Religion In Australia A Sociological Investigation

Glen O'Brien

Religion In Australia A Sociological Investigation:

Religion in Australia Hans Mol, 1971

Religion and Change in Australia Adam Possamai, David

Tittensor, 2022-03-30 This timely book offers a panoramic overview of the enduring significance of religion in modern Australian society Applying sociological perspectives and contemporary theories of religion in society it challenges conventional assumptions around the extent of secularisation in Australia and instead argues that religious institutions groups and individuals have proved remarkably adaptable to social change and continue to play a major role in Australian life In doing so it explores how religion intersects with a wide range of other contemporary issues including politics race migration gender and new media Religion and Change in Australia explores Australia s unique history regarding religion Christianity was originally imported as a tool of social control to keep convicts settlers and Australian Aboriginal peoples in check This had a profound impact on the social memory of the nation and lingering resentment towards the excessive presence of religion continues to be felt today Freedom of religion was enshrined in Section 116 of the Australian Constitution in 1901 Nevertheless the White Australia Policy effectively prevented adherents of non Christian faiths from migrating to Australia and the nation remained overwhelmingly Christian However after WWII Australia in common with other western societies appears to have become increasingly secularised as religious observance declined dramatically However Religion and Change in Australia employs a range of social theories to challenge this secularist view and argues that Australia is a post secular society The 2016 census revealed that over half of the population still identify as Christian In politics the socially conservative religious right has come to exert considerable influence on the ruling Liberal National Coalition particularly under John Howard and Scott Morrison New technologies such as the Internet and social media have provided new avenues for religious expression and proselytisation whilst so called megachurches have been built to cater to their increasing congregations The adoption of multiculturalism and increased immigration from Asia has led to a religiously pluralist society though this has often been controversial In particular the position of Islam in Australia has been the subject of fierce debate and Islamophobic attitudes remain common Atheism non belief and alternative spiritualities have also become increasingly widespread especially amongst the young Religion and Change in Australia analyses these developments to offer new perspectives on religion and its continued relevance within Australian society This book is therefore a vital resource for students academics and general readers seeking to understand contemporary debates surrounding religion and secularisation in Australia

New Approaches to the Study of Religion: Regional, critical, and historical approaches Peter Antes, Armin W. Geertz, Randi Ruth Warne, 2004 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies The work follows in the footsteps of two former publications Classical Approaches to the Study of Religion edited by Jacques Waardenburg 1973 and Contemporary Approaches to the Study of Religion edited by Frank Whaling 1984 85 New

Approaches to the Study of Religion completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades. Many of the chapters however are also pathbreaking and point the way to future approaches.

Media Perceptions of Religious Changes in Australia Enqi Weng, 2019-12-05 This volume explores the contradiction between the news coverage given to issues of religion particularly since 2001 in relation to issues such as terrorism, politics, security and gender and the fact of its apparent decline according to Census data. Based on media research in Australia and offering comparisons with the UK, the author demonstrates that media discussions overlook the diversity that exists within religions, particularly the country's main religion, Christianity, and presents religion according to specific interpretations shaped by race, class and gender which in turn result in very limited understandings of religion itself. Drawing on understandings of the sacred as a non negotiable value present in religious and secular form, *Media Perceptions of Religious Changes in Australia* calls for a broader sociological perspective on religion and will appeal to scholars of sociology and media studies with interests in religion and public life.

The New Blackwell Companion to the Sociology of Religion Bryan S. Turner, 2016-10-03 THE NEW BLACKWELL COMPANION TO THE Sociology of Religion I enjoyed reading this book for its in depth examination of the complexities of the social forces that are shaping and are being shaped by religious groups around the world. I certainly see this being of theoretical value for researchers engaging the new religious realities of our world. *Sociology of Religion: A Quarterly Review* The new companion is a timely and valuable work, validly updating the original companion and a good addition to the reference shelves of any academic or specialist library. *Reference Reviews* Reflecting recent developments in the field, this companion provides a comprehensive introduction to the sociology of religion with a clear emphasis on comparative and historical approaches. Covering all the areas relevant to undergraduate courses in this area, the Companion begins by laying down the anthropological and sociological foundations of the study of religion and their contemporary developments. It continues with an analysis of both traditional and contemporary forms of organization such as church sect typologies as well as megachurches and modern forms of spirituality. The secularization and post secular society debates are considered in depth along with the globalization process, fundamentalism, charismatic movements and revivalism. It also discusses the sociology of Buddhism, Christianity, Hinduism, Islam, Judaism and religions of China as well as the areas of American exceptionalism from de Tocqueville onwards, religious nationalism, women and piety movements and the spirituality of Native American communities. Considering new developments in social theory and religion, the collection concludes with a discussion of recent work that attempts to understand the future of religion, blending the sociology of modern societies, anthropological ethnography and philosophical inquiry.

Evangelicals and the End of Christendom Hugh Chilton, 2019-12-09 Exploring the response of evangelicals to the collapse of Greater Christian Britain in Australia in the long 1960s, this book provides a new religious perspective to the end of empire and a fresh national perspective to the end of Christendom. In the turbulent 1960s, two foundations of the Western world rapidly and unexpectedly

collapsed Christendom marked by the dominance of discursive Christianity in public culture and Greater Britain the powerful sentimental and strategic union of Britain and its settler societies disappeared from the collective mental map with startling speed To illuminate these contemporaneous global shifts this book takes as a case study the response of Australian evangelical Christian leaders to the cultural and religious crises encountered between 1959 and 1979 Far from being a narrow national study this book places its case studies in the context of the latest North American and European scholarship on secularisation imperialism and evangelicalism Drawing on a wide range of archival sources it examines critical figures such as Billy Graham Fred Nile and Hans Mol as well as issues of empire counter cultural movements and racial and national identity This study will be of particular interest to any scholar of Evangelicalism in the twentieth century It will also be a useful resource for academics looking into the wider impacts of the decline of Christianity and the British Empire in Western civilisation

Secularisation in the Christian World Michael Snape, 2016-04-01 The power of modernity to secularise has been a foundational idea of the western world Both social science and church history understood that the Christian religion from 1750 was deeply vulnerable to industrial urbanisation and the Enlightenment But as evidence mounts that countries of the European world experienced secularising forces in different ways at different periods the timing and causes of de Christianisation are now widely seen as far from straightforward *Secularisation in the Christian World* brings together leading scholars in the social history of religion and the sociology of religion to explore what we know about the decline of organised Christianity in Britain Europe the United States Canada and Australia The chapters tackle different strands themes comparisons and territories to demonstrate the diversity of approach thinking and evidence that has emerged in the last 30 years of scholarship into the religious past and present The volume includes both new research and essays of theoretical reflection by the most eminent academics It highlights historians and sociologists in both agreement and dispute With contributors from eight countries the volume also brings together many nations for the first consolidated international consideration of recent themes in de Christianisation With church historians and cultural historians and religious sociologists and sociologists of the godless society this book provides a state of the art guide to secularisation studies

Freedoms, Faiths and Futures Andrew Singleton, Mary Lou Rasmussen, Anna Halafoff, Gary Bouma, 2021-04-08 How do contemporary teenagers experience and understand religious spiritual gender and sexual diversity How are their experiences mediated by where they go to school their faith and their geographic location Are their outlooks materialist religious spiritual or do they have hybrid identities *Freedoms Faiths and Futures Teenage Australians on Religion Sexuality and Diversity* offers powerful insight into how teenagers make sense of the world around them Drawing on rich data from a major national study this book creates new ways of understanding the complexity of young people's lives and how school education covering diversity best addresses their world This book argues that school education focused on worldviews is founded on ways of thinking about young people that do not reflect the complexities of Generation Z's everyday experiences of diversity and their interactions

with each other It argues that certain kinds of education in schools can play a significant role in developing religious literacy tolerance and positive attitudes to diversity Historical Dictionary of Australia Norman Abjorensen,James C.

Docherty,2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia *Religion in Australia* Roger C. Thompson,1994 An engaging study of the religious beliefs and institutions of Australia and their effect on the country s history Covers Christianity Judaism Islam and Aboriginal spirituality *The Australian People* James Jupp,2001-10 Australia is one of the most ethnically diverse societies in the world today From its ancient indigenous origins to British colonisation followed by waves of European then international migration in the twentieth century the island continent is home to people from all over the globe Each new wave of settlers has had a profound impact on Australian society and culture The Australian People documents the dramatic history of Australian settlement and describes the rich ethnic and cultural inheritance of the nation through the contributions of its people It is one of the largest reference works of its kind with approximately 250 expert contributors and almost one million words Illustrated in colour and black and white the book is both a comprehensive encyclopedia and a survey of the controversial debates about citizenship and multiculturalism now that Australia has attained the centenary of its federation

Religion, Culture & Society Andrew Singleton,2014-03-10 The reader is taken on a global exploration of the forms and diversities of religions and their social and cultural contexts It is up to the minute in research and theory and comfortably grounded in the traditions of the social explanation of things religious and spiritual Gary Bouma AM Monash University Tells how sociology of religion originated in the work of key nineteenth and twentieth century theorists and then brings the story into the present era of globalization hybrid spirituality and the Internet Students of religion will find this an engaging and informative survey of the field Robert Wuthnow Princeton University It considers the big questions What is religion How is religion changing in a modern world What is the future of religion and addresses them through tangible case studies and observations of contemporary life Its global perspective reflects the breadth diversity and vibrancy of this field Sylvia Collins Mayo Kingston University This is a rich and dynamic introduction to the varieties of religious life and the central issues in the sociology of religion today It leads the reader through the key ideas and main debates within the field as well as offering in

depth descriptions and analysis of topics such as secularization fundamentalism Pentecostal Christianity Buddhism Hinduism Islam atheism The spiritual marketplace digital religion and new religions like Wicca Emphasising religion as a global phenomenon examining especially the ways in which globalization has had an impact on everyday religious life Singleton has created an illuminating text suitable for students in a wide range of courses looking at religion as a social and cultural phenomenon Anglicans in Australia Thomas R. Frame,2007 The English inheritance The colonial legacy National divisions A crisis in believing A crisis in belonging A crisis in behaving International crises Defining belief and defending custom Participating in public life Facing the future **The to Z of Australia** James C. Docherty,2010-04 The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through *The Scots in Australia* Malcolm David Prentis,2008 This is a highly descriptive account of the Scots in Australia from 1788 to the present It shows that the Scots have made a major contribution to all aspects of Australian life It is aimed at non specialist general readers although much of the audience will be Scottish Provided by publisher *Sociologies of Religion* ,2015-07-14 Sociologies of Religion National Traditions presents fourteen histories of the sociological study of religion in a diverse set of nations Each of the histories is newly written by author who are uniquely situated to tell narrate the story of the field in their countries They give us the stories behind major personages theoretical traditions seminal works research institutes and professional associations The histories trace the various ways the field was established in different academic and religious contexts and the trajectories it took in emerging as a scientific specialty **Wesleyan-Holiness Churches in Australia** Glen O'Brien,2018-04-17 Most Wesleyan Holiness churches started in the US developing out of the Methodist roots of the nineteenth century Holiness Movement The American origins of the Holiness movement have been charted in some depth but there is currently little detail on how it developed outside of the US This book seeks to redress this imbalance by giving a history of North American Wesleyan Holiness churches in Australia from their establishment in the years following the Second World War as well as of The Salvation Army which has nineteenth century British origins It traces the way some of these churches moved from marginalised sects to established denominations while others remained small and isolated Looking at The Church of God Anderson The Church of God Cleveland The Church of the Nazarene The Salvation Army and The Wesleyan Methodist Church in Australia the book argues two main points Firstly it shows that rather than being American imperialism at work these religious expressions were a creative partnership between like minded evangelical Christians from two modern nations sharing a general cultural similarity and set of religious convictions Secondly it demonstrates that it was those churches that showed the most willingness to be theologically flexible even dialling down some of their Wesleyan distinctiveness that had the most success This is the first book to chart the fascinating development of Holiness churches in Australia As such it will be of keen interest to scholars of Wesleyans and Methodists as well as

religious history and the sociology of religion more generally Sacred Selves, Sacred Settings Douglas J. Davies, Adam J. Powell, 2016-04-08 Significantly influencing the sociological study of religion Hans Mol developed ideas of identity which remain thought provoking for analyses of how religion operates within contemporary societies Sacred Selves Sacred Settings brings current social religious topics into sharp focus international scholars analyse challenge and apply Mol's theoretical assertions This book introduces the unique story of Hans Mol who survived Nazi imprisonment and proceeded to brush shoulders with formidable intellectuals of the twentieth century such as Robert Merton Talcott Parsons and Reinhold Niebuhr Offering a fresh perspective on popular subjects such as secularization pluralism and the place of religion in the public sphere this book sets case studies within an intellectual biography which describes Mol's key influences and reveals the continuing import of Hans Mol's work applied to recent data and within a contemporary context **The Bibliography of Australasian Judaica 1788-2008** Serge Liberman, 2018-11-01 This bibliography includes all traceable self contained books monographs pamphlets and chapters from books which in some way pertain to Jews in Australia and New Zealand between 1788 and 2008 Born in Russia in 1942 Serge Liberman came to Australia in 1951 where he now works as a medical practitioner As author of several short story collections including On Firmer Shores A Universe of Clowns The Life That I Have Led and The Battered and the Redeemed he has three times received the Alan Marshall Award and has also been a recipient of the NSW Premier's Literary Award In addition he is compiler of two previous editions of A Bibliography of Australian Judaica Several of his titles have been set as study texts in Australian and British high schools and universities His literary work has been widely published he has been Editor and Literary Editor of several respected journals and has contributed to many other publications *International Trade and Business Law Review* Gabriel Moens, Roger Jones, 2008 The International Trade and Business Law Review publishes leading articles comments and case notes as well as book reviews dealing with international trade and business law arbitration law foreign law and comparative law It provides the legal and business communities with information knowledge and understanding of recent developments in international trade business and international commercial arbitration The Review contributes in a scholarly way to the discussion of these developments while being informative and having practical relevance to business people and lawyers It also devotes a section to the Willem C Vis International Commercial Arbitration Moot and publishes the memoranda prepared by teams coached by Professor Gabri l A Moens The Review is edited at the Murdoch University School of Law in Perth Australia The Editors in Chief are Mr Roger Jones Partner Latham Watkins LLP Chicago and Gabri l A Moens Dean and Professor of Law Murdoch Law School It is an internationally refereed journal The Review is supervised by an international board of editors that consists of leading international trade law practitioners and academics from the European Union the United States Asia and Australia The Student Editors for Volume XI are Adam Totaro and Peter Clay from the Murdoch Law School

Religion In Australia A Sociological Investigation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion In Australia A Sociological Investigation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion In Australia A Sociological Investigation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion In Australia A

Sociological Investigation free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion In Australia A Sociological Investigation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion In Australia A Sociological Investigation any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion In Australia A Sociological Investigation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion In Australia A Sociological Investigation is one of the best book in our library for free trial. We provide copy of Religion In Australia A Sociological Investigation in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion In Australia A Sociological Investigation. Where to download Religion In Australia A Sociological Investigation online for free? Are you looking for Religion In Australia A Sociological Investigation PDF? This is definitely going to save you time and cash in something you should think about.
