

Russia Long Shot

George Ginsburgs

Russia Long Shot:

Modern Russian Cinema as a Battleground in Russia's Information War Alexander Rojavin, Helen Haft, 2024-07-31
This book explores how modern Russian cinema is part of the international information war that has unfolded across a variety of battlefields including social media online news and television It outlines how Russian cinema has been instrumentalized both by the Kremlin's allies and its detractors to convey salient political and cultural messages often in subtle ways thereby becoming a tool for both critiquing and serving domestic and foreign policy objectives shaping national identity and determining cultural memory It explains how regulations legislation and funding mechanisms have rendered contemporary cinema both an essential weapon for the Kremlin and a means for more independent figures to publicly frame official government policy In addition the book employs formal cinematic analysis to highlight the dominant themes and narratives in modern Russian films of a variety of genres situating them in Russia's broader rhetorical ecosystem and explaining how they serve the objectives of the Kremlin or its opponents Insiders and Outsiders in Russian Cinema Stephen M. Norris, Zara M. Torlone, 2008-05-14 Examines in a remarkably rich and varied way the construction of otherness and foreignness within this complexly national cinema tradition John MacKay Yale University Identifying who was inside and who was outside the Soviet Russian body politic has been a matter of intense and violent urgency especially in the high Stalinist and post Soviet periods It is a theme encountered prominently in film Employing a range of interpretive methods practiced in Russian Soviet film studies *Insiders and Outsiders in Russian Cinema* highlights the varied ways that Russian and Soviet cinema constructed otherness and foreignness While the essays explore the us versus them binary well known to students of Russian culture and the ways in which Russian films depicted these distinctions the book demonstrates just how impossible maintaining this binary proved to be Contributors are Anthony Anemone Julian Graffy Peter Kenez Joan Neuberger Stephen M Norris Oleg Sulkin Yuri Tsivian Emma Widdis and Josephine Woll An anthology that is the best I have ever had the pleasure of reading Lucidly written well researched persuasively argued lavishly illustrated *Insiders and Outsiders in Russian Cinema* can be read with pleasure and profit by anyone from the general reader interested in Russian culture to the most seasoned Russian film specialist Denise J Youngblood University of Vermont Russian Review In a word the theoretical richness and sophistication of this collection parallel the complexity of its topics and serve as an excellent cross section of how the theme of foreigners and outsiders is examined in contemporary studies in film Slavonic East European Journal Mission to Moscow David Holbrook Culbert, 1980 Screenplay *Herstories on Screen* Kathleen Cummins, 2020-05-19 From the late 1970s into the early 1990s a generation of female filmmakers took aim at their home countries popular myths of the frontier Deeply influenced by second wave feminism and supported by hard won access to governmental and institutional funding and training their trailblazing films challenged traditionally male genres like the Western Instead of reinforcing the myths of nationhood often portrayed in such films invariably featuring a lone white male

hero pitted against the savage and uncivilized native terrain these filmmakers constructed counternarratives centering on women and marginalized communities In place of rugged cowboys violently removing indigenous peoples to make the frontier safe for their virtuous wives and daughters these filmmakers told the stories of colonial and postcolonial societies from a female and or subaltern point of view Herstories on Screen is a transnational study of feature narrative films from Australia Canada the United States and New Zealand Aotearoa that deconstruct settler colonial myths Kathleen Cummins offers in depth readings of ten works by a diverse range of women filmmakers including Jane Campion Julie Dash Merata Mita Tracey Moffatt and Anne Wheeler She reveals how they skillfully deploy genre tropes and popular storytelling conventions in order to critique master narratives of feminine domesticity and purity and depict women and subaltern people performing acts of agency and resistance Cummins details the ways in which second wave feminist theory and aesthetics informed these filmmakers efforts to debunk idealized Anglo Saxon femininity and motherhood and lay bare gendered and sexual violence and colonial oppression

From Soviet to Russian International Law George Ginsburgs, 2023-09-20 Russia s international law persona is still in its infancy and it will take a while for the cycle to run its full course However significant changes have already occurred in some areas thus offering an opportunity to analyze the trends here and track the process of emergence of successor doctrines and practices destined to replace the Soviet heritage The quartet of topics selected for treatment in this volume the relationship between international and domestic law citizenship and state succession the Sino Russian boundary problem and cooperation with China in policing crime illustrates major shifts in Russia s international law policy in a bid to shed the corset of Communist ideology and the old regime s modus operandi and join the international community s mainstream culture The test cases also attest to the difficulties encountered in the process of transition and show that progress on this front has by no means been uniform The sample includes both instances where the break with the past looks quite pronounced and where greater distancing from precedent might logically have been expected but for reasons that are then explored a sense of substantive continuity instead prevails albeit made more palatable by an application of linguistic cosmetics From Soviet to Russian International Law Studies in Continuity and Change marks the occasion of the author s 65th birthday and the 40th anniversary of his publishing debut

Russian Foreign Policy Towards the Middle East Nikolay Kozhanov, 2022-04-28 This book sheds light on Russia s motives in the Middle East examining its growing role in the region and its efforts to defend its national interests As one of the first volumes to address both domestic and external drivers it provides a valuable multi dimensional account of Moscow s foreign policy Russian Foreign Policy Towards the Middle East also traces the historical evolution of Russia s presence in the region comparing Moscow s current vision of its diplomatic priorities with the strategic goals of the Soviet Union Diverse case studies reveal areas of both divergence and convergence between Russia and various Middle Eastern players on a range of issues including the Syrian Civil War Iran s regional activities and the Yemeni conflict In an era of renewed global tensions this volume

provides an important corrective to the notion that Russia's Cold War era confrontation with the West determines its contemporary approach to the Middle East. No less important are economic interests and domestic security considerations which push Moscow towards greater interaction with the region. Only by examining both new trends and old traditions can we understand Russia's significance as a global player today.

The Russian Kurosawa Olga V. Solovieva, 2023 Offers a new historical and thematic perspective on the work of the renowned Japanese director Akira Kurosawa through a detailed discussion of the four films he made based on Russian sources.

An American Diplomat in Bolshevik Russia DeWitt Clinton Poole, 2014 Almost one hundred years after World War I and the Russian Revolution U.S. diplomat DeWitt Clinton Poole's 1885-1952 perspective on his experiences negotiating with Bolshevik authorities and monitoring anti-Bolshevik movements throughout the Soviet Union is now fully accessible. Through Poole's perspective a key figure in U.S. Soviet relations this book sheds new light on the Russian Revolution and World War I.

Russians Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today. *Russians* explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much needed light on the purposely hidden functioning of its society before, during and after communism. Woven throughout is an intimate first person account of his family history from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. *Russians* is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

The Disastrous 1990s in Russia Konstantin Sidorov, 2022-03-03 The USSR achieved military parity with the West in the 1970s and important arms control accords were signed that gave them a measure of security. Thus the mid-1980s seemed a propitious time to take a

daring leap toward capitalism with help from Russia's new friends But Perestroika Glasnost and new legal codes designed with advice from Western experts led to an utter economic and social breakdown Shocking concrete examples of the corruption chaos and misery in the disastrous 1990s are related by the author a Russian close to the administration in Moscow If the intent was to turn Russia into a cowboy capitalistic hell and undermine Russians confidence in capitalism it succeeded But it did not succeed in stealing resources and destroying the West's long term rival No wonder the public was ready for a strong smart energetic leader to set a new direction and so we have Putin

NATO-Russia Relations in the Twenty-First Century Aurel Braun, 2008-03-26 This book examines the current state of relations between NATO and Russia discussing a number of key areas including the impact of NATO's eastward expansion the NATO Russia Council and Russia's reassertion of itself in its near abroad and assesses the prospects for future development

The Border - A Journey Around Russia Erika Fatland, 2020-10-15 A journey along the seemingly endless Russian border from North Korea in the Far East through Russia's bordering states in Asia and the Caucasus crossing the Caspian Ocean and the Black Sea along the way Erika Fatland is shaping up to be one of the Nordics most exciting new travel writers National Geographic SHORTLISTED FOR THE STANFORDS DOLMAN TRAVEL BOOK OF THE YEAR 2020 A hauntingly lyrical meditation to the contingencies of history Wall Street Journal An impressive mix of history reportage and travel memoir Washington Post The Border is a book about Russia and Russian history without its author ever entering Russia itself a book about being the neighbour of that mighty expanding empire throughout history It is a chronicle of the colourful exciting tragic and often unbelievable histories of these bordering nations their cultures their people their landscapes Through her last three documentary books one about terrorism in Beslan one about the 2011 terror attacks in Norway and one about post Soviet Central Asia social anthropologist Erika Fatland has established herself as a sharp observer and an outstanding interviewer at the forefront of Nordic non fiction Translated from the Norwegian by Kari Dickson

Embargo on Soviet Products United States. Congress. House. Committee on Ways and Means, 1931

Early Cinema in Russia and its Cultural Reception Yuri Tsivian, 2013-12-13 This book examines the development of cinematic form and culture in Russia from its late nineteenth century beginnings as a fairground attraction to the early post Revolutionary years The author traces the changing perceptions of cinema and its social transition from a modernist invention to a national art form He explores reactions to the earliest films from actors novelists poets writers and journalists His richly detailed study of the physical elements of cinematic performance includes the architecture and illumination of the cinema foyer the speed of projection and film acoustics In contrast to standard film histories this book focuses on reflected images rather than discussing films and film makers it features the historical film goer and early writings on film The book presents a vivid and changing picture of cinema culture in Russia in the twilight of the tsarist era and the first decades of the twentieth century The study expands the whole context of reception studies and opens up questions about reception relevant to other national cinemas

Russia's Far North Veli-Pekka Tynkkynen,Shinichiro Tabata,Daria Gritsenko,Masanori Goto,2018-03-09 The Russian Far North is immensely rich in resources both energy and other resources and is also one of the least developed regions of Russia This book presents a comprehensive overview of the region It examines resource issues and the related environmental problems considers the Arctic and the problems of sea routes maritime boundaries and military build up assesses economic development and considers the ethnic peoples of the region and also cultural and artistic subjects Overall the book provides a rich appraisal of how the region is likely to develop in future

Russian-English Dictionary of Idioms, Revised Edition Sophia Lubensky,2013-01-01 This is the most innovative comprehensive and scholarly bilingual dictionary of Russian idioms available today It includes close to 14 000 idioms set expressions and sayings found in contemporary colloquial Russian and in literature from the nineteenth century to the present The Russian idioms are provided with many English equivalents to render idioms in various contexts Illustrative examples are cited to show how the idioms are used in context Each entry also contains a grammatical description of the

idiom a definition an innovative feature for a bilingual dictionary and stylistic and usage information A most notable part of the work is the alphanumeric index that makes finding the right expression very easy The Political Economy of Russian Oil David Lane,1999 One of the dominant export oriented industries in Russia oil is a major source of tax revenue and wealth The privatization of these vast assets has made the industry a site not only for conflict between power holders but also a strategic target for international corporations and Western governments In this thoughtful analysis a group of international specialists explores the political and economic issues and controversies surrounding the oil industry's move to capitalism The authors examine the spread of crime and corruption the role of Russian and Western financial institutions regional tensions and the international dimension As a paradigm for the Russian economy as a whole the case of oil industry provides invaluable insights for understanding the political and economic problems confronting Russia today **Projecting Russia in a Mediatized World** Stephen Hutchings,2022-01-31 This book presents a new perspective on how Russia projects itself to the world Distancing itself from familiar agency driven International Relations accounts that focus on what the Kremlin is up to and why it argues for the need to pay attention to deeper trans state processes over which the Kremlin exerts much less control Especially important in this context is mediatization defined as the process by which contemporary social and political practices adopt a media form and follow media driven logics In particular the book emphasizes the logic of the feedback loop or recursion showing how it drives multiple Russian performances of national belonging and nation projection in the digital era It applies this theory to recent issues events and scandals that have played out in international arenas ranging from television through theatre film and performance art to warfare The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *Vladimir Markov and Russian Primitivism* Jeremy Howard,Irena Bužinska,Z.S. Strother,2016-02-11 Hailed as a brilliant theoretician Voldemars Matvejs best known by his pen name Vladimir Markov was a Latvian artist who spearheaded the Union of Youth a dynamic group championing artistic change in Russia 1910-14 His work had a formative impact on Malevich Tatlin and the Constructivists before it was censored during the era of Soviet realism This volume introduces Markov as an innovative and pioneering art photographer and assembles for the first time five of his most important essays The translations of these hard to find texts are fresh unabridged and authentically poetic Critical essays by Jeremy Howard and Irena Buzinska situate his work in the larger phenomenon of Russian primitivism i.e. the search for the primal This book challenges hardening narratives of primitivism by reexamining the enthusiasm for world art in the early modern period from the perspective of Russia rather than Western Europe Markov composed what may be the first book on African art and Z.S. Strother analyzes both the text and its photographs for their unique interpretation of West African sculpture as a Kantian play of masses and weights The book will appeal to students of modernism orientalism primitivism historiography African art and the history of the photography of sculpture

Getting the books **Russia Long Shot** now is not type of challenging means. You could not forlorn going later than books deposit or library or borrowing from your associates to gain access to them. Russia Long Shot Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia Long Shot PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia Long Shot PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia Long Shot free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
