Rendel Connection:

The Rendel Connection Michael R. Lane, 1989 This Is The Story Of The Civil Engineering Consultancy Firm Rendel Palmer And Tritton Over Its First 150 Years It Also Incorporates The First Biography Of Its Founder James Meadows Rendel Condition Good *The Daily Discoveries of a Bible Scholar and Manuscript Hunter: A Biography of James Rendel Harris (1852-1941)* Alessandro Falcetta, 2018-05-31 This is the first full biography of James Rendel Harris 1852 1941 Bible and patristic scholar manuscript collector Quaker theologian devotional writer traveller folklorist and relief worker Drawing on published and unpublished sources gathered in the United States Europe and the Middle East many of which were previously unknown Alessandro Falcetta tells the story of Harris s life and works set against the background of the cultural and political life of contemporary Britain Falcetta traces the development of Harris s career from Cambridge to Birmingham the story of his seven journeys to the Middle East and of his many campaigns from religious freedom to conscientious objection The book focuses upon Harris s innovative contributions in the field of textual and literary criticism his acquisitions of hundreds of manuscripts from the Middle East his discoveries of early Christian works in particular the Odes of Solomon his Quaker beliefs and his studies in the cult of twins His enormous output and extensive correspondence reveal an indefatigable genius in close contact with the most famous scholars of his time from Hort to Harnack Nestle the Sisters of Sinai and Frazer

Armstrongs of Elswick Kenneth Warren, 1989-12-11 Armstrong the engineers armament makers and naval shipbuilders was set up in 1847 by William Armstrong at Elswick Newcastle Upon Tyne This book analyzes Armstrong s 80 years rise decline and reorganization treating it in some ways as a case study of British industrial malaise William Armstrong Henrietta Heald, 2011-03-01 William Armstrong was a brilliant and charismatic figure of the 19th Century a self made man whose achievements are now being more widely recognised Inventor scientist engineer and an early advocator of renewable energy he built a pioneering house in Northumberland in the North East of England called Cragside the first house in the world to be lit by hydroelectricity Armstrong s industrial powerhouse Elswick Works on the Tyne employed over 25 000 people in its heyday manufacturing hydraulic cranes warships and armaments He was a visionary who was loved and hated and feared in equal measure While he brought great fame and fortune to his native Newcastle upon Tyne and to his country as a whole he was condemned in some quarters as a merchant of death for his manufacturing of weapons of war This intimate authoritative portrait reveals as never before the extraordinary achievements of a multi faceted Victorian giant David Kynaston An excellent book hugely enjoyable Alexander Armstrong Engineer of Revolutionary Russia Anthony Heywood, 2016-05-13 This book is the first substantial study in any language of one of revolutionary Russia s most distinguished and controversial engineers Iurii Vladimirovich Lomonosov 1876 1952 Not only does it provide an outline of his remarkable life and career it also explores the relationship between science technology and transport that developed in late tsarist and early Soviet Russia Lomonosov s importance extends well beyond his scientific and engineering achievements

thanks to the rich variety and public prominence of his professional and political activities His generation Lenin s generation was inevitably at the forefront of Russian life from the 1910s to the 1930s and Lomonosov took his place there as one of the country s best known and ultimately notorious engineers As well as an innovative engineer who campaigned to enhance the role of science he played a major role in shaping and administering the Russian railways and undertook several diplomatic and scientific missions to the West during the early years of the Revolution Falling from political favour during an assignment in Germany 1923 1927 he achieved notoriety in Russia as a non returner by apparently declining to return home Thereby escaping probable arrest and execution he began a new life abroad 1927 1952 which included a research post at the California Institute of Technology in 1929 1930 collaborative projects with the famous physicist P L Kapitsa in Cambridge a long time association with the Institution of Mechanical Engineers in London and work for the British War Office during the Second World War From Marxist revolutionary to American academic this study reveals Lomonosov s extraordinary life Drawing on a wide variety of official Russian sources as well as Lomonosov s own diaries and memoirs a vivid portrait of his life is presented offering a better understanding of how science technology and politics interacted in early twentieth century Russia

Metcalf, 2007 *Imperial Connections* challenges the Eurocentrism implicit in many accounts of modern European empires Focusing on the British empire when it was at its zenith Metcalf analyzes the pivotal role the Raj played in the running of the empire in regions as far flung from one another as say Egypt Uganda Natal and the Malay peninsula This innovative book is a real tour de force from a respected and versatile historian of India Dipesh Chakrabarty author of *Provincializing Europe* *Postcolonial Thought and Historical Difference* As he has done regularly throughout his career Thomas Metcalf has once again refreshed the study of British imperial history with a bold new perspective *Imperial Connections* puts South Asians soldiers policemen and labourers right at the heart of his study C A Bayly Cambridge University author of *The Birth of the Modern World* This is a distinctly original study which re centers colonial power in provocative ways Metcalf asks a simple question why were Indians so persistently to be found elsewhere in the British empire and in such significant numbers Then elegantly offers answers that force us to re think the operations of imperial power in critical ways Wide ranging elegantly written and meticulously researched Metcalf s is an important and a persuasive study Philippa Levine author of *Prostitution Race and Politics Policing Venereal Disease in the British Empire* and forthcoming *The British Empire Sunrise to Sunset*

The Political Life of Josiah C. Wedgwood Paul Mulvey, 2010 New study of the Radical politician Josiah Wedgwood setting him in context and illuminating many of the political issues of the time In his day Josh Wedgwood was one of Britain's best known and most outspoken Radical politicians He served in three wars and in a Parliamentary career lasting from 1906 to 1943 first with the Liberals and then with Labour he fought to uphold personal liberty and to limit the power of the state Instead of the collectivism of socialists or social imperialists Wedgwood advocated a Radical vision of Victorian Individualism as the solution to the problems of social inequality at home and growing threats abroad that Britain faced in the first half of the twentieth century His support of individual freedom a redistribution of landowner's wealth and a voluntary and democratic British Empire received only limited support in his own lifetime but he fought for them with vigour and passion throughout his career This study of his life throws new light upon some of the defining ideological and policy issues of the most turbulent period of modern British history PAUL MULVEY teaches at the London School of Economics

Women in Higher Education, 1850-1970 E. Lisa Panayotidis, Paul Stortz, 2017-09-19 This edited collection illustrates the way in which women's experiences of academe could be both contextually diverse but historically and culturally similar It looks at both the micro individual women and universities and macro level comparative analyses among regions and countries within regional national trans national and international contexts The contributors integrally advance knowledge about the university in history by exploring the intersections of the lived experiences of women students and professors practices of co education and intellectual and academic cultures They also raise important questions about the complementary and multidirectional flow and exchange of academic knowledge and information among gender groups across programmes disciplines and universities Historical inquiry and interpretation serve as efficacious ways with which to understand contemporary events and discourses in higher education and more broadly in community and society This book will provide important historical contexts for current debates about the numerical dominance and significance of women in higher education and the tensions embedded in the gendering of specific academic programs and disciplines and university policies missions and mandates
