Swann's Way Marcel Proust, 2013-07-14 The first volume of Proust's seven part novel *In Search of Lost Time* also known as *A Remembrance of Things Past* *Swann's Way* is the auspicious beginning of Proust's most prominent work A mature unnamed man recalls the details of his commonplace idyllic existence as a sensitive and intuitive boy in Combray For a time the story is narrated through his younger mind in beautiful almost dream like prose In a subsequent section of the volume the narrator tells of the excruciating romance of his country neighbor Monsieur Swann The narrator reverts to his

childhood where he begins a similarly hopeless infatuation with Swann's little daughter Gilberte. More than this apparently fragmented narrative, however, is the importance of the themes of memory, time, and art that connect and interweave the man's memories. Considered to be one of the twentieth century's major novels, Proust ultimately portrays the volatility of human life in this sweeping contemplation of reality and time. Marcel Proust (1871-1922) spent the last fourteen years of his life writing *A la recherche du temps perdu*. It is an intimate epic, an excavation of the self, and a comedy of manners by turns, and all at once. Proust is the twentieth century's Dante, presenting us with a unique, unsettling picture of ourselves as jealous lovers and unmitigated snobs frittering our lives away with only the hope of art as a possible salvation. He offers us a form of redemption for a sober and secular age. Scott Moncrieff's delightful translation was for many years the only access to Proust in English. A labor of love that took him nearly as many years as Proust spent writing the original, Moncrieff's translation strives to capture the extraordinary blend of muscular analysis with poetic reverie that typifies Proust's style. It remains a justly famous classic of translation. A beautiful, atmospheric, and nostalgic work, *Swann's Way* is highly recommended for literary connoisseurs and public library audiobook collections. Library Bookwatch
