

REMEMBERING ALEISTER CROWLEY

KENNETH GRANT

Remembering Aleister Crowley

Gary Lachman

Remembering Aleister Crowley:

Remembering Aleister Crowley Kenneth Grant, 1991 This memoir of the relationship between Kenneth Grant and Aleister Crowley is illustrated by personal mementos It covers the latter years of World War II and Crowley's settling in to his last abode at Netherwood in Hastings

Aleister Crowley Gary Lachman, 2014-05-15 This definitive work on the occult's great beast traces the arc of his controversial life and influence on rock and roll giants from the Rolling Stones to Led Zeppelin to Black Sabbath When Aleister Crowley died in 1947 he was not an obvious contender for the most enduring pop culture figure of the next century But twenty years later Crowley's name and image were everywhere The Beatles put him on the cover of Sgt Pepper's Lonely Hearts Club Band The Rolling Stones were briefly serious devotees Today his visage hangs in goth clubs occult temples and college dorm rooms and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers Aleister Crowley is more than just a biography of this compelling controversial and divisive figure it's also a portrait of his unparalleled influence on modern pop culture

Aleister Crowley and Western Esotericism Henrik Bogdan, Martin P. Starr, 2012-08-01 This volume is the first comprehensive examination of one of the twentieth century's most distinctive iconoclasts Aleister Crowley 1875-1947 was a study in contradictions Born into a fundamentalist Christian family and educated at Cambridge he was vilified as a traitor drug addict and debaucher yet revered as perhaps the most influential thinker in contemporary esotericism Moving beyond the influence of contemporary psychology and the modernist understanding of the occult Crowley declared himself the revelator of a new age of individualism Crowley's occult bricolage Magick was an eclectic combination of spiritual exercises drawn from Western European magical ceremonies and Indic sources for meditation and yoga This journey of self liberation culminated in harnessing sexual power as a magical discipline a sacralization of the self as practiced in Crowley's mixed masonic group the Ordo Templi Orientis The religion Crowley created Thelema legitimated his role as a charismatic revelator and herald of a new age of freedom Aleister Crowley's lasting influence can be seen in the counter culture movement of the late 1960s and early 1970s and in many forms of alternative spirituality and popular culture The essays in this volume offer crucial insight into Crowley's foundational role in the study of Western esotericism new religious movements and sexuality

The Weiser Concise Guide to Aleister Crowley Richard Kaczynski, 2009-04-01 Shrouded in mystery and misunderstanding Aleister Crowley is one of the 20th century's most revered occult figures With The Weiser Concise Guide to Aleister Crowley readers are given a careful comprehensive overview of Crowley's life from poet to practicing magician as well as his life's work including the basic principles and rituals of his magical practices Set aside your preconceptions and dismiss the rumors Crowley was certainly a complex controversial and colorful man but the truth is far more interesting than the legend

Aleister Crowley Tobias Churton, 2014-05-20 At last the unexpurgated true story of the amazing Aleister Crowley philosopher poet artists writer magus explorer parapsychology and spy Packed with fresh research and previously unpublished Crowleyana For 100 years Aleister Crowley's true

achievements have been suppressed and his true character defaced in a campaign of vilification unparalleled in British history Until now Crowley s life has not been written it has been written over Tobias Churton is a world authority on Freemasonry Rosicrucianism and Gnosticism In writing Aleister Crowley he enjoyed complete access to all Crowley s restricted papers unpublished letters and personal diaries kept in a trust at London s Warburg Institute and in the Ordo Templi Orientis archives Ninety percent of the authentic material here has never before been published Aleister Crowley and the Temptation of Politics Marco Pasi,2014-09-11 Aleister Crowley 1875 1947 is one of the most famous and significant authors in the history of western esotericism Crowley has been long ignored by scholars of religion whilst the stories of magical and sexual practice which circulate about him continue to attract popular interest Aleister Crowley and the Temptation of Politics looks at the man behind the myth by setting him firmly within the politics of his time and the development of his ideas through his extensive and extraordinarily varied writings Crowley was a rationalist sympathetic to the values of the Enlightenment but also a romantic and a reactionary His search for an alternative way to express his religious feelings led him to elaborate his own vision of social and political change Crowley s complex politics led to his involvement with many key individuals organisations and groups of his day the secret service of various countries the German Nazi party Russian political activists journalists and politicians of various persuasions as well as other writers both in Europe and America Aleister Crowley and the Temptation of Politics presents a life of ideas an examination of a man shaped by and shaping the politics of his times **Journal for the Academic Study of Magic 2** Dave Evans,Various,2004-05 This volume is a multidisciplinary peer reviewed print publication covering all areas of magic witchcraft paganism and all geographical regions and all historical periods Do What Thou Wilt Lawrence Sutin,2025-09-23 Do What Thou Wilt An exploration into the life and works of a modern mystic occultist poet mountaineer and bisexual adventurer known to his contemporaries as The Great Beast Aleister Crowley was a groundbreaking poet and an iconoclastic visionary whose literary and cultural legacy extends far beyond the limits of his notoriety as a practitioner of the occult arts Born in 1875 to devout Christian parents young Aleister s devotion scarcely outlived his father who died when the boy was twelve He reached maturity in the boarding schools and brothels of Victorian England trained to become a world class mountain climber and seldom persisted with any endeavor in which he could be bested Like many self styled illuminati of his class and generation the hedonistic Crowley gravitated toward the occult An aspiring poet and a pampered wastrel obsessed with reconciling his quest for spiritual perfection and his inclination do exactly as he liked in the earthly realm Crowley developed his own school of mysticism Magick as he called it summoned its users to embrace the imagination and to glorify the will Crowley often explored his spiritual yearnings through drug saturated vision quests and rampant sexual adventurism but at other times he embraced Eastern philosophies and sought enlightenment on ascetic sojourns into the wilderness This controversial individual a frightening mixture of egomania and self loathing has inspired passionate but seldom fair assessments from

historians Lawrence Sutin by treating Crowley as a cultural phenomenon and not simply a sorcerer or a charlatan convinces skeptic readers that the self styled Beast remains a fascinating study in how one man devoted his life to the subversion of the dominant moral and religious values of his time *Magic and Witchery in the Modern West* Shai Feraro, Ethan Doyle White, 2019-06-26 This book marks twenty years since the publication of Professor Ronald Hutton s *The Triumph of the Moon* a major contribution to the historical study of Wicca Building on and celebrating Hutton s pioneering work the chapters in this volume explore a range of modern magical occult and Pagan groups active in Western nations Each contributor is a specialist in the study of modern Paganism and occultism although differ in their embrace of historical anthropological and psychological perspectives Chapters examine not only the history of Wicca the largest and best known form of modern Paganism but also modern Pagan environmentalist and anti nuclear activism the Pagan interpretation of fairy folklore and the contemporary Traditional Witchcraft phenomenon **The Eloquent Blood** Manon Hedenborg White, 2020 *The Eloquent Blood* focuses on the changing construction of femininity and feminine sexuality in interpretations of the goddess Babalon A central deity in Thelema the religion founded by the notorious British occultist Aleister Crowley 1875 1947 Babalon is based on Crowley s favorable reinterpretation of the biblical Whore of Babylon and is associated with liberated female sexuality and the spiritual ideal of passionate union with existence Combining research on historical and contemporary Western esotericism with feminist and queer theory the book sheds light on the ways in which esoteric movements and systems of thought have developed over time in relation to political movements **Remembering Satan** Lawrence Wright, 1995-04-25 From the Pulitzer Prize winning author of *The Looming Tower* comes the most powerful and disturbing true crime narrative to appear since Truman Capote s *In Cold Blood* TIME a case that destroyed a family engulfed a small town and captivated an America obsessed by rumors of a satanic underground In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father Paul Ingram who was a respected deputy sheriff in Olympia Washington At first the accusations were confined to molestations in their childhood but they grew to include torture and rape as recently as the month before At a time when reported incidents of recovered memories had become widespread these accusations were not unusual What captured national attention in this case is that under questioning Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff s department As *Remembering Satan* follows the increasingly bizarre accusations and confessions the claims and counterclaims of police FBI investigators and mental health professionals it gives us what is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears **The Baptist's Head Compendium** Alan Chapman, Duncan Barford, 2024-06-25 The intimate personal journals of two occultists practising western magick to achieve The Great Work also known as awakening or enlightenment With its humour honesty and down to earth approach extending beyond the cult following it gained after its original publication in the late noughties *The Baptist s Head Compendium* has

proved itself a seminal text and indispensable guide to anyone suspicious of or disillusioned by magick purely as a tool for personal power or material gain Sharing the details of their discoveries and mistakes in the process of making them Chapman and Barford demonstrate how magick is a genuine spiritual tradition leading to enlightenment They have their minds blown and the strangest experiences of their lives By holding nothing back but sharing all results and methods the reader is equipped to embark on their own exploration of magick as a path to spiritual awakening Originally published as a trilogy but long since out of print these books are now available for the first time in a single volume revised and updated with new introductions by the authors

The Necronomicon Files Daniel Harms, John Wisdom Gonce, 2003-07-01 Occult scholars explore how H P Lovecraft's fictional book of magic became a cultural phenomenon and real life legend in this revised and expanded volume What if a book existed that revealed the answers to all of life's mysteries For those who believe in it The Necronomicon is exactly that an eighth century occult text of immense power In fact The Necronomicon is a creation of science fiction writer H P Lovecraft who referred to the work in a number of stories and gave weight to its legend by inventing its own elaborate history In *The Necronomicon Files* two occult authorities explore all aspects of The Necronomicon from its first appearance in Lovecraft's fiction to its ongoing pervasive appearance in cult and occult circles The authors show how Lovecraft's literary circle added to the book's legend by referring to it in their own writing As people became convinced of the book's existence references to it in literature and film continue to grow This revised and expanded edition also examines the lengths people have undergone to find the Necronomicon and the cottage industry that has arisen in response to the continuing demand for a book that does not exist The Necronomicon Files illuminates the transformations of a modern myth exposing a literary hoax while celebrating the romance of Necronomicon lore

Handbook of Contemporary Paganism Murphy Pizza, James R. Lewis, 2009 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained

Talking to the Gods Susan Johnston Graf, 2015-03-30 Explores occultism in the writings of four authors who were members of the Hermetic Order of the Golden Dawn *Talking to the Gods* explores the linkages between the imaginative literature and the occult beliefs and practices of four writers who were members of the Hermetic Order of the Golden Dawn William Butler Yeats Arthur Machen Algernon Blackwood and Dion Fortune were all members of the occult organization for various periods from 1890 to 1930 Yeats of course is both a canonical and well loved poet Machen is revered

as a master of the weird tale Blackwood's work dealing with the supernatural was popular during the first half of the twentieth century and has been influential in the development of the fantasy genre Fortune's books are acknowledged as harbingers of trends in second wave feminist spirituality Susan Johnston Graf examines practices beliefs and ideas engendered within the Hermetic Order of the Golden Dawn and demonstrates how these are manifest in each author's work including Yeats's major theoretical work *A Vision*

Magia Sexualis Hugh B. Urban, 2006-10-04 Sexuality and the occult arts have long been associated in the western imagination but it was not until the nineteenth century that a large and sophisticated body of literature on sexual magic the use of sex as a source of magical power emerged This book the first history of western sexual magic as a modern spiritual tradition places these practices in the context of the larger discourse surrounding sexuality in American and European society over the last 150 years to discover how sexual magic was transformed from a terrifying medieval nightmare of heresy and social subversion into a modern ideal of personal empowerment and social liberation Focusing on a series of key figures including American spiritualist Paschal Beverly Randolph Aleister Crowley Julius Evola Gerald Gardner and Anton LaVey Hugh Urban traces the emergence of sexual magic out of older western esoteric traditions including Gnosticism and Kabbalah which were progressively fused with recently discovered eastern traditions such as Hindu and Buddhist Tantra His study gives remarkable new insight into sexuality in the modern era specifically on issues such as the politics of birth control the classification of sexual deviance debates over homosexuality and feminism and the role of sexuality in our own new world of post modern spirituality consumer capitalism and the Internet

Dining with the Famous and Infamous Fiona Ross, 2016-01-14 Dining with the Famous and Infamous is an entertaining journey into the gastronomic peccadilloes of celebrities stars and notorious public figures From outrageous artists to masterpiece authors from rock stars to actors everybody eats Based on the findings of the British gastro detective Fiona Ross this volume explores the palates the plates and the preferences of the famous and infamous Including recipes and their stories in the lives of those who cooked ordered or ate them Ross invites you to taste the culinary secret lives of people like Alfred Hitchcock Frank Sinatra and Woody Allen among many others Food voyeurism has arrived If you've ever wondered whether George Orwell really swigged Victory Gin or whether cherries played their part in the fall of Oscar Wilde then Dining with the Famous and Infamous will satisfy your appetite Marilyn Monroe becomes a different kind of sex goddess when you discover she tried to eat her way out of *Some Like It Hot* with aubergine parmigiana every curve you see on film is a protest plus early signs of pregnancy You can recreate a Get Gassed afternoon cocktail with Andy Warhol and Truman Capote shake up the chocolate martini Liz Taylor and Rock Hudson invented on the set of *Giant* and even relive the Swinging Sixties with the foodie tales hedonism and hashish cookies of Bob Dylan the Beatles and the Rolling Stones Who wouldn't want to sit at the table of their favorite film star writer artist or warlock and taste a piece of their lives

Western Esotericism and Rituals of Initiation Henrik Bogdan, 2012-02-01 For more than three hundred years the practice of Masonic

rituals of initiation has been part of Western culture spreading far beyond the boundaries of traditional Freemasonry Henrik Bogdan explores the historical development of these rituals and their relationship with Western esotericism Beginning with the Craft degrees of Freemasonry the blueprints as it were of all later Masonic rituals of initiation Bogdan examines the development of the Masonic High Degrees the Hermetic Order of the Golden Dawn the most influential of all nineteenth century occultist initiatory societies and Gerald Gardner s Witchcraft movement of the 1950s one of the first large scale Western esoteric New Religions Movements

Egregores Mark Stavish,2018-07-10 The first book to explore the history and influence of egregores powerful autonomous psychic entities created by a collective group mind Examines the history of egregores from ancient times to present day including their role in Western Mystery traditions and popular culture and media Reveals documented examples of egregores from ancient Greece and Rome Tibetan Buddhism Islam modern esoteric orders the writings of H P Lovecraft and Kenneth Grant and the followers of Julius Evola and Aleister Crowley Provides instructions on how to identify egregores free yourself from parasitic and destructive entities and destroy an egregore should the need arise One of most important but little known concepts of Western occultism is that of the egregore an autonomous psychic entity created by a collective group mind An egregore is sustained by belief ritual and sacrifice and relies upon the devotion of a group of people from a small coven to an entire nation for its existence An egregore that receives enough sustenance can take on a life of its own becoming an independent deity with powers its believers can use to further their own spiritual advancement and material desires Presenting the first book devoted to the study of egregores Mark Stavish examines the history of egregores from ancient times to present day with detailed and documented examples and explores how they are created sustained directed and destroyed He explains how egregores were well known in the classical period of ancient Greece and Rome when they were consciously called into being to watch over city states He explores the egregore concept as it was understood in various Western Mystery traditions including the Corpus Hermeticum and offers further examples from Tibetan Buddhism Islam modern esoteric orders such as the Order of the Golden Dawn and Rosicrucianism the writings of H P Lovecraft and Kenneth Grant and the followers of Julius Evola and Aleister Crowley The author discusses how even as the fundamental principles of the egregore were forgotten egregores continue to be formed sometimes by accident Stavish provides instructions on how to identify egregores free yourself from a parasitic and destructive collective entity and destroy an egregore should the need arise Revealing how egregores form the foundation of nearly all human interactions the author shows how egregores have moved into popular culture and media underscoring the importance of intense selectivity in the information we accept and the ways we perceive the world and our place in it

The Occult World Christopher Partridge,2014-12-05 This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult It explores the history of Western occultism from ancient and medieval sources via the Renaissance right up to the nineteenth and twentieth centuries and contemporary occultism Written by a distinguished team

of contributors the essays consider key figures beliefs and practices as well as popular culture
