Contemporary Artistic Practice Christian Mieves,Irene Brown,2017-01-12 Wonder has an established link to the history and philosophy of science However there is little acknowledgement of the relationship between the visual arts and wonder This book presents a new perspective on this overlooked connection allowing a unique insight into the role of wonder in contemporary visual practice Artists curators and art theorists give accounts of their approach to wonder through the use of materials objects and ways of exhibiting These accounts not only raise issues of a particular relevance to the way in which we encounter our reality today but ask to what extent artists utilize the function of wonder purposely in their work

Kierkegaard's Influence on Social-political Thought Jon Bartley Stewart,2011 Kierkegaard has been traditionally characterized as a Christian writer who placed supreme importance on the inward religious life of each individual believer His radical view seemed to many to undermine any meaningful conception of the community society or the state In recent years however scholars have begun to correct this image of Kierkegaard as an apolitical thinker The present volume attempts

to document the use of Kierkegaard by later thinkers in the context of social political thought It shows how his ideas have been employed by very different kinds of writers and activists with very different political goals and agendas Many of the articles show that although Kierkegaard has been criticized for his reactionary views on some social and political questions he has been appropriated as a source of insight and inspiration by a number of later thinkers with very progressive indeed visionary political views *United States Cumulative Book Auction Records* ,1950 *The Clique* ,1978 Catalogue Sotheby & Co. (London, England),1962 The Canadian Journal of Irish Studies ,1991 Psychoanalysis, Psychology, and Literature, a Bibliography. 2nd Ed. 2 Vol Set Norman Kiell,1982 Almost 20 000 entries of worldwide literature related to psychology and psychiatry as these disciplines are dealt with in literary publications Most of the contents of the first edition are included in the second Divided into sections of such forms as drama poetry folklore and myths Each numbered entry includes bibliographical information Author title and subject indexes **Catalogues of Sales** Sotheby Parke Bernet & Co,1978 **General Catalogue of Printed Books** British Museum.
