Remembering Mother Finding Myself A Journey Of Love And Selfacceptance:

Remembering Mother, Finding Myself Patricia Commins, 1999-04-01 The loss of a mother is one of the most traumatic experiences of a woman's life. At any age a mother's death may leave a daughter with feelings of anger, abandonment and profound sadness that taint the way she views herself, her world and every other relationship around her. In this breakthrough book, author Patricia Commins, who lost her mother at 26, shows readers that the key to escaping the sorority of sorrow is by understanding their mothers as women and by feeling an ongoing connection with them. From this perspective, outside the parent-child relationship that is so fraught with conflict and complex emotions, women gain key insights into their mothers and themselves. By addressing the psychological and spiritual connection that remains after a mother's death, *Remembering Mother Finding Myself* offers the essential element that is missing from other books on motherless daughters. The Path of Understanding, a unique experiential process based on journaling conversations with friends and relatives and meditative exercises, does not seek to negate the loss a woman feels when her mother dies. It instead gently leads her beyond the grief and pain to a new awareness, freeing her from forever trying to be the perfect daughter. Through her own illuminating experiences and those of other women, Commins shows women how to reconnect their deceased mothers while finding peace and self-acceptance. Included are interviews with dozens of women, including such notables as writers Joyce Maynard and Nancy Friday and psychiatrist Elizabeth Kubler Ross.

Inspired Every Day Patricia Crisafulli, 2014-06-10 Finding extraordinary grace in ordinary moments. Comebacks Andrea Redmond, Patricia Crisafulli, 2010-04-26 Gold Medal Winner Success and Motivation 2011 Axiom Business Book Awards. Insight from leaders who experienced major setbacks and redefined success. In tough economic times when careers are derailed and leaders are forced to rewrite their professional plans, this book enlightens and uplifts. *Comebacks* features an all-star cast of ten leaders who endured setbacks, for some a public fall in the midst of media scrutiny, then reassessed and moved ahead with new purpose. Based on revealing interviews, the book presents a behind-the-headlines glimpse into the lives of leaders, how they drew upon resources both internal and external to move on, and the lessons that helped them redefine success. Leaders profiled include Jacques Nasser, former CEO of Ford Motor Co, recently appointed Chairman of BHP Billiton, the world's largest natural resources company; Patricia Dunn, former Chair of Hewlett-Packard, vilified for her alleged role in corporate espionage, only to be exonerated from all charges, today active in philanthropy; Jamie Dimon, JP Morgan; Herbert P. Winokur, Enron Corp; David Neeleman, JetBlue, and more. Redmond, a top executive recruiter, and Crisafulli, author of *The House of Dimon*, show how all leaders face adversity, but true leaders turn adversity into success.
