Remaking The Union Devolution And British Politics In The 1990s

Dr James Hughes, Gwendolyn Sasse

Remaking The Union Devolution And British Politics In The 1990s:

Devolution and British Politics Michael Oneill, 2014-05-22 Devolution has transformed the British Polity in the last decade Taking this profound change as its theme Devolution and British Politics is an up to date comprehensive and effective review of the origins and development of the devolution process Devolution in British Politics offers a de centralised assessment of British politics and encourages critical thinking regarding contemporary political theory *Central Debates in British Politics* John Benyon, David Denver, Justin Fisher, 2014-09-25 Central Debates in British Politics focuses on British politics in a changing social economic and institutional context The book explores issues and debates using a variety of approaches and techniques It is written and edited by a team of leading experts who analyse key issues in a highly structured and thematic manner Scotland: the Challenge of Devolution Alex Wright, 2018-02-06 This title was first published in 2000 Linking politics with culture and society this collection provides an overview of the Scottish Parliament and analyzes it in relation to UK European and global regionalization **Has Devolution Made a Difference?** Alan Trench, 2015-10-12 This book is the fourth volume of a major five year research programme on devolution funded by the Leverhulme Trust The programme comprises eleven Constitution Unit research projects underwritten by a regular series of monitoring reports This book provides a stock take of the effect of devolution during the first term of the Scottish Parliament and National Assembly for Wales Part 1 covers the territories of the UK Scotland Wales Northern Ireland and the English regions Part 2 looks at its impact on the centre Westminster Whitehall and public opinion Part 3 looks at developments in two key areas of public policy The book as a whole assesses not just how parts of the UK have been affected by devolution but also its effect on the UK as a whole Written by the Constitution Unit at University College London and the leading experts in Scotland Wales and Northern Ireland the book is packed with facts and figures and is essential reading for those who want to keep bang up to date with the latest developments **British Political History, 1867-2001** Malcolm Pearce, Geoffrey Stewart, 2013-09-13 This third edition of British Political History 1867 2001 is an accessible summary of major political developments in British history over the last 140 years Analyzing the changing nature of British society and Britain s role on the world stage Malcolm Pearce and Geoffrey Stewart also outline the growth of democracy and the growth in the power of the state against a background of party politics New coverage includes domestic affairs from 1992 to 2001 John Major s Government the creation of New Labour and the Third Way Blair s first ministry developments in Northern Ireland from 1995 through the Easter Peace Deal into 2001 the 2001 General Election results and implications Students of British politics and history will find this the perfect resource for their studies **Local Governance in Western Europe** Peter John, 2001-09-18 Its strength lies in combining theoretical insights with an impressive range of empirical material The analysis is subtle and multi layered This is a timely and important book Political Studies Local governance have gained massive attention among scholars and practitioners during the past several years Peter John s book fills a void in the literature by tracing the historical roots of local governance

and by placing his findings in a comparative perspective Professor Jon Pierre University of Gothenburg Sweden Peter John has produced a fascinating and stimulating book in which he assesses current developments in urban politics and local government in Europe and suggests how these changes are leading to different patterns of sub national territorial politics in the EU today What he has to say is of important interest to all students of local government comparative politics and of territorial politics more generally Michael Goldsmith University of Salford this book offers a fascinating comparative analysis themes such as New Public Management globalisation regionalism and privatisation will be relevant to numerous courses in government politics public administration and public policy West European Politics This text provides a comprehensive introduction to local government and urban politics in contemporary Western Europe It is the first book to map and explain the change in local political systems and to place these in comparative context The book introduces students to the traditional structures and institutions of local government and shows how these have been transformed in response to increased economic and political competition new ideas institutional reform and the Europeanization of public policy At the book s core is the perceived transition from local government to local governance The book traces this key development thematically across a wide range of West European states including Belgium France Greece Italy Germany the Netherlands Norway Portugal Spain and the United Kingdom

Patriots Richard Weight,2013-10-17 Who are the British today For nearly three hundred years British national identity was a unifying force in times of glory and despair It has now virtually disappeared In Patriots Richard Weight explores the decline of Britishness and the rise of powerful new identities in England Scotland Wales and Ireland Based on a wealth of original research it is scholarly in depth and scope yet never departs from a thoroughly readable and entertaining style Here are the themes of Orwell s *The Lion and the Unicorn* stretched over the subsequent sixty years and widened to embrace the whole United Kingdom Brimming with zest and feel this is politico cultural history at its best Peter Hennessy Wide ranging intelligent sensible and important Max Hastings Sunday Telegraph A marvellously rich ambitious and at times iconoclastic study by a young historian of how in the broadest sense national identity in Britain has changed in the last 60 or so years David Kynaston Financial Times A major work the fruit of long research wide reading and hard thinking engagingly written bubbling with fresh ideas Stephen Howe Independent

Paradiplomacy in Action Francisco Aldecoa,Dr Michael Keating,2013-10-23 Offering a general view of the development of subnational foreign action around the world this work covers topics such as the repercussions upon subnational autonomy of the progressive constitution of international regimes such as the EU NAFTA and APEC

Regionalism After Regionalisation Frans Schrijver,2006 Concentrating on three countries Spain France and the United Kingdom and three regional case studies of Galicia Brittany and Wales this book offers an analysis of the development of political regionalism after regionalisation

State and Majority Nationalism in Plurinational States Daniel Cetrà,Coree Brown Swan,2022-12-26 How do states respond to minority nations demands Are state nationalism and majority nationalism the same This book

brings together the leading lights in nationalism studies to turn their attention to the neglected role of the state in nationalist disputes. The aspirations of state and majority nationalists often conflict with the aspirations of substate nationalist movements leading to disputes over resources, symbolic recognition and the structure of the state. State elites are then forced to supply arguments defending the political union and to articulate strategies for its continuation. In the process they make explicit what being national means and the symbolic repertoires for doing so. With case studies from China, Spain, the United Kingdom, Canada, India and Nepal, this edited volume examines state and majority nationalism in all its guises, asking how states respond to nationalist challenges from below. It is particularly timely at a moment when territorial and secessionist crises are reshaping politics. *State and Majority Nationalism in Plurinational States* will be relevant reading for students and researchers of comparative politics and international relations, including those with a deep interest in territorial politics, national identities, group rights and representation. The chapters in this book were originally published as a special issue of *Nationalism and Ethnic Politics*.

Contemporary British Children's Fiction and Cosmopolitanism Fiona McCulloch, 2016-11-10. This book visits contemporary British children's and young adult (YA) fiction alongside cosmopolitanism, exploring the notion of the nation within the context of globalization, transnationalism and citizenship. By resisting globalization's dehumanizing conflation, cosmopolitanism offers an ethical, humanitarian and political outlook of convivial planetary community. In its pedagogical responsibility towards readers who will become future citizens, contemporary children's and YA fiction seeks to interrogate and dismantle modes of difference and instead provide aspirational models of empathetic world citizenship. McCulloch discusses texts such as J.K. Rowling's *Harry Potter* series, Jackie Kay's *Strawgirl*, Theresa Breslin's *Divided City*, Gillian Cross's *Where I Belong*, Kerry Drewery's *A Brighter Fear*, Saci Lloyd's *Momentum* and Julie Bertagna's *Exodus* trilogy. This book addresses ways in which children's and YA fiction imagines not only the nation but the world beyond, seeking to disrupt binary divisions through a cosmopolitical outlook. The writers discussed envision British society's position and role within a global arena of wide-ranging topical issues, including global conflicts, gender, racial politics, ecology and climate change. Contemporary children's fiction has matured by depicting characters who face uncertainty just as the world itself experiences an uncertain future of global risks such as environmental threats and terrorism. The volume will be of significant interest to the fields of children's literature, YA fiction, contemporary fiction, cosmopolitanism, ecofeminism, gender theory and British and Scottish literature.

Presidents, Governors, and the Politics of Distribution in Federal Democracies Lucas I. González, 2016-03-10. Tensions between central authorities and subnational units over centralization and fiscal autonomy are on top of the political agenda in many developing federal countries. This book examines historical changes in the balance between the resources that presidents and governors control and the policy responsibilities they have to deliver. It focuses on Argentina and Brazil, the most decentralized federal countries in Latin America, with the most powerful sub-national governments in the region. Using formal modelling, statistical tools and

comparative historical analyses it examines substantive shifts in the allocation of resources and the distribution of administrative functions and explains under which conditions these changes occur In doing so it presents theoretical and comparative implications for the study of fiscal federalism and the functioning of developing federal democracies This text will be of key interest to scholars and students of federalism intergovernmental relations decentralization and sub national politics and more broadly to those studying comparative politics democratization political elites public policy and economics

Ethnicity and Territory in the Former Soviet Union Dr James Hughes, Gwendolyn Sasse, 2014-09-25 The collapse of the Soviet empire in 1991 removed a decades long system of successful control of potential ethnic and regional conflict The result was the eruption of numerous conflicts over state building some of which degenerated into violence and some of which were resolved or prevented by strategies of accommodation This volume explores the common trends and differences in the responses of the new post Soviet states to the problems of state building in ethnically and regionally divided societies focusing on the impact of ethnic and regional conflicts on post communist transition and institutional development The book will be essential reading for specialists and students alike who are interested in conflict regulation and post Soviet politics

Consultative Committees in the European Union Diana Panke, Christoph Hönnige, Julia Gollub, 2014-12-01 How and under which conditions can consultative committees exert influence if they have access to legislators voice but no formal veto power vote In drawing on the Committee of the Regions and the European Economic and Social Committee of the European Union this book shows that consultative committees face several challenges when it comes to influencing the content of policies but are nevertheless sometimes successful in getting their opinions heard It develops a sender receiver model and puts it to a comprehensive empirical test A quantitative analysis and three in depth case studies on the European citizens initiative the European grouping of territorial cooperation and the Liberalisation of Community Postal Services show how capacities incentives and preferences of consultative committees and legislative decision makers need to be configured to allow for the influence of the CoR and the EESC

Nationalism and Self-Government Scott L. Greer, 2012-02-01 Scotland and Catalonia both ancient nations with strong nationalisms within larger states are exemplars of the management of ethnic conflict in multinational democracies and of global trends toward regional government Focusing on these two countries Scott L Greer explores why nationalist mobilization arose when it did and why it stopped at autonomy rather than statehood He challenges the notion that national identity or institutional design explains their relative success as stable multinational democracies and argues that the key is their strong regional societies and their regional organizations preferences for autonomy and environmental stability

Revolution or Evolution? The 2007 Scottish Elections John Curtice, 2009-12-07 The Scottish parliamentary and local elections of 2007 were significant for two key reasons the SNP was brought to power for the first time in its history posing a fundamental challenge to the 300 year Scottish English Union and the local elections used the Single Transferable Vote the first time such an electoral system has been used in Great Britain since 1945 This book

explores the significance of these two developments asking whether they herald a revolutionary break with the past or simply mark a continuing evolution of existing patterns of Scottish politics It uses a unique source of evidence representative high quality annual sample surveys of the Scottish public that since 1999 have regularly measured how people in Scotland have reacted to devolution and how they have behaved in elections Readers will gain an unparalleled insight into the identities attitudes and electoral behaviour of people in Scotland during the first decade of devolution **Federalism and Ethnic**

Conflict in Ethiopia Asnake Kefale, 2013-07-31 This book examines the impact of the federal restructuring of Ethiopia on ethnic conflicts The adoption of ethnic federalism in Ethiopia was closely related with the problem of creating a state structure that could be used as instrument of managing the complex ethno linguistic diversity of the country Ethiopia is a multinational country with about 85 ethno linguistic groups and since the 1960s it suffered from ethno regional conflicts The book considers multiple governance and state factors that could explain the difficulties Ethiopian federalism faces to realise its objectives These include lack of political pluralism and the use of ethnicity as the sole instrument of state organisation Federalism and Ethnic Conflict in Ethiopia will be of interest to students and scholars of federal studies ethnic conflict and regionalism The Case for Multinational Federalism Alain-G. Gagnon, 2009-09-10 Throughout the world liberal

democracies are grappling with increasing claims made in the name of minority national socio cultural and ethno cultural identities that seek greater recognition in the institutions of the nation state This work inserts itself into debates centred on diversity through a normative and empirical analytical assessment of the political sociology of multinational democracies The main thread of the arguments put forward is that federalism in both its institutional manifestations and its sociological properties constitutes a promising avenue for the management of cohabitating political communities and for the affirmation of collective identities within states that are constituted by two or more nations Author Alain G Gagnon develops his argument by contending that the federal principle allows for the exercise of advanced democratic practices within nation states permitting internal nations to openly affirm the bases of adherence to a common political project At the same time he argues that federalism nourishes the development of distinct collective traditions that serve to benefit all parties to the association It is concluded that only in such a scenario will the elusive pursuit of an authentic and shared loyalty underpin multinational states and ensure their stability in contrast to the instrumental sentiments of belonging engendered by procedural territorial federal models Focusing primarily on the Canadian case this book also draws inspiration from other federal states Belgium the United States as well as federalizing states Spain the United Kingdom It will be of keen interest to students and scholars of Politics European Studies along with Nationalism and Federalism Studies **Minority Nations in**

Multinational Federations Min Reuchamps, 2014-12-17 Multinational federations rest on the coexistence of two or more nations within a single polity Within these federations minority nations play a significant role as their character differs from the other building blocks of the federation This edited volume offers a comprehensive comparison of two such minority

nations Quebec in Canada and Wallonia in Belgium which exemplifies many dimensions themes and issues highly resonant to the study of federalism and regionalism across the globe Quebec and Wallonia have experienced several decades of federal dynamics where both regions have had to find their way as a minority nation in a multinational federation For those studying federalism and regionalism their importance lies in a number of characteristics but principally in the fact of these minority nations have transformed into mini states with fully fledged legislative powers within their federation This book seeks to study the specific dynamics within these small worlds and between them and the rest of the federation This text will be of key interest to students and scholars of federalism nationalism and regionalism comparative politics and policies political ideas and social movements

Comparative Federalism and Intergovernmental Agreements Jeffrey Parker, 2014-08-27

Intergovernmental agreements are an important instrument in federal systems establishing new social programs regulating agricultural practices and even changing constitutions Despite their importance there have only been limited attempts to understand agreements in a comparative context or to provide a theoretical framework for their study This book addresses both of these deficiencies by comparing the use of agreements in six federations Australia Canada Germany South Africa Switzerland and the United States and considering why certain federations form more agreements than others Parker analyzes the data using an institutional framework that considers the effects of seven variables including the constitutional division of powers the system of intergovernmental transfers the size of the welfare state and the nature of governing institutions In addition the study provides the first ever comparative database of national intergovernmental agreements a new resource for future research This book will be of interest to students and scholars of Political Science Federalism Government Political Institutions Political Theory and Comparative Politics

Remaking The Union Devolution And British Politics In The 1990s Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Remaking The Union Devolution And British Politics In The 1990s free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Remaking The Union Devolution And British Politics In The 1990s free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Remaking The Union Devolution And British Politics In The 1990s free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Remaking The Union Devolution And British Politics In The 1990s. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Remaking The Union Devolution And British Politics In The 1990s any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Remaking The Union Devolution And British Politics In The 1990s Books
