Grime, Glitter, and Glass Nikki A. Greene, 2024-08-30 In *Grime Glitter and Glass* Nikki A. Greene examines how contemporary Black visual artists use sonic elements to refigure the formal and philosophical developments of Black art and culture. Focusing on the multimedia art of Ren e Stout Radcliffe Bailey and Mar a Magdalena Campos Pons Greene traces the intersection of the visual s sonic possibilities with the Black body s physical representational and metaphorical use in art. She employs her concept of visual aesthetic musicality to interpret Black visual art by examining the musical genres of jazz and rap along with the often overlooked innovations of funk and rumba within art historiography. From Bailey s use of multilayered surfaces of glitter mud and recycled materials to meditate on Sun Ra s Afrofuturism to Stout s life sized cast of her own body that recalls funk musician Betty Davis to Campos Pons s performative and sculptural references to sugar that resonate with the legacy of Celia Cruz Greene outlines how these artists use mediums such as molded glass sculptures viscous wet plaster and dazzling manikin heads to enhance the manifestations of Black identity. By foregrounding the sonic elements of their work Greene demonstrates that these artists use sound to make themselves legible recognizable and audible.

Spanish Culture Behind Barbed Wire Francie Cate-Arries, 2004 By the end of the Spanish Civil War in March of 1939 almost 500 000 Spaniards had fled Francisco Franco s newly established military dictatorship. More than 275 000 refugees in France were immediately interned in hastily constructed concentration camps most of which were located along the open shorelines of France s southernmost beaches. This book chronicles the cultural memory of this war refugee population whose stories as camp inmates in the early 1940s remain largely unknown unlike the wide dissemination of the literature and testimony of the survivors of Nazi death camps. The hidden history of France s seaside camps for Spanish Republicans spawned a rich legacy of cultural works that dramatically demonstrate how a displaced political community began to reconstitute itself from the ruins of war literally from the sands of exile. Combining close textual analyses of memoirs poetry drama and fiction with a carefully researched historical perspective *Spanish Culture behind Barbed Wire* Investigates how the most significant literature of the early post civil war exile period appropriated the concentration camp as a discursive vehicle.

The Princeton University Library Chronicle Lawrence Thompson, 1996 Vol 1 includes section Biblia devoted to the interests of the Friends of the Princeton Library v 11 Annual Bibliography of Modern Art Museum of Modern Art (New York, N.Y.). Library, 2000 **Bibliographic Guide to Art and Architecture** New York Public Library. Art and Architecture Division, 2001 Catalogue raisonné Remedios Varo, 1994 This descriptive catalog of Remedios Varo includes essays on her life and works a biographical sketch and comments by the subject on some of her paintings. Most of the book is devoted to colored reproductions accompanied by technical data such as dimensions technique current owner exhibitions in which each work was shown etc *Preservation, Radicalism, and the Avant-Garde Canon* R. Ferreboeuf, F.

Noble, T. Plunkett, 2016-04-08 Combining a range of content with self reflexive examination by scholars and practitioners this edited volume interrogates the contemporary significance of the avant garde Rather than focusing on a particular region period or movement the contributors bring together case studies to examine what constitutes the avant garde canon

Handbook of Latin American Studies, 2007 Contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of Latin American studies Covers social sciences and the humanities in alternate years *Ediciones Era* Fernando Benítez, 1995 Remedios Varo: Catalogue Raisonné Walter.
