Gould, 2010-01-01 Alexander Terrell s career placed him at the center of some of the most pivotal events in nineteenth and early twentieth century history ranging from the Civil War to Emperor Maximilian s reign over Mexico and an Armenian genocide under the Ottoman Empire Alexander Watkins Terrell at last provides the first complete biographical portrait of this complex figure Born in Virginia in 1827 Terrell moved to Texas in 1852 rising to the rank of Confederate brigadier general when the Civil War erupted Afterwards he briefly served in Maximilian s army before returning to Texas where he was elected to four terms in the state Senate and three terms in the House President Grover Cleveland appointed him minister to the Ottoman Empire dispatching him to Turkey and the Middle East for four years while the issues surrounding the existence of Christians in a Muslim empire stoked violent confrontations there His other accomplishments included writing legislation

that created the Texas Railroad Commission and what became the Permanent University Fund the cornerstone of the University of Texas's multibillion dollar endowment In this balanced exploration of Terrell's life Gould also examines Terrell's views on race the impact of the charges of cowardice in the Civil War that dogged him and his spiritual searching beyond the established religions of his time In his rich and varied life Alexander Watkins Terrell experienced aspects of nineteenth century Texas and American history whose effects have continued down to the present day

John B. Denton Mike Cochran, 2021-11-15 Denton County and the City of Denton are named for pioneer preacher lawyer and Indian fighter John B Denton but little has been known about him In this extensive in depth look into the life and death of Denton Mike Cochran has made use of new materials not available to previous biographers to help bring the story to life John B Denton was an orphan in frontier Arkansas who became a circuit riding Methodist preacher and an important member of a movement of early settlers bringing civilization to North Texas He was a participant in the first missionary effort to bring Methodism to Texas answering a call from William B Travis to bring Methodists to the new republic Denton then became a ranger on the frontier ultimately being killed in the Tarrant Expedition a Texas Ranger raid on a series of villages inhabited by various Caddoan and other tribes near Village Creek on May 24 1841 He was leading a small raiding party that had separated from the larger group led by General Edward Tarrant when he was shot by native defenders Denton's true story has been lost or obscured by the persistent mythologizing by publicists for Texas especially by pulp western writer Alfred W Arrington and by the self aggrandizing stories told by members of the Tarrant raiding party His death came at a time when entrepreneurs were trying to attract Anglo settlers to the Republic of Texas and were especially apt to glorify the early settlers Denton was further made a martyr of the church by Methodist historians Cochran separates the truth from the myth in this meticulous biography which also contains a detailed discussion of the controversy surrounding the burial of John B Denton and offers some alternative scenarios for what happened to his body after his death on the frontier This is the definitive fact based biography of John B Denton
