

A night landscape of a beach with the Milky Way galaxy visible in the sky. The scene is dark, with the bright, starry band of the Milky Way arching across the upper half of the frame. Below the sky, a dark, silhouetted cliff or headland rises from the left. The foreground is a sandy beach with several dark, jagged rocks scattered across it. The ocean is visible in the distance, with a thin line of white surf where waves are breaking. The overall mood is serene and contemplative.

Maybe one day we shall be glad to remember
even these hardships.
