Religious Convictions And Political Choice

Kent Greenawalt

Religious Convictions And Political Choice:

Religious Convictions and Political Choice Kent Greenawalt, 1988 How far may Americans properly rely on their religious beliefs when they make and defend political decisions Are religious convictions compatible with liberal democratic premises Kent Greenawalt dissects such issues as abortion and animal rights to illustrate secular and religious bases for decision making concluding that citizens cannot be expected to rely exclusively on rational secular grounds **Religious**

Convictions and Political Choice Kent Greenawalt, 1991 How far may Americans properly rely on their religious beliefs when they make and defend political decisions Are decisions based on religious convictions compatible with liberal democratic premises Kent Greenawalt dissects such issues as abortion and animal rights to illustrate secular and religious bases for decision making concluding that citizens cannot be expected to rely exclusively on rational secular grounds

Offensive Speech, Religion, and the Limits of the Law Nicholas Hatzis, 2021 Is a government justified in restricting speech offensive to religious belief If so what principles are at stake Drawing on constitutional theory and social and political philosophy this book discusses the normative reasons that support or negate government interference and their interaction with individual and collective religious freedom **Faith and Race in American Political Life** Robin Dale Jacobson, Nancy D. Wadsworth, 2012 Drawing on scholarship from an array of disciplines this volume provides a deep and timely look at the intertwining of race and religion in American politics The contributors apply the methods of intersectionality but where this approach has typically considered race class and gender the essays collected here focus on religion too to offer a

theoretically robust conceptualization of how these elements intersect and how they are actively impacting the political process Contributors Antony W Alumkal Iliff School of Theology Carlos Figueroa University of Texas at Brownsville Robert D Francis Lutheran Services in America Susan M Gordon independent scholar Edwin I Hernandez DeVos Family Foundations Robin Dale Jacobson University of Puget Sound Robert P Jones Public Religion Research Institute Jonathan I Leib Old Dominion University Jessica Hamar Martinez University of Arizona Eric Michael Mazur Virginia Wesleyan College Sangay Mishra University of Southern California Catherine Paden Simmons College Milagros Peña University of Florida Tobin Miller Shearer University of Montana Nancy D Wadsworth University of Denver Gerald R Webster University of Wyoming *The Rhetoric of Church and State* Frederick Mark Gedicks, 1995 During the middle of the twentieth century the religiously informed communitarianism that had guided the Supreme Court's decisions regarding the relationship between church and state was partially displaced by a new secular individualist discourse In *The Rhetoric of Church and State* Frederick Mark Gedicks argues that this partial and incomplete shift is the key to understanding why the Court has failed and continues today to fail to provide a coherent doctrine on church state separation Gedicks suggests that the Supreme Court's inconsistent decisions mirror a divergence in American society between an increasingly secular public culture and the primarily devout private lives of the majority of Americans He notes that while the Court is committed to principles of secular

individualism it has repeatedly endorsed government actions that violate those principles actions that would be far more justifiable under the discourse of religious communitarianism The impossibility of reconciling the two discourses leaves the Court no choice but to efface often implausibly the religious nature of practices it deems permissible Gedicks concludes that the road to a coherent religion clause doctrine lies neither in a return to religious communitarianism nor in its complete displacement by secular individualism but in a yet to be identified discourse that would attract popular support while protecting a meaningful measure of religious freedom

Love and Power Michael J. Perry, 1991 This study examines the uses of religious ideas in political discourse in a liberal democracy

Reflections on Rawls Shaun P. Young, 2016-04-08 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls's political theorizing from his earliest published writings in the 1950s to his final publication in 2001 *Justice as Fairness A Restatement* and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy

Law and Religion Stephen M. Feldman, 2000-09 Few issues arouse as much passionate debate as the relationship between church and state Political parties and coalitions have long jockeyed for position in the battle to either keep the two separate or to unify them in one nation indivisible from God While the battle has been raging in the political arena figures from academia the media and myriad other vantage points have commented on the context and constitutionality of laws governing religious expression In *Law and Religion* Stephen M Feldman brings together the many perspectives that have shaped policy on this important national issue In giving voice to the political left and right as well as to cultural philosophical sociological and historical perspectives the book serves as an even handed treatment of an issue all too often clouded by biases Contributors ranging from Stanley Fish to Richard John Neuhaus explore issues extending from religious morality and religious freedom to fundamentalism the separation of church and state religion and public schooling and liberal political theory Comprehensive in scope *Law and Religion* will stand as an important reference for anyone seeking to further understand this complex and highly emotional topic

Liberal Politics and Public Faith Kevin Vallier, 2014-06-13 In the eyes of many liberalism requires the aggressive secularization of social institutions especially public media and public schools The unfortunate result is that many Americans have become alienated from the liberal tradition because they believe it threatens their most sacred forms of life This was not always the case in American history the relation between liberalism

and religion has often been one of mutual respect and support In *Liberal Politics and Public Faith Beyond Separation* Kevin Vallier attempts to reestablish mutual respect by developing a liberal political theory that avoids the standard liberal hostility to religious voices in public life He claims that the dominant form of academic liberalism public reason liberalism is far friendlier to religious influences in public life than either its proponents or detractors suppose The best interpretation of public reason convergence liberalism rejects the much derided privatization of religious belief instead viewing religious contributions to politics as a resource for liberal political institutions Many books reject privatization *Liberal Politics and Public Faith Beyond Separation* is unique in doing so on liberal grounds **Beyond Gated Politics** Romand Coles, *Beyond Gated Politics* argues that the survival of democracy depends on recognizing the failings of disengaged liberal democracy and experimenting with more radical modes of democratic theory and action Romand Coles moves beyond the paradigms of political liberalism deliberative democracy and communitarian republicanism cultivating modes of public discourse that reflect and sustain the creative tension at the heart of democratic life and responsibility *The Oxford Handbook of Political Theory* John S Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 Long recognized as one of the main branches of political science political theory has in recent years burgeoned in many different directions Close textual analysis of historical texts sits alongside more analytical work on the nature and normative grounds of political values Continental and post modern influences jostle with ones from economics history sociology and the law Feminist concerns with embodiment make us look at old problems in new ways and challenges of new technologies open whole new vistas for political theory This Handbook provides comprehensive and critical coverage of the lively and contested field of political theory and will help set the agenda for the field for years to come Forty five chapters by distinguished political theorists look at the state of the field where it has been in the recent past and where it is likely to go in future They examine political theory's edges as well as its core the globalizing context of the field and the challenges presented by social economic and technological changes When Free Exercise and Nonestablishment Conflict Kent Greenawalt, 2017-06-19 Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof The First Amendment aims to separate church and state but Kent Greenawalt examines many situations in which its two clauses the Nonestablishment Clause and the Free Exercise Clause point in opposite directions How should courts decide **The Oxford Handbook of Political Philosophy** David Estlund, 2012-05-21 Even though political philosophy has a long tradition it is much more than the study of old and great treatises Contemporary philosophers continue to press new arguments on old and timeless questions but also to propose departures and innovations The field changes over time and new work inevitably responds both to events in the world and to the directions of thought itself This volume includes 22 new pieces by leaders in the field on both perennial and emerging topics of keen interest to contemporary political philosophers In addition to longstanding issues such as Authority Equality and Freedom and Democracy there are articles on less classical topics such as Race Historical Injustice Deliberation Money

and Politics Global Justice and Ideal and Non Ideal Theory All of the pieces combine clarity and accessibility with a top scholar s critical and original point of view The introductory essay briefly situates this snapshot of the state of the art in a broader view of developments in political philosophy in the last 40 years and looks forward to future developments Students and scholars alike will find the pieces to be valuable not only surveys but as provocations to think further about the questions puzzles and practical problems that animate recent work in political philosophy The issues will be of interest to many working in philosophy political science law economics and more

God, Locke, and Equality Jeremy Waldron,2002-11-14 This is a concise and profound book from one of the world s leading political and legal philosophers about a major theme equality and the proposition that humans are all one another s equals Jeremy Waldron explores the implications of this fundamental tenet for law politics society and economy in the company of John Locke whose work Waldron regards as well worked out a theory of basic equality as we have in the canon of political philosophy Throughout the text which is based on the Carlyle Lectures given in Oxford in 1999 Jeremy Waldron discusses contemporary approaches to equality and rival interpretations of Locke and this dual agenda gives the whole an unusual degree of accessibility and intellectual excitement of interest to philosophers political theorists lawyers and theologians around the world

John Rawls and the History of Political Thought Jeffrey Bercuson,2014-05-16 In this book Jeffrey Bercuson presents the immense and yet for the most part unrecognized influences of Jean Jacques Rousseau and Georg Wilhelm Friedrich Hegel on John Rawls the most important political philosopher of the 20th century While the well documented influence of Immanuel Kant on Rawls is deep and profound Kantian features and interpretation of justice as fairness do not tell the whole story about that doctrine Drawing on Rawls s Lectures on the History of Moral Philosophy and his Lectures on the History of Political Philosophy Bercuson presents the reader with a more nuanced accurate account of the moral and political philosophy of Rawls in light of these under appreciated influences This new richer image of Rawls s political philosophy shows that Rawls s notion of reasonableness his notion of the kind and extent of our obligations to those fellows with whom we are engaged in social cooperation is conspicuously more demanding and therefore more attractive than most interpreters and critics assume Rawls turns to Rousseau and to Hegel both of whom provide attractive images of engaged citizenship worthy of emulation Written accessibly and contributing to key contemporary debates of global justice this book will be read by scholars within the fields of social and political theory ethics and philosophy

Essays in the Philosophy of Religion Philip L. Quinn,2006-10-12 This volume presents a selection of essays by the late Philip Quinn one of the world s leading philosophers of religion Quinn left behind an influential body of work on a wide variety of topics He was the author of *Divine Commands and Moral Requirements* 1978 and of more than two hundred papers in philosophy Fourteen of his best and most influential contributions to the philosophy of religion are gathered here The papers have been organized around the following topics religious epistemology religious ethics religion and tragic dilemmas religion and political liberalism topics in Christian

philosophy and religious diversity *Truth, Autonomy, and Speech* Susan Williams, 2004-06-14 A feminist approach to first amendment law **The Blackwell Guide to Social and Political Philosophy** Robert L. Simon, 2008-04-15 The Blackwell Guide to Social and Political Philosophy brings together a collection of newly commissioned essays which examine fundamental issues in social and political theory Written by leading social and political philosophers each essay provides a map to the history of the issue at hand and a judicious assessment of the main arguments that have been brought to bear upon that issue Rawls and Religion Tom Bailey, Valentina Gentile, 2014-12-23 John Rawls's influential theory of justice and public reason has often been thought to exclude religion from politics out of fear of its illiberal and destabilizing potentials It has therefore been criticized by defenders of religion for marginalizing and alienating the wealth of religious sensibilities voices and demands now present in contemporary liberal societies In this anthology established scholars of Rawls and the philosophy of religion reexamine and rearticulate the central tenets of Rawls's theory to show they in fact offer sophisticated resources for accommodating and responding to religions in liberal political life The chapters reassert the subtlety openness and flexibility of his sense of liberal respect and consensus revealing their inclusive implications for religious citizens They also explore the means he proposes for accommodating nonliberal religions in liberal politics developing his conception of public reason into a novel account of the possibilities for rational engagement between liberal and religious ideas And they reevaluate Rawls's liberalism from the transcendent perspectives of religions themselves critically considering its normative and political value as well as its own religious character Rawls and Religion makes a unique and important contribution to contemporary debates over liberalism and its response to the proliferation of religions in contemporary political life The Sources of Public Morality European Society for Research in Ethics. Conference, 2003 The sources of public morality are an increasingly pressing issue within philosophical and theological ethics This book presents essays covering a broad spectrum of the various aspects of this problematic question by some of the leading scholars in the field The essays address various approaches and traditions Most were first presented as lectures at a Societas Ethica conference in Berlin during August 2001 others are presented here for the first time Sven Andersen teaches systematic theology at Aarhus University Denmark Centre for Bioethics Ulrich Nissen teaches systematic theology at Aarhus University Lars Reuter teaches systematic theology at Aarhus University

Religious Convictions And Political Choice Introduction

In today's digital age, the availability of Religious Convictions And Political Choice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Convictions And Political Choice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Convictions And Political Choice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Convictions And Political Choice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Convictions And Political Choice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Convictions And Political Choice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Convictions And Political Choice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Convictions And Political Choice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Convictions And Political Choice books and manuals for download and embark on your journey of knowledge?

FAQs About Religious Convictions And Political Choice Books

What is a Religious Convictions And Political Choice PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Convictions And Political Choice PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Convictions And Political Choice PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Convictions And Political Choice PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Convictions And Political Choice PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
