Leaders in Gender and Education Marcus B. Weaver-Hightower, Christine Skelton, 2013-09-04. Gender studies are a key lens through which education has been examined in the past forty years, having become an accepted and popular subfield in educational foundations studies. Moreover, scholars in gender and education have made tremendous contributions well beyond education, influencing humanities and social sciences scholars across the academy. Hearing the stories of these scholars, their development, education, important works, and thoughts on the future offers unique insights into the genesis and growth of the field and gives new scholars an overview of advances made. *Leaders in Gender and Education: Intellectual Self-Portraits* does just that, showing the history of gender and education through the eyes of 16 of its leaders. By recounting their experiences and scholarly work, they trace the development of feminist and profeminist research on girls, on boys, and on the issues shaping both gender and education, issues like race, sexuality, neoliberalism, globalization, and more. Importantly, the volume has a global focus, including scholars from the United States, Canada, the United Kingdom, and Australia. This diversity gives readers a broad sense of the progress of gender scholarship in education around the world. Each essay provides students and

researchers alike with not only background on the 16 scholars included but also the lists of major works chosen by contributors themselves direct readers to some of the most important scholarship on gender and education Taken together further the contributors thoughts on the future of the field provide glimpses of productive directions for studies of gender and education Responses to Local Fiscal Stress Keith Hoggart,1987 *Teachers, Gender, and Careers* Sandra Acker,1989 Teachers experiences are seen to be influenced by cultures within educational institutions labour market conditions and social divisions This book attempts to move gender from the margins to the centre of debate about their lives and careers
