Tahiti Beyond the Postcard Miriam Kahn,2011-07-01

Winner of the 2013 ICAS Book Prize Social Sciences The Tahiti that most people imagine white sand beaches turquoise lagoons and beautiful women is a product of 18th century European romanticism and persists today as the bedrock of Tahiti's tourism industry This postcard image however masks a different reality The dreams and desires that the tourism industry promotes distract from the medical nightmares and environmental destruction caused by France's 30 year nuclear testing program in French Polynesia Tahitians see the burying of a bomb in their land as deeply offensive For Tahitians the land abounds with ancestral fertility and genealogical identity and is a source of physical and spiritual nourishment These imagined and lived perspectives seem incompatible yet are intricately intertwined in the political economy Tahiti Beyond the Postcard engages with questions about the subtle but ubiquitous ways in which power entangles itself in place related ways Miriam Kahn uses interpretive frameworks of both Tahitian and European scholars drawing upon ethnographic details that include ancient chants picture postcards antinuclear protests popular song lyrics and the legacy of Paul Gauguin's art to provide fresh perspectives on colonialism tourism imagery and the anthropology of place Mercury,1977 **Israeli and Palestinian Postcards** Tim Jon Semmerling,2021 No detailed description available for Israeli and Palestinian Postcards

Bruno Schulz and Galician Jewish Modernity Karen Underhill,2024-06-25 In the 1930s through the prose of Bruno Schulz

1892 1942 the Polish language became the linguistic raw material for a profound exploration of the modern Jewish

experience Rather than turning away from the language like many of his Galician Jewish colleagues who would choose to write in Yiddish Schulz used the Polish language to explore his own and his generation s relationship to East European Jewish exegetical tradition and to deepen his reflection on golus or exile as a condition not only of the individual and of the Jewish community but of language itself and of matter Drawing on new archival discoveries this study explores Schulz s diasporic Jewish modernism as an example of the creative and also transient poetic forms that emerged on formerly Habsburg territory at the historical juncture between empire and nation state

Indian Architecture in Postcards

Éléonore Muhidine,2023-07-06 Focusing on a private collection of 60 postcards of modern architecture in Mumbai New Delhi Kolkata Chennai and Agra the contributors to this volume explore the many dimensions of modern architecture in India from the 1890s to the 1970s and share their own perspective on these objects Experts on architectural history and visual studies as well as postcard collectors provide new insights into a territory and its architectural heritage which is still largely unknown in Europe and reflect on the postcard as a medium for historical research

Taming the Land: the Lost Postcard

Photographs of the Texas High Plains John Miller Morris,2009 A postcard craze gripped the nation from 1905 to 1920 as the rise of outdoor photography coincided with a wave of settlement and prosperity in Texas Hundreds of people took up cameras and photographers of note chose some of their best work for duplication as photo postcards sold for a nickel and mailed for a penny to distant friends and relatives These postcards which now enjoy another kind of craze in the collecting world left what author John Miller Morris calls a significant visual legacy of the history and social geography of Texas For more than a decade Morris has been finding and studying the photographers and methodically gathering their postcards In Taming the Land he shares those finds with readers introducing each photographer and providing interpretive descriptions of the places people or events depicted in the photographs The stories the cards tell in the images captured and the messages carried add an exceptional dimension to our understanding of life in rural Texas a century ago Taming the Land presents postcards from twenty four counties in the booming Texas Panhandle This is the first book in a set called Plains of Light which will collect and document turn of the twentieth century photo postcards from all over West Texas

Oak Park in Vintage Postcards Douglas Deuchler,2003 Although it was first settled in the 1830s Oak Park did not become an independent municipality until it split from Cicero Township in 1902 No longer a rustic small town the village soon became a population magnet attracting ever larger numbers of prosperous progressive people to settle in what many soon referred to as the finest of the streetcar suburbs Coincidentally use of the penny picture postcard had approached a national mania during this era Thus from the earliest years of the 20th century the rapid growth and development of Oak Park was well documented even celebrated with a vast and varied array of outstanding postcard images

Postcards from the Baja California Border Daniel D. Arreola,2021-10-05 Postcards have a magical pull They allow us to see the past through charming relics that allow us to travel back in time Daniel D Arreola s Postcards from the Baja California Border offers a window into

the historical and geographical past of storied Mexican border communities Once popular tourist destinations from the 1900s through the 1950s the border communities explored in *Postcards from the Baja California Border* used to be filled with revelers cabarets curio shops and more The postcards in this book show the bright and dynamic past of California's borderlands while diving deep into the historic and geographic significance of the imagery found on the postcards This form of place study calls attention to how we can see a past through a serial view of places by the nature of repetition and the photographing of the same place over and over again Arreola draws our focus to townscapes or built landscapes of four border towns Tijuana Mexicali Tecate and Algodones during the first half of the twentieth century With an emphasis on the tourist's view of these places this book creates a vivid picture of what life was like for tourists and residents of these towns in the early and mid twentieth century *Postcards from the Baja California Border* is a rich and fascinating experience one that takes you on a time travel journey through border town histories and geographies while celebrating the visual intrigue of postcards

Life in Treaty Port China and Japan Donna Brunero, Stephanie Villalta Puig, 2018-03-30 This edited volume moves beyond the traditional examination of the treaty ports of China and Japan as places of cultural interaction It moves beyond the Bund presenting instead the history of material culture the everyday life of the residents of the treaty ports beyond the symbology of Shanghai's waterfront Bringing for the first time together scholars of China and Japan museum curators legal economic and architectural historians it studies the treaty ports not only as sites of cultural exchange but also as sites of social contestation accommodation and mobility covering topics as varied as day to day life itself such as family property and law health and welfare travel visual culture and memory The call of this volume is to peel the multiple layers of the encounter between East and West in the treaty ports of China and Japan
