viewpoints and observations of religion and history Hopefully the reader will gain some insight into the world of spirituality for the years to come and will be motivated to have a closer connection to God and not to religion as such There are many questions asked but the answers are up to the reader Richard Money doesn't expect Journey of Faith to be a record breaking novel In fact the only reason it is being written is because so many people have told Richard over the years that he has a book in him When is he going to get it out Well here it comes for better or for worse Journey of Faith is comprised of many incidents in his life that he believes may show not what he has done but what he has become with the Grace of God If you are looking for a religious experience we don't think you will find it here although you may We are not making any promises Journey of Faith will stimulate the mind to see the real messages of Jesus What makes this book unique is the ingredients of life and the events of a married priest after being married and the training of priests of sixty years ago If you are seeking the meaning of life and the working of the Holy Spirit this book will truly bring light into your life All people seeking the Holy Spirit in their lives this is for you Not only the religious but those on the fence as it were who may doubt the workings of God in their lives This book is to be a bridge between God and Man and to see the manifestations of God in our lives This is our life in the Journey of Faith

Legett a young soldier who was killed in the First World War For two years the world famous psychic surgeon communicated with the soldier s soul and in the process wrote down his remarkable story not the tale of Legett s tragically short life on the physical plane but of his death on a battlefield in France and his soul s subsequent journey into the afterlife Although he works with many discarnate spirits in his clinic the dyslexic Turoff was initially reluctant to undertake the task of writing a book But he was persuaded by the boisterous and genial soul of the dead man Their literary collaboration involved an unusual method Legett presented spiritual pictures to Turoff who with clairvoyant perception interpreted them into words The result is this enlightening testimony of life beyond the illusion of death filled with insight spiritual wisdom and delightful humour It is written to show that we are all eternal there is no death only change **Power of the Soul** John
