the other modernist poets such as Ralph Waldo Emerson We have found that Eliot in his poetry and prose writings was a modernist writer who unlike other modernist poets did not accept the way others rejected the values of religion and tradition Eliot focuses more on the role of religion and tradition in the psychological state of the individual and its impact upon the social stability His viewpoint regarding the vital role of spirituality in the life of the individual could be clearly seen in his poetic poems and prose writings but this aspect has been too little or not tackled as it is done with Homer The Ezra Pound Encyclopedia Demetres P. Tryphonopoulos, Stephen J. Deviant Modernism Colleen Lamos, 1998-12-10 This original study re-evaluates central texts of the modernist canon Eliot's early poetry including *The Waste Land* Joyce's *Ulysses* and Proust's *Remembrance of Things Past* by examining sexual energies and identifications in them that are typically regarded as perverse According to modern cultural discourses and psychosexual categorizations these deviant desires and identifications feminize men or tend to render them homosexual Colleen Lamos's analysis of the operations of gender and sexuality in these texts reveals conflicts concerning the definition of masculine heterosexuality which cut across the aesthetics of modernism She argues that canonical male modernism far from being a monolithic entity with a coherently conservative political agenda is in fact the site of errant impulses and unresolved struggles What emerges is a reconsideration of modernist literature as a whole and a recognition of the heterogeneous forces which formed and deformed modernism

Their Ancient Glittering Eyes Donald Hall, 1992 Donald Hall has written a vivid memoir of the eminent poets of our century While still a student Donald Hall came to know Robert Frost Dylan Thomas and T S Eliot He interviewed Eliot Ezra Pound and Marianne Moore for *The Paris Review* and his portraits anecdotes descriptions criticisms and literary gossip drawn from life

Old Poets Donald Hall, 2021 Intimate portraits of great poets in old age giving new insight to their work and their lives and context to the often flawless art created by flawed human beings The best of themselves endure and the old poets' existence and endurance gives readers courage to pursue their own vision Donald Hall knew a great deal about work about poetry and about age Each of those things come together in this unique collection We hear about Robert Frost as Hall knew him vain and cruel a man possessed by guilt But as Hall writes The poet who survives is the poet to celebrate the human being who confronts darkness and defeats it is the one to admire For all his vanity Robert Frost is admirable He looked into his desert places confronted his desire to enter the oblivion of the snowy woods and drove on Hall's essays are once both intimate portraits and learned treatises He takes us on a pub crawl through the Welsh countryside with the word mad Dylan Thomas to the Faber to a reading where Robert Frost's public persona hid the truth to Brooklyn for lunch with the enigmatic Marianne Moore and to Italy and for a visit with the notorious Ezra Pound By the time Hall met them each poet was he observed old enough to have detached from ongoing poetry to feel alien to the ambitions of the grandchildren Also included are portraits of the poets who taught Hall as a writer the unfailingly kind Archibald
