Remote Viewing The Science And Theory Of Nonphysical Perception:

Remote Viewing Courtney Brown, 2005-03 Remote viewing is the mental ability to perceive and describe places persons or events at distant locations in the past present and future This book describes the science and theory of the remote viewing phenomenon The reality of the remote viewing phenomenon is not in dispute among a large body of respected researchers both inside and outside of academia who have published an extensive collection of high quality investigations over the past few decades But profound mysteries remain This volume breaks new ground by resolving some of remote viewing s greatest enigmas In these pages new research and new theories explain why remote viewing works and why it is scientifically possible These investigations utilize remote viewing methods that are derivative of those used for decades in well documented U S government funded psi research sponsored by the Central Intelligence Agency C I A and the Defense Intelligence Agency D I A Filled with descriptions and analyses of highly original experiments here is an investigation into the fascinating characteristics of time and physical reality using remote viewing as a tool of exploration offering evidence that the past present and future truly exist simultaneously The idea of differing future and past time lines is not just science fiction

Most Secret Weapons of Nations Remote Viewed Kiwi Joe, 2023-10-01 Not even during the Cuban Missile Crises of October 1962 has the threat of a civilization ending thermonuclear war loomed as large as it does at present The author a seasoned remote viewer presents evidence the major powers have quietly shifted towards alternative strategies to win the game of global dominance This is the revised second edition of the fourth installment in Kiwi Joe s Remote Viewed series in which he unveils some of these hidden weapons with startling clarity Over six years from 2012 to 2018 Kiwi Joe uncovered an array of fascinating and alarming weapon systems in development These include Earthquake machines Directed weather bombs Space based directed energy and kinetic energy platforms Nanotechnology that s globally distributed A look at the development of top secret weapons for ten major economies reveals nine of the weapons remain under wraps with at least two hidden in plain sight One inescapable conclusion to be drawn the remote viewing data is that our entire planet has been transformed into a global battlefield where conventional wars and visible armies are no longer the main instruments of conflict Another shocking conclusion the author reaches is that much of this technology targets not only military but also environmental and civilian structures including the wider population The book is richly illustrated with original sketches from Kiwi Joe s remote viewing sessions offering a unique visual perspective into the secretive world of modern warfare Kiwi Joe applies his expertise in remote viewing a skill with origins in psychic espionage and the pioneering research conducted by the Defense Intelligence Agency DIA and the Stanford Research Institute SRI in the 1970s The information revealed in this book demonstrates how innate ESP abilities present at some level in the majority of us can open our eyes to the occulted reality of the world we live in and that is shaping our era Brace yourself for a revelation a glimpse into some of what was concealed and is now exposed by remote viewing
