Experiencing God at Home Richard Blackaby, Tom Blackaby, 2013-05-01 Experiencing God at Home takes a fresh path back into the rich roots of Henry Blackaby's world renowned Experiencing God writings to connect what happens in our homes to what happens in our churches Here his sons Tom and Richard Blackaby first establish the biblical case for the idea of experiencing God at home illuminating how the

clear foundation for God's work in nations and churches around the world is his work in families. Indeed, healthy families lead to healthy churches and the Blackabys illustrate that through real life stories of families that have found ways to experience God in marriage, in choosing life's direction, in rescuing broken relationships, in forgiveness, in the salvation of loved ones, etc. Lessons from the Bible support these moving accounts, and the book concludes with resources that will guide individuals,

families as well as entire churches toward practically experiencing God at home. **Let the Spirit Shape Your Ministries**

David S. Luecke, 2023-03-22 Traditional mainline churches have been in decline for fifty years as their church energy continues to seep away. What are the options to regain vitality? Pastor Luecke thought for years that better administration was the answer. But the problem is deeper. Our Reformation heritage left us with a very weak practical theology of the Holy Spirit, confining him mostly to the Creeds. We don't have a hands-on understanding of how he makes a difference in church life today. We can find that by appreciating how central the Spirit was to Paul's leadership. This collection of Reflections comes in two parts. The first highlights how the Spirit works today based on Paul's insights. It outlines how personal growth in the Spirit can happen. Church leaders cannot take others to where they personally have not been before. The second part is organized around Martin Luther's explanation of the four functions of the Holy Spirit: He calls, gathers, enlightens, and sanctifies God's people. The Spirit is the leader of ministry teams. We need to learn how to follow. **Experiencing God**

Cross, whose work is respected by scholars from across the ecumenical landscape, offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic. A

Reflections Phillip Michael Garner, 2019-11-01 *Reflections* is a theological guide for today's Christians seeking a fuller appreciation of religious faith than is represented in populist religion. The seven categories and their chapters are designed to provide the reader with an intensive study on neglected but imperative concepts for faith. Subjects of vital importance to both theology and humanity are explored with a flowing continuity of understanding God and the world. *Reflections* begins with the concept of revelation and its relation to monotheism and conviction. The chapters that follow are titled *Religion Is Christianity Is* and *Intelligent Spirituality*; these set the foundation for the rest of the book. The sense of moderns is that they are immune to the primitive concept of idolatry. Under the category of *Perennial Idols*, Garner dismantles the idolatry that plagues humanity in every generation. *Reality and its creation* is a category of theological thought that is essential for Christian development and sorrowfully neglected in church education. The other categories are *Sex and Romantic Love*, *Popular Myths*, *Being Human*, *Being Poor*, and *Forgiveness*. Garner's conviction is that the root of humanity's dysfunction is our failure to learn how to live together as male and female.

The Standard Christian Epidemic David Vilkhovoy, 2013-02-12 Why does Christianity fail? Many people mock Christianity as a hypocritical lifestyle, and even Christians themselves have given over to what society says about them. However, Christianity does not work when it is lived by mere human ways because it is a lifestyle of aggressive faith. This book highlights the truths of the Christian faith, helping you understand why Christianity fails and how to make it work. It's not a formula but simply a message. Christians shouldn't look to anyone but Jesus Christ as their ultimate example. Questions answered in this book: If God is so real, why don't I experience Him? If God is perfect, why is Christianity so controversial? Is it possible to live a powerful, influential life as a Christian? The *Standard Christian Epidemic* explores in depth the theme of calling the church back to the standard of Jesus Christ instead of that of religion and reliance on self, which has hindered the church for so long.

Graham Jones, Reverend International Gospel Outreach. There is no doubt that David has heard from God. The standard is being raised, and this is the call of God to break free from the *Standard Christian Epidemic*. Mark Casto, pastor Omega Center International. David is pointing the way for the next generation, the up and coming generation that so desperately needs to know truth and the hope that we have in Jesus Christ. Gail Manizak, CEO The Power and Presence Ministry.
