## **Rememberings The World Of A Rubian Jewish Woman In The Nineteenth Century:**

*Rememberings* Pauline Wengeroff, 2000 Pauline Wengeroff's memoir tells what it was like to be a Jewish girl and a Jewish woman in 19th century Russia as foundations of faith and tradition eroded around her with the onset of the Jewish Enlightenment in Russia. No other work like this survives. The book has been translated into English from her original German memoir. *Book Review Index*, 2002 Every 3rd issue is a quarterly cumulation. **Index to Jewish Periodicals**, 2005 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests. Yiddish Paris Nick Underwood, 2022-03 Yiddish Paris explores how Yiddish speaking emigrants from Eastern Europe in Paris in the 1920s and 1930s created a Yiddish diaspora nation in Western Europe and how they presented that nation to themselves and to others in France. In this meticulously researched and first full length study of interwar Yiddish culture in France author Nicholas Underwood argues that the emergence of a Yiddish Paris was depended on culture makers mostly left wing Jews from Socialist and Communist backgrounds who created cultural and scholarly organizations and institutions including the French branch of YIVO a research institution focused on East European Jews theater troupes choruses and a pavilion at the Paris World's Fair of 1937. Yiddish Paris examines how these left wing Yiddish speaking Jews insisted that even in France a country known for demanding the assimilation of immigrant and minority groups they could remain a distinct group part of a transnational Yiddish speaking Jewish nation. Yet in the process they in fact created a French inflected version of Jewish diaspora nationalism finding allies among French intellectuals largely on the left. **The Lesbian Revolution** Sheila Jeffreys, 2018-09-03 The Lesbian Revolution argues that lesbian feminists were a vital force in the Women's Liberation Movement WLM. They did not just play a fundamental role in the important changes wrought by second wave feminism but created a powerful revolution in lesbian theory culture and practice. Yet this lesbian revolution is undocumented. The book shows that lesbian feminists were founders of feminist institutions such as resources for women survivors of men's violence including refuges and rape crisis centres and that they were central to campaigns against this violence. They created a feminist squatting movement theatre groups bands art and poetry and conducted campaigns for lesbian rights. They also created a profound and challenging analysis of sexuality which has disappeared from the historical record. They analysed heterosexuality as a political institution arguing that lesbianism was a political choice for feminists and indeed a form of resistance in itself. Using interviews with prominent lesbian feminists from the time of the WLM and informed by the author's personal experience this book aims to challenge the way the work and ideas of lesbian feminists have been eclipsed and to document the lesbian revolution. The book will be of key interest to scholars and students of women's history the history of feminism the politics of sexuality women's studies gender studies lesbian and gay studies queer studies and cultural studies as well as to the lay reader interested in the WLM and feminism more generally. 2006, 111 pp, 11.95, 11.95, 11.95 Arts & Humanities Citation Index, 2002 New York Magazine, 1992-06-29 New York magazine was born in 1968 after a run as an
