Case Studies for Student Development Theory Jason C. Garvey, Jessica C. Harris, Darris R. Means, Rosemary J. Perez, Christa J. Porter, 2019-06-17 This much-needed case study book provides higher education and student affairs graduate students, practitioners, and faculty with the tools to enhance their learning of student development theory and to apply this learning to practice. Each chapter offers a summary of theory covering traditional and newer student development models in addition to multiple case studies that help readers focus on practice that fosters social justice and inclusion. The case studies for each chapter represent a range of institutional types and diverse student populations, offering an opportunity to explore the intersections of various developmental processes and to foster social justice and inclusion in higher education contexts. Guiding questions at the end of each case study offer opportunities for further discussion and critical reflection. An essential text for every student development course, *Case Studies for Student Development Theory* enhances student learning and development in higher education while also addressing how students' social identities intersect with college campus environments.

The Trouble with Trauma JSR, 2025-07-08 It's September 11th, 2001. A gorgeous day in Manhattan. FBI Agent Rebecca Taylor is grateful to be in the field today; she's had it rough. Long ago, she fumbled a kidnapping case; she's been stuck behind a desk ever since. But yesterday, another child went missing. Witnesses spotted something, a connection to that same botched job. Becca is tasked to track down this ghost from her past, facing her fears and anxiety in the scariest place imaginable. This is her chance to prove she's still the best in the Big Apple. So why is she so afraid? Perhaps it's the way he murdered his victims. Get going, Becca. It's a little after eight, and it's a big place to search; you wouldn't want to get trapped in there. Not with a serial killer on the loose.

Embodied Approaches to Supervision Céline Butté, Tasha Colbert, 2022-10-19 *Embodied Approaches to Supervision* presents innovative approaches to working with the body in supervision. The authors, who are all experts in their field, bring a wealth of experience and knowledge to each chapter, raising the reader's awareness of the value of working with the body in the supervisory relationship. With the help of case vignettes, the book offers reflections on the intimate and dynamic interaction between mind and body and how to work with this in supervision. It presents diverse approaches to practice where the body is at the centre.

of facilitating reflection and containment of supervisees either in one to one or group contexts in person and online Readers gain insight about how embodiment is attended to within as well as outside of the session in the context of self supervision This text will be of value to supervisors and supervisors in training practitioners seeking supervision and anyone keen to learn more about embodied approaches in supervision

High Literacy in Secondary English Language Arts Marc Nachowitz, Kristen C. Wilcox, 2018-11-07 This volume culls scholarship on both what high literacy is and how it is developed It embraces the call put forth by Langer and Applebee 2016 that high literacy must continue to be our aim and to see more research analyzing and identifying how teachers might promote literacy practices that promote deep thinking around important content The editors offer a conceptual framework for high literacy that explicates how each component i e reading writing dialogic engagement and epistemic cognition in literary reasoning relates to the others and from what scholarly literature these concepts have been derived Individual chapter authors provide in depth examinations of the existing research base on particular related topics focusing on the two important cross cutting aims of the volume 1 explicating the roles reading writing dialogic engagement and epistemic cognition hold in high literacy development and 2 providing examples of practices recommended to develop high literacy

Torture and Dignity J. M. Bernstein, 2015-09-14 Torture and rape are only rarely considered by moral philosophers because they are so indisputably morally atrocious acts and because their specific mode of suffering cannot be accounted for by reigning moral theories By making them pivotal to the understanding of morality in general however Jay Bernstein s intention is to throw into question the dominant schools of modern moral philosophy and to attempt to restructure moral experience and understanding on the basis of the formations of suffering they make salient Morals Bernstein argues emerge from the experience of moral injury from the sufferings of the victims of moral harm For us moderns morality at its most urgent and insistent is finally a victim morality This can sound hyperbolic but since all of us are potential victims it turns out that this perspective is readily available and intrinsic to ordinary ethical experience One of Bernstein s pivotal arguments is that trust is a form of mutual recognition that trust is the ethical substance of everyday life and that understood aright trust is structured from the perspective of a potential victim of harm rather than from the perspective of a deliberating agent This book promises to be a major contribution to moral philosophy

Elder Horror Cynthia J. Miller, A. Bowdoin Van Riper, 2019-01-25 As baby boomers gray cinematic depictions of aging and the aged are on the rise In the horror genre fears of growing old take on fantastic proportions Elderly characters are portrayed as either eccentric harbingers of doom the crone who stops at nothing to restore her youth the ancient ancestor who haunts the living or as frail victims This collection of new essays explores how various filmic portrayals of aging as an inescapable horror destined to overtake us all reflect our complex attitudes toward growing old along with its social psychological and economic consequences
