Flewelling,2025-01-13 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as prescribed in the Revised Common Lectionary for context as needed I try to make the meditations worth the while of my readers having found a fairly broad readership among the congregations I served through the years This book covers the years 2020 through 2024

Kerygmatic Hermeneutics Swee Sum Lam,2021-09-30 Kerygmatic Hermeneutics takes a reader at once into a concrete apprehension of God in his scriptural truth through flowing in the Spirit With the Spirit working with Scripture a reader navigates in a to ing and fro ing between the general claims of God and the patterns of his actions in the world and the embodiment of these general claims in the concrete particularity of contemporary living This to ing and fro ing shapes an embodied witness to the world In this account an interpretation of scriptural truth is incomplete until Christ is proclaimed in the power of the Spirit to bring life This brings the world into an encounter with God Kerygmatic Hermeneutics is an account of how one may make theology in the Pentecostal charismatic tradition This constructive theological account also yields a practice of interpretation of Scripture in a community of faith This formulation of kerygmatic theology and its hermeneutical practice opens theology to empirical enquiry and spiritual discernment in a post Christian western world This account is also existentially relevant for the global south and east especially where readers find themselves having to speak apologetically into diverse religious and spiritual practices in daily encounters [Adult Bible Studies Summer 2025 Teacher/Commentary Kit](#)

A Second “For Your Quiet Meditation” William Flewelling,2019-12-04 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as described in the lectionary I try to make them worth the while of my readers finding a fairly broad readership among the congregations I served through the years The Cross on the cover was made by William Herbert Durst in his Florence workshop Mr Durst was the grandfather of Mary Bess Halford Staffel who calls it his Trinity Cross

Spiritual Exercises Based on Paul's Epistle to the Romans Joseph A. Fitzmyer,2004 Paul s letter to the Romans is often regarded as the most profoundly doctrinal book in the Bible While not overlooking its complex theology Joseph Fitzmyer here shows Romans to be also a wellspring of devotional insight accessible and deeply rewarding to all Christians In this book Fitzmyer recasts the text of Romans into the form of meditations for devotional reflection in spiritual retreats Bible studies church classrooms small groups and other prayerful gatherings Styled after the famous Spiritual Exercises of St Ignatius Loyola the book includes twenty four meditations that can be divided in a variety of ways and fit to a range of reading schedules Accompanying each meditation are questions to encourage reflection on the passage of Romans being considered and also a colloquy in the form of a psalm or New Testament hymn that matches the sentiment of the Pauline passage A truly fulfilling approach to spirituality Fitzmyer s Spiritual Exercises demonstrates the role of Scripture in properly ordering the Christian life

Playful Courtesies William Flewelling,2022-03-16 My poems sharpen my sight so that I see better what is there to be seen I will find some situation or image or nuance that catches my eye intrigues me Sometimes that seeing lends itself as an image for me and

then a line just one at first that when written down enters into a cadence a rhythm a sense of sound and echo that emerges into a sequence of lines that flow usually quickly And then the lines stop the images seem complete and then they announce to me that the poem is complete That is true whether the image is a raindrop a face a pose a tree a flower a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated into the current year s file As I revisit poems of years ago quite often the occasion presents itself to memory but not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it is the pleasure and the satisfaction in that book that brings it about Satisfaction is such a boon to life

Discovering God Through Action and Reflection Mike

Deeb,2024-08-01 The See Judge Act or Review of Life methodology initially articulated by Fr later Cardinal Joseph Cardijn in the early 1900s has become widely accepted in the Catholic Church and in many other churches as an effective method of evangelisation However unfortunately See Judge Act has frequently become simply a slogan lacking precise content or it has been used to describe approaches that do not take all the elements intended fully into account To address this challenge in its own ranks the International Young Christian Students IYCS International Team of 2003 2007 commissioned the production of this book to assist the training of its students and chaplains in this methodology as integral to its spirituality of critical reflection and action within the perspective of transforming their local and global realities It is therefore hoped that this book will contribute to deepening the understanding of See Judge Act as a timeless spirituality enabling effective evangelisation or communication of the Good News proclaimed by Jesus Christ in order to bring God s justice and peace to our world

My poems help me see what is in front of me They typically find that an image is presented an image that seems to suggest a line of verse just one which when written down enters into a cadence a rhythm a sense of sound and echo that evolves into a sequence of lines that flow They flow until they stop that is and announce to me that the poem is in facet done That is true whether the image is a raindrop or a tree a flower or a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated in the current year s file As I revisit poems of years ago quite often the occasion presents itself to memory but

not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it s the pleasure and the satisfaction in the book that brings it about Satisfaction is such a boon to life **That Innocence Of Dreaming** William Flewelling,2024-11-18 Poetry writing has proven proficient at helping me see what is there to be seen hear what is there to be heard I will see or hear or reflect on something which then provides an image a nuance that emerges in a word a line The single line and image written provides a cadence a focus of sound and echo that invites a second line and more Usually the poems come quickly and run until they stop the poem is complete This book draws upon such poems over a pair of sweeps of my history plus a sampling of more recent poems that strike me as desirable in this collection These pieces of my past often recollect for me the occasion that sparked the poems but also leave that occasion obscured and allow the poem to do its work of creating an image and a flow in my own mind The poems in my experience write their meaning on my mind And I hope on yours as well For then the poems will have done their work **Understanding Christianity: A Guide to Faith, History, and Practice** Piotr Willet, In a world where Christianity impacts culture politics and personal lives on a global scale obtaining a deeper understanding of this faith is more important than ever Understanding Christianity A Guide to Faith History and Practice offers a thorough exploration of Christianity from its historical roots in the Jewish tradition and its spread through the Roman world to the diverse global faith it has become today This comprehensive guide delves into the core doctrines sacred texts and spiritual practices that have shaped Christianity over the millennia With insightful explanations it unpacks the complex theological debates and the philosophical underpinnings of Christian beliefs The book also investigates the role of Christianity in modern society addressing its contributions to education arts science and social issues while engaging with critiques and the challenges Christians face in a pluralistic world Each chapter is meticulously crafted to provide clarity and depth making this book an invaluable resource for anyone from students of religion to laypersons interested in understanding the nuances of Christian faith tradition and community life Whether you are a believer seeking to deepen your faith or a curious observer wanting to learn more about one of the world s major religions Understanding Christianity promises to enrich your knowledge and inspire your journey Writings on the Spiritual Life William Flewelling,2022-08-09 Abbot Andre Louf said that when a person decides to get serious about the spiritual life s he should acquire a spiritual director Wayne Proudfoot argued that the form of religious experience depends upon the tradition in which it is perceived Georges Bataille searched out the meaning of his own intense inner experience in non traditional ways This book seeks to follow the meaning of traditional measures of the spiritual life learned through the experience of the author once his spiritual life decided to choose him *The Paths We Walk Trails* Felicia Ferguson,2016-11-03 Set in Fairhope Alabama and the beach resort area of Scenic Highway 30A in Floridas panhandle four thirty something ladies support each other through the triumphs and hard decisions of life When their own ladies retreat is canceled by the sudden
