

RELIGION: CLASSIC SOCIOLOGICAL APPROACHES

ROGER O'TOOLE

Religion Classic Sociological Approaches

Laura Desfor Edles, Scott Appelrouth

Religion Classic Sociological Approaches:

Religion Roger O'Toole, 1984 *An Introduction to the Sociology of Religion* Inger Furseth, Pål Repstad, 2023-09-05 What are religion and nonreligion How do fundamentalism and religious radicalization emerge and grow How do social class gender sexuality race ethnicity and other factors affect religious beliefs practices and organizations Is religion a fundamental driving force or do political leaders use religion for their own purposes In exploring these pertinent questions *An Introduction to the Sociology of Religion* provides an overview of sociological theories of contemporary religious life Theoretical discussion is accompanied by presentations of empirical research from several religious traditions in many parts of the world The sociology of religion is linked closely to developments in general sociology Some chapters are organized according to topic while others offer brief presentations of classical and contemporary sociologists from Karl Marx to Patricia Hill Collins and their perspectives on social life including on religion This second edition has been thoroughly updated throughout with new chapters on religion and social inequalities social and religious movements and extremism Covering classical sociology of religion as well as contemporary debates and topics this book is ideal reading for students approaching the sociology of religion for the first time **Sociological Theory and the Question of Religion** Andrew McKinnon, Marta Trzebiatowska, 2016-04-01 Religion lies near the heart of the classical sociological tradition yet it no longer occupies the same place within the contemporary sociological enterprise This relative absence has left sociology under prepared for thinking about religion s continuing importance in new issues movements and events in the twenty first century This book seeks to address this lacunae by offering a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK They highlight the importance of power in the sociology of religion with help from Pierre Bourdieu Marx and Critical Discourse Analysis This book points to emerging currents in the field and offers a productive and lively way forward not just for sociological theory of religion but for the sociology of religion more generally Classical and Contemporary Perspectives Inger Furseth, 2006 What is fundamentalism What role does religion play in ethnic and national conflicts Do all religions oppress women These are some of the questions addressed in this text which provides an overview of sociological theories of contemporary religious life *Explorations in Classical Sociological Theory* Kenneth Allan, 2010 *Explorations in Classical Sociological Theory* Seeing the Social World Second Edition is an undergraduate sociological theory textbook that introduces the student to the major classical theorists including Marx Spencer Durkheim Weber Simmel Mead Schutz Gilman and Du Bois The theorists were chosen for the diversity of their perspectives as well as their ability to introduce the student to contemporary theory Kenneth

Allan uses a lively informative writing style to engage the students in the eras of social change that spawned the major sociological theories and then applies them to the current era which also is experiencing major social change Features and benefits The book includes a glossary of terms Each of the theorist s important concepts are highlighted in the text and clear definitions provided in the glossary This feature is particularly important because theory is made up of terms and concepts and without the use of a glossary it is very easy for the undergraduate theory student to lose track of the terms and meanings While the book is organized primarily around the individual theorist s perspective a categorical scheme is also provided so the student can roughly situate the theorists and decide for themselves some of sociology s big questions The scheme provided in the book is not the one usually used by textbooks The more commonly used scheme conflict functional interaction hides some really important questions that the student needs to consider for example is society an object or does it exist only through interpretations The book provides an appendix with complete definitions of most of sociology s major perspectives e g critical theory including feminism race and queer theory postmodernism and so on exchange theory rational choice theory dramaturgy ethnomethodology structuration network theory ecological theory social phenomenology and so on The book introduces the power and poetry of theory by extensive use of original source material from the theorists writings

Handbook of Classical Sociological Theory Seth Abrutyn, Omar Lizardo, 2021-11-01 This is the first handbook focussing on classical social theory It offers extensive discussions of debates arguments and discussions in classical theory and how they have informed contemporary sociological theory The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions This book presents new approaches to thinking about theory in relationship to sociological methods **Explorations in Classical**

Sociological Theory: Seeing the Social World Kenneth Allan, 2012-04-30 Kenneth Allan emphasizes theory as a constructive thinking enterprise by including chapters devoted to teaching students how to think theoretically

Capitalism and Classical Sociological Theory John Bratton, David Denham, Linda Deutschmann, Linda Bell Deutschmann, 2009-01-01 This is one of the sharpest and most rewarding textbooks for teaching classical social theory The emphasis on depth over breadth pays off handsomely providing students with a badly needed foundation in the classics of sociology Philip Walsh York University Classical Sociological Theory George Ritzer, Jeffrey Stepnisky, 2016-12-27 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory George Ritzer and Jeffrey Stepnisky s **Classical Sociological Theory** Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories New to this Edition In

Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter

Classical Sociological Theory Bert N. Adams, R A Sydnie, 2002-01-29 A concise yet surprisingly comprehensive theory text given the range of ideas historical context and theorists discussed Unlike other books of the type Classical Sociological Theory focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life

Classical Sociological Theory Craig Calhoun, Joseph Gerteis, James Moody, Steven Pfaff, Indermohan Virk, 2012-01-17 This comprehensive collection of classical sociological theory is a definitive guide to the roots of sociology from its undisciplined beginnings to its current influence on contemporary sociological debate Explores influential works of Marx Durkheim Weber Mead Simmel Freud Du Bois Adorno Marcuse Parsons and Merton Editorial introductions lend historical and intellectual perspective to the substantial readings Includes a new section with new readings on the immediate pre history of sociological theory including the Enlightenment and de Tocqueville Individual reading selections are updated throughout

Classical Sociological Theory Irving M. Zeitlin, 2019-03-04 Authored by the world renowned sociologist Dr Irving Zeitlin Classical Sociological Theory is an abridged version of the popular textbook Ideology and the Development of Sociological Theory Known for its comprehensive descriptions of classical sociological theorists and concepts from Enlightenment to the 20th century this new abridged edition features an updated introduction extensive index and 14 succinct chapters Dr Zeitlin provides detailed explanations of essential philosophies develops ideologies and theories within a historical context and introduces readers to the classical critical thinkers of our time such as mile Durkheim Karl Mannheim Karl Marx George Herbert Mead Max Weber and Mary Wollstonecraft This is an ideal resource for undergraduate students of sociology philosophy social theory and social psychology

Sociological Theory in the Classical Era Laura Desfor Edles, Scott Appelrouth, 2020-06-18 Now available for the first time in both print and e book formats Sociological Theory in the Classical Era Fourth Edition is an innovative text reader for courses in classical theory It introduces students to important original works by sociology's key classical theorists while providing a thorough framework for understanding these challenging readings For each theorist the editors supply a biographical sketch discuss intellectual influences and core ideas and offer contemporary applications of those ideas In addition to the seven major theorists covered the book also connects their work to Significant Others writers and thinkers who may have derived much of their own perspectives from Marx Durkheim Weber Gilman Simmel Du Bois and Mead Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all

text specific resources including a test bank and editable chapter specific PowerPoint slides

Foundations of Classical Sociological Theory: Functionalism, Conflict and Action Paramjit S. Judge, 2012 Foundations of Classical Sociological Theory Functionalism Conflict and Action provides an extensive analysis of classical sociological theory by giving readers an introduction to the life and ideas of all the eminent thinkers The book begins by giving an overview of the emergence of sociology as a discipline in the background of socio economic development that characterized Europe in 18th century The first part of the book examines how the theorists viewed society as an organism the second part takes cognizance of the conflict theory and third part deals with the emergence of action theory which took ambivalent position with regard to science and emphasized human agency and consciousness Written in a very simple language this book will help students delve deeper into the subject

Sociological Theory and the Question of Religion Dr Andrew McKinnon, Dr Marta Trzebiatowska, 2014-12-28 This book offers a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK

Classical and Contemporary Sociological Theory Scott Appelrouth, Laura Desfor Edles, 2008 A unique hybrid of text and readings this book combines the major writings of sociology's core classical and contemporary theorists with an historical as well as theoretical framework for understanding them Laura Desfor Edles and Scott A Appelrouth provide not just a biographical and theoretical summary of each theorist reading but an overarching scaffolding which students can use to examine compare and contrast each theorist's major themes and concepts No other theory text combines such student friendly explanation and analysis with original theoretical works Key features include Pedagogical devices and visual aids charts figures and photographs to help summarize key concepts illuminate complex ideas and provoke student interest Chapters on well known figures such as Marx Weber Durkheim Parsons and Foucault as well as an in depth discussion of lesser known voices such as Charlotte Perkins Gilman WEB Du Bois and Leslie Sklair Photos of not only the theorists but of the historical milieu from which the theories arose as well as a glossary at the back

Contemporary Sociological Theories Pitirim Aleksandrovich Sorokin, 1928

Classical Sociological Theory Michael S. Kimmel, Matthew Mahler, 2007 In an accessible and thoughtful manner this anthology an update of Social and Political Theory Classical Readings 1998 introduces students to the key classic texts in social thought In the second edition Michael Kimmel focuses more specifically on the discipline of sociology rather than melding classical sociological and political theories in one volume Taking a serious look at the canonical texts he presents a diverse range of thinkers who were critical to the development of sociological theory and offers a more inclusive classical canon that is informed by both the historical record and the needs of contemporary students Many of the classical

theorists whose works are included here were much more influential than the canon suggested. For example, the writings of Mary Wollstonecraft, Frederick Douglass, Margaret Fuller, and W. E. B. Du Bois were widely disseminated and discussed in their time, yet they were pushed to the margins of the canon, declared to be derivative or second rate. In attempting to set the record a bit straighter, Kimmel restores these and other forgotten thinkers to the positions they once held. The questions they posed are among the most vital theoretical and political questions of our era: evidence that classical social and political theory continues to speak to new generations of students about the issues that most affect their lives.

Features new to the second edition: Selections of key texts by Auguste Comte, *Positive Philosophy*; Auguste Comte, *Edmund Burke, Reflections on the Revolution in France*; John Dewey, *Democracy and Education*; and Elsie Clews Parsons, *Women in Public Life*. Stronger disciplinary focus within sociology. *Classical Social Theory, Second Edition* is an ideal text for courses in the theory of sociology, the history of social theory, the history of political thought, and western philosophy.

The Sociology of Religion Barbara Hargrove, 1989

Berger's Dual-citizenship Approach to Religion Annette Jean Ahern, 1999

Peter Berger's neoclassical theory of modern social reality is well known in the discipline of sociology. Less known in sociology but well recognized in the disciplines of religious studies and theology is his work in the area of religion in modern society. This study breaks new ground by showing the pivotal role that Berger's treatment of religion plays in his sociology. By spotlighting his treatment of religion, the author shows that Berger has successfully challenged the notion that theology and sociology must be at odds with one another in the study of religious studies. Instead, this book demonstrates that Berger's dual citizenship approach to religion, which draws from his sociological and theological perspectives, provides an effective methodological model for religious studies, one that is interdisciplinary in nature.

Religion Classic Sociological Approaches Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion Classic Sociological Approaches free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion Classic Sociological Approaches free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion Classic Sociological

Approaches free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion Classic Sociological Approaches. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion Classic Sociological Approaches any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion Classic Sociological Approaches Books

1. Where can I buy Religion Classic Sociological Approaches books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
