Shakespeare's Plants and Gardens: A Dictionary Vivian Thomas, Nicki Faircloth, 2014-02-27 Shakespeare lived when knowledge of plants and their uses was a given but also at a time of unique interest in plants and gardens His lifetime saw the beginning of scientific interest in plants the first large scale plant introductions from outside the country since Roman times and the beginning of gardening as a leisure activity Shakespeare s works show that he engaged with this new world to illuminate so many facets of his plays and poems This dictionary offers a complete companion to Shakespeare s references to landscape plants and gardens including both formal and rural settings It covers plants and flowers gardening terms and the activities that Shakespeare included within both cultivated and uncultivated landscapes as well as encompassing garden imagery in relation to politics the state and personal lives Each alphabetical entry offers a definition and overview of the term discussed in its historical context followed by a guided tour of its use in Shakespeare s works and finally an extensive bibliography including primary and secondary sources books and articles

Staging History, 2021-02-08 Staging History unites essays by nine specialists in the field of late medieval and early Renaissance drama Their focus is on English Dutch and Humanist German drama as well as on a modern Swiss adaptation of Shakespeare s Henry V Featuring prominently in this book are plays by among others John Bale Jacob Schoepper Johannes Agricola and Jacob Duym Special attention is also paid to the Croxton Play of the Sacrament and the Dutch *abele spelen* So far this topic has not received wide attention within

the world of medieval and early Renaissance studies This exploration aims at arousing more interest in this field by scholars working on European drama from the late Middle Ages and the early Renaissance *Shakespeare on screen : The Henriad* Nathalie Vienne-Guerrin (éd.), Sarah Hatchuel (éd.), Filming plays from a tetralogy of history plays implies specific problems and strategies The papers in this volume show that the plays are parts of a series and can hardly be staged or filmed without referring to one another What does the big screen bring to the representation of history battles and national issues When do ideological interpretations stop being triggered by the text itself By deciphering the different ways in which meaning is created and ideology is conveyed whether it be through specific aesthetics performances intertextuality or cultural codes the papers in this volume all take part in the on going exploration of what Shakespeare s contrasting afterlives keep saying not only about the dramatic texts but also about ourselves **The Visual Spectacle of Witchcraft in Jacobean Plays**

Shokhan Rasool Ahmed, 2014-10-13 The Visual Spectacle of Witchcraft in Jacobean Plays Blackfriars Theatre is an ideal reference for early modern scholars and lecturers who seek a thorough and practical guide to stage directions in print and performance and paying particular attention to the early texts as evidence of performance practice Stage directions here are re thought in the light of early theatre practice and the issues of stage directions as evidence of performance practice and later interpolations in association with witchcraft of several Jacobean plays can be found in this book This book includes a general introduction to Blackfriars witchcraft plays and the Jacobean theatre a chronology suggestions for further reading and discussing performance options on both indoor and outdoor playhouses and a commentary The illuminating and informative general introduction and the short introductions to individual plays have been revised in the light of current scholarship *William Shakespeare: Richard II* Michael Hattaway, Professor Hattaway s study places Richard II within the contexts of Shakespeare s life and of the strenuous political debates that were taking place at the end of the reign of Elizabeth I It offers a commentary upon the unfolding action of the play stressing possible alternative readings of the text and noting how directors have made particular decisions about these It ends with two shorter linked chapters on aspects of the play s critical traditions and on selected stage productions **Shakespeare on screen : Television Shakespeare** Nathalie

Vienne-Guerrin, Sarah Hatchuel, Television Shakespeare l expression a t elle encore un sens une poque o Shakespeare la t l vision ne se r duit plus la s rie BBC mais est devenu notamment au fil des innovations technologiques un concept de plus en plus hybride porteur d une infinie vari t Ce volume offre au lecteur un examen pr cis d adaptations t l visuelles des pi ces shakespeariennes tout en questionnant les limites poreuses que le 21e si cle fait appara tre entre la t l vision et les autres m dias Shakespeare semblant pouvoir ou devoir se pr ter toutes les m tamorphoses *Memory and the English Reformation* Alexandra Walsham, Bronwyn Wallace, Ceri Law, Brian Cummings, 2020-11-12 Recasts the Reformation as a battleground over memory in which new identities were formed through acts of commemoration invention and repression **Shakespeare's Political and Economic Language** Vivian Thomas, 2015-03-26 Shakespeare s plays are pervaded by political and economic

words and concepts not only in the histories and tragedies but also in the comedies and romances The lexicon of political and economic language in Shakespeare does not consist merely of arcane terms whose shifting meanings require exposition but includes an enormous number of relatively simple words which possess a structural significance in the configuration of meanings Often operating by such means as puns they open up a surprising number of possibilities The dictionary reveals the conceptual nucleus of each term and explores the contexts in which it is embedded The overlap between the political and economic dimensions of a word in Shakespeare's drama is particularly exciting as he is highly attuned to the interactions of these two spheres of human activity and their centrality in human affairs *Shakespeare on screen, Richard III* Nathalie Vienne-Guerrin, This volume does not only provide the reader with diverging assessments of the Richard III films but it also deploys a large array of methodologies used to study Shakespeare on film What gives the volume its coherence is that it thoroughly interrogates what those films do with and to Shakespeare's text and suggests that at least for Shakespearean scholars Shakespearean films are hybrid creatures They are and are not films they are and are not Shakespeare Ce volume offre non seulement au lecteur un examen précis et pluriel des adaptations filmiques de Richard III mais il déploie tout l'arsenal des méthodologies qui permettent d'étudier Shakespeare à l'écran La cohérence de ce volume vient de ce qu'il propose des questionnements multiples sur ce que ces films font de Shakespeare et suggère que le film shakespearien est une création hybride qui est et n'est pas un film qui est et n'est pas Shakespeare Ouvrage en anglais *Annual Bibliography of English Language and Literature* Modern Humanities Research Association, 2007 Includes both books and articles **Cahiers Élisabéthains**, 1972
