Reflections Helen Brown, 2015-07-06 My parents grew up in a time that most of us only read about in history books They saw history made many times Their generation created the advantages that we take for granted today Like us they too had to rely on the Lord Jesus for strength courage and pure grit to get through the dangers they faced each day They still managed to raise five healthy children all of whom are capable productive members of society There was a great variety of experiences throughout their lives and through these have been able to learn and grow as part of the Australian community These lessons have been passed on to not only their children but to the many people that they have
