The premiere of the publication will take place in conjunction with a music premiere details of which can be found on the cover **Sustainability and the Fashion** Industry Annick Schramme, Nathalie Verboven, 2024-06-06 There is widespread rhetorical agreement that the fashion industry must get itself onto a more ethical and sustainable footing What does this mean in practice and how can this be achieved in different regions around the world This book brings together expert scholars and reflective practitioners via a network of dialogue and exchange to help drive forward an ethical and sustainable future for the fashion industry With insights from fashion design management sociology philosophy education heritage studies and policy the book asks whether or not fashion can save the world Enriched with illuminating case interviews and the perspective of experts this book will be of interest to researchers and scholars in the fields of sustainable business and the fashion industry and provides a unique resource for readers seeking to understand more about the need for responsible fashion **Fashion Heritage** Isabel
