Written in the early 20th century a time marked by a burgeoning interest in yachting as both a recreational pursuit and an embodiment of the American spirit Day's style is characterized by its clarity enthusiasm and a hint of poetic reverence for the sea. Through engaging prose and detailed instructions he demystifies the complex aspects of yacht operation and navigation appealing to both novice sailors and seasoned mariners seeking to refine their skills. Thomas Fleming Day was not merely an author he was a passionate sailor and a dedicated advocate for the sport of yachting. His deep connection to the sea and extensive experience as an avid yachtsman profoundly informed his writing. Additionally Day was a prominent figure in the yachting community contributing to various maritime publications which allowed him to articulate the nuances of sailing in a manner that was accessible yet intellectually stimulating. His insights reflect a desire to promote the sport as a means of fostering camaraderie and adventure. The Doryman's Reflection Paul Molyneaux,2017-07-25 What happens when the oceans are emptied of all their fish? What happens when three hundred years of human knowledge and expertise disappear before the onslaught of the technology driven world? *The Doryman's Reflection* is simply the most accurate and eloquent account of what transpired in the New England fisheries over the past half century as told by the people who lived it including author Paul Molyneaux. Fishermen survive as relics the last hunter gatherers among us. Their boats crammed with ropes and nets carry the mystique of a nearly forgotten world ruled by the elements. Now an accomplished writer Molyneaux as a young man journeyed to Maine with no experience and a dream of working on a boat. This is the story of his apprenticeship with Bernard Raynes one of Maine's last independent commercial fishermen. *The Doryman's Reflection* speaks to those who want to know what really happened and what will happen on our oceans. Part coming of age memoir part biography it is a very personal account of what families in this dying but important industry face each day. Molyneaux shares his own history as a young man seeking the fisherman's life in Maine and Alaska. Originally published in 2005 it has been thoroughly updated to cover the events of the past ten years. Told through the life of the colorful and engaging Bernard Raynes *The Doryman's Reflection* is alive and real and powerful far from a dry pedantic treatise on the economics of commercial fishing.

Idol John S. Budd,2016-01-22 *Idol* is about a brilliant schizophrenic serial killer Steven Wently whose sensational murders of famous false idols receive universal publicity and public support. Wently imagines that the cumulative weight of revelations of crimes committed by false idols after their deaths will destroy humankind's faith in its heroes. He further reasons that such exposures will cast shadows over legitimacy of promises of man's immortality made by religious heroes like Christ Hindu deities and Muhammad.

The result of civilizations loss of faith in its heroes and immortality will cause the collapse of civilization Wently believes He uses his wifes enormous wealth and her familys vast network of contacts to identify famous false heroes and create extensive dossiers of their crimes As his alter ego Idol Wently tries and executes these Pretenders thereby destroying their mythical reputations before they die His victims are varied a prime candidate to replace the Pope a U S Senator a famous composer a highly successful investment banker a Supreme Court Justice a former U S president a United Nations Secretary General etc Over time Wently builds an extensive organization to carry out his exterminations a movement that becomes known as Idolism Idolism attracts worldwide acclaim of millions confounding government Government fearing that Idolism is unstoppable takes steps to eliminate it led by an utterly evil maniacal assassin Idol like Budds most recent thriller Life Support is an exciting amalgam of inventive plotting extraordinary characters spellbinding terror and edgy wit and blurs lines between good and evil **Yachting** ,1998-12
