieval times to the present day have been used to depict the scientist in Western literature and

film She also describes more realistically drawn scientists characters who are conscious of their public responsibility to expose dangers from pollution and climate change yet fearful of being accused of lacking evidence Drawing on examples from Britain America Germany France Russia and elsewhere Haynes explores the persistent folklore of mad doctors of science and its relation to popular fears of a depersonalized male dominated and socially irresponsible pursuit of knowledge for its own sake She concludes that today s public response to science and scientists much of it negative is best understood by recognizing the importance of such cultural archetypes and their significance as myth From Madman to Crime Fighter is the most comprehensive study of the image of the scientist in Western literature and film      **Pantomime of a Madman**

Tracy,2012-03-05 Anthony Lockwoods story is at the heart of the Georgian Navy though the man himself has never taken centre stage in its history His naval career described by himself as twenty five years incessant peregrination followed a somewhat erratic course but almost exactly spanned the period of the French wars and the War of 1812 Lockwood was commended for bravery in action against the French was present at the Spithead Mutiny shipwrecked and imprisoned in France appointed master attendant of the naval yard at Bridgetown Barbados during the year the slave trade was abolished and served as an hydrographer before beginning his three year marine survey of Nova Scotia and the Bay of Fundy Against the odds he managed to finesse a treasury appointment as Surveyor General of New Brunswick and became the right hand man of the Governor General Smyth Deeply ingrained in his character however was a democratic determination that was out of step with the authoritarian character of the Navy and the aristocratic one of New Brunswick His expectation of social justice verged on madness and when he finally succumbed to lunacy it was in the defence of democracy The turbulence of the times inspired Lockwood to stage a one man coup detat which ended with him being jailed and shipped back to London to live out his days as a pensioner and mental patient Truly a dramatic rise and a tragic fall      **The Madman** Michael
