Remembrances Of Rivers Past:

Remembrances of Rivers Past Ernest Schwiebert, 1984 Schwiebert loves his rivers like all diehard fishermen He knows the currents of their music their language and their practical joke humor **Casting into Mystery** Robert Reid, 2020-01-10 Every time I leave the world of work family and community to wade into a river with fly rod in hand I enter a sacred space that sometimes finds expression in the written word In *Casting into Mystery* writer Robert Reid and wood engraver Wesley W Bates avid anglers both put ink to paper in homage to the venerable sport of fly fishing Through text and image they recall with fondness the company of rivers each is grateful to know providing a glimpse inside a sporting culture teeming with literature art and music Part memoir part objet d art and part field guide *Casting into Mystery* will delight passionate fly fishing practitioners and armchair anglers alike **Ramblings of a Charmed Circle Flyfisher** Ed Ostapczuk, 2012-05-21 *Ramblings of a Charmed Circle Flyfisher* retraces over forty years of fly fishing the Catskill mountains first inspired by a two part magazine article published in the spring of 1969 Cecil E Heacox's articles entitled *Charmed Circle of the Catskills* appeared in the March and April issues of *Outdoor Life* Heacox wrote about several legendary Catskill Mountain trout streams informing the reader why they were charmed Ostapczuk has been retracing Heacox's journey ever since taking his readers along on the journey *Fly-Fishing Secrets of the Ancients* Paul Schullery, 2013-02-15 Modern fly fishing is only the latest chapter in a two millennia saga of technological creativity and passionate observation of the natural world In *Fly Fishing Secrets of the Ancients* historian naturalist Paul Schullery explores the earlier chapters in that saga and unearths a host of provocative theories techniques and insights that helped shape the modern fly fisher Schullery demonstrates that whether we're looking for a good fish story a clearer understanding of why we fish the way we do or even a way to improve our own sport we ignore our elders at our peril *Fly Fishing Secrets of the Ancients* offers the beginning fly fisher an unprecedented opportunity to come to terms with some of the sport's most fundamental theoretical and practical challenges It offers the expert fly fisher a chance to test current angling dogma and his or her own pet theories against that of the sport's greatest past masters And it offers all readers a fresh probing and often humorous take on the great endless fish story we perpetuate and enrich every time we cast a fly **Better in the Poconos** Lawrence Squeri, 2010-08-02 When Antoine Dutot opened the Kittatinny Hotel later specialized ethnic resorts catered to the minority populations of Philadelphia and New York and in the 1940s and 1950s the Poconos earned its reputation as a honeymoon paradise This evolution continues today the land of romance has given way to the ski resorts and water slides enjoyed by today's vacationing families Poconos resort owners and innkeepers have long recognized the cutthroat competition inherent in the vacation business Early on they realized that they were vying not only with each other but also with other resorts first in the Catskills and on the New Jersey shore and then in Florida in the Caribbean and even in Europe *Better in the Poconos* illustrates the strategies by which resorts in northeastern Pennsylvania responded to these market forces They were compelled to provide superior service and

amenities as well as novel amusements and activities for their guests In the latter half of the twentieth century for example super resorts started to supplant the old hotels the new resorts could offer year round activities thanks to the invention of artificial snow Similarly honeymoon hotels declined as couples resorts retreats that boasted such innovations as the heart shaped bathtub and the Jacuzzi in the shape of a tall champagne glass emerged on the Poconos scene Better in the Poconos recreates that scene and the people who brought it to life not only the innkeepers souvenir sellers laborers and service workers but also the community leaders and visionaries who promoted the vacation economy and sought to guide it The proper Victorians the devoted sportsmen the young newlyweds the families and singles the staid ladies of the Women s Christian Temperance Union and the sinners whose vices they wished to temper the members of the Ku Klux Klan the rich Quakers the Jewish socialists and the immigrants all these and more make up the humanly rich mosaic of the Poconos
