Wayne House, 1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards **Marriage, Divorce, and Remarriage** Katherine P.H. Young, Anita Y.L. Fok, 2005-05-01 Although the ideal of companionate marriage has gradually been established in Hong Kong demographic trends from the 1980s reflect greater marital and family instability In the years to come adult fulfilment is likely to be found in various ways through marriage divorce remarriage or the single state Each of these has its own potentials tensions and prospects for growth and development Each offers different though viable life styles through which people can develop in adulthood These trends call for a rethinking of marriage and of our expectation that marriage and the family bond will continue to serve as the relational context of adult living This collection on marital work offers the means to rethink marriage by examining the ways husbands and wives cope with the demands and dilemmas of their relationship from diverse parenting forgiveness coping with childhood abuse infidelity disenchantment and distancing to uncoupling in divorce and re coupling in remarriage Each chapter addresses aspects of these issues with a focus on the recovery reinvention and reconstruction of the self to meet the many challenges arising from the relationship and from life circumstances **Remarriage after Divorce in Today's Church** Zondervan, 2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three

contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *The Remarriage Book* Peter K.
