Reflections from a Small Town Gerald Barry, 2000-08-01 **Forthcoming Books** Rose Arny, 2000 **From Society Page to Front Page** Eileen Wirth, 2020-03-09 Eileen M Wirth never set out to be a groundbreaker for women in journalism but if she wanted to report on social issues instead of society news she had no alternative Her years as one of the first women reporters at the Omaha World Herald covering gender barriers even as she broke a few herself give Wirth an especially apt perspective on the women profiled in this book those Nebraskans who over a hundred years challenged traditional feminine roles in journalism and subtly but surely changed the world The book features remarkable women journalists who worked in every venue from rural weeklies to TV They fought for the vote better working conditions for immigrants and food safety at the turn of the century They covered wars from the Russian Revolution to Vietnam They were White House reporters and minority journalists who crusaded for civil rights Though Willa Cather may be the only household name among them all are memorable their stories affording a firsthand look into the history of journalism and social change Denville 13, The: Murder, Redemption and Forgiveness in Small Town New Jersey Peter Zablocki, 2021 Denville in the 1950s was an idyllic place to live yet a dark chapter in the era s history has remained uncovered During the summer of 1953 a wealthy traveler with a secret rap sheet as a convicted sex offender arrived in town to continue his misdeeds A group of thirteen local boys ranging in age from fourteen to twenty two took it upon themselves to teach the man a lesson and drive him out of town What resulted was his brutal death and the largest number of people ever indicted for murder in the nation at the time The harrowing trial and its aftermath revealed a town forced to grapple with how to protect its youth and come to terms with the gruesome incident Local historian Peter Zablocki covers the crime and a small town s path to redemption **Newspaper Fashion Editors in the 1950s and 60s** Kimberly Wilmot Voss, 2021-08-05 This book documents the careers of newspaper fashion editors and details what the fashion sections included in the post World War II years The analysis covers social political and economic aspects of fashion It also addresses journalism ethics fashion show reporting and the decline in fashion journalism editor positions Candid Comments Joel P. Smith, 2011-01-01 For almost fifty years Joel P Smith served as editor and publisher of the Eufaula Tribune the newspaper of record in Eufaula in southeast Alabama For much of that time week after week he wrote his Candid Comments column which traced the often intersecting history of Eufaula and Smith s own life In the selections from Candid Comments collected in this volume Smith ranges from Eufaula s top ten characters to the history of the Chattahoochee River from the Tribune s initial support of Governor George Wallace until it ceased to endorse him and from marriage and fatherhood to press junkets in Egypt and Cuba African Print Cultures African Print Cultures Network. Meeting, 2016-09-15 Broad ranging essays on the social political and cultural significance of more than a century s worth of newspaper publishing practices across the African continent Silence, Scapegoats, Self-reflection Volker Roelcke, Sascha Topp, Etienne Lepicard, 2015-01-28 Since the end of World War II Nazi medical

atrocities have been a topic of ambivalent reactions and debates both in Germany and internationally. An early period of silence was followed by attempts of victims and representatives of medical organisations to describe what happened. Varying narratives developed, some of which had a stabilizing function for the identity of the profession, whereas others had a critical and destabilizing function. In today's international debates in the field of medical ethics, there are frequent references to Nazi medical atrocities, in particular in the context of discussions about research on human subjects and on euthanasia. The volume analyses the narratives on Nazi medical atrocities, their historicity in different stages of post-war medicine, as well as in the international discourse on biomedical ethics. Children's Literature. Julia Mickenberg, Lynne Vallone, 2012-11-29. Remarkably well researched, the essays consider a wide range of texts from the U.S., Britain, and Canada and take a variety of theoretical approaches, including formalism and Marxism and those related to psychology, postcolonialism, reception, feminism, queer studies, and performance studies. This collection pushes boundaries of genre, notions of childhood. Choice. Back cover of book *The Function of Newspapers in Society*. Shannon E. Martin, David A. Copeland, 2003-06-30. The demise of the newspaper has long been predicted. Yet newspapers continue to survive globally despite competition from radio, television, and now the Internet, because they serve core social functions in successful cultures. Initial chapters of this book provide an overview of the development of modern newspapers. Subsequent chapters examine particular societies and geographic regions to see what common traits exist among the uses and forms of newspapers and those artifacts that carry the name newspaper but do not meet the commonly accepted definition. The conclusion suggests that newspapers are of such core value to a successful society that a timely and easily accessible news product will succeed despite or perhaps because of changes in reading habits and technology. *The*

unimagined community. Duy Lap Nguyen, 2019-12-06. *The unimagined community* presents a wide-ranging study of South

Vietnamese culture from political philosophy and psychological warfare to popular culture and film The book pursues the provocative claim that in its early phase the conflict was not an anti communist crusade but a struggle between two different forms of anticolonial communism
