journalism and science education They devoted enormous effort to the expansion of science education with real but mixed success For twenty years the X Club was the most powerful network in Victorian science the men succeeded each other in the presidency of the Royal Society for a dozen years Barton s group biography traces the roots of their success and the lasting effects of their championing of science against those who attempted to limit or control it along the way shedding light on the social organization of science the interactions of science and the state and the places of science and scientific men in elite culture in the Victorian era **Debates** South Australia.
