Russia Under Krushchev:

Russia Under Khrushchev Alexander Werth, 2017-06-28 Nikita Sergeyevich Khrushchev 1894 1971 was a politician who led the Soviet Union during part of the Cold War He served as First Secretary of the Communist Party of the Soviet Union from 1953 1964 and as Chairman of the Council of Ministers or Premier from 1958 1964 Khrushchev was responsible for the de Stalinization of the Soviet Union for backing the progress of the early Soviet space program and for several relatively liberal reforms in areas of domestic policy Khrushchev s party colleagues removed him from power in 1964 replacing him with Leonid Brezhnev as First Secretary and Alexei Kosygin as Premier Originally published in 1961 concerns what I call the Khrushchev phase rather than the Khrushchev epoch An epoch suggests something complete with clearly defined limits and contours and sharply marked characteristics A phase especially one still in progress is something much more fluid During these years dominated by Khrushchev the most changeable most empirical and sometimes most unpredictable of Soviet leaders Russia continues to be in a state of flux and transition Author s Note The book is a political and cultural analysis of Khrushchev s Russia and its relations with the West and particularly with the United States From inside the Iron Curtain a very human portrayal The Times London **Russia under Khrushchev** Abraham Brumberg, 2023-03-24 First Published in 1962 Russia under Khrushchev is a comprehensive collection of articles from Problems of Communism a journal published by U S Information Agency These provide a chronological and thematic commentary on internal developments in Soviet Union varying from the changes in official ideology to the latest development in Soviet agriculture They provide the broadest picture of the political economic and cultural trends of Khrushchev s Russia and represent a galaxy of writing talent including work by Carew Hunt Lowenthal Avon Dallin de Jouvenel Peter Wiles and others This is an interesting read for scholars of Russian history and Soviet history **Russia Under Khrushchev** Abraham Brumberg, 1962 Khrushchev in the Kremlin Jeremy Smith, Melanie Ilic, 2011-01-25 This book presents a new picture of the politics economics and process of government in the Soviet Union under the leadership of Nikita Khrushchev Based in large part on original research in recently declassified archive collections the book examines the full complexity of government and provides an overview of the internal development of the Soviet Union in this period locating it in the broader context of Soviet history **Women in the Khrushchev Era** M. Ilic, S. Reid, L. Attwood, 2004-02-27 This collection of essays examines women in the Khrushchev era using both newly accessible archival material and a re reading of published sources Exploring diverse subjects including housing space flight women workers cinema religion and consumption the volume places the analysis of specific events or issues within a broader discussion of economic political ideological and international developments to provide a full analysis of the era Post Stalinist Russia Under Khrushchev and Brezhnev A. P. van Goudoever, Zdenek R. Dittrich, 1997 Russia under Western Eyes Martin E Malia, 2009-06-30 A dazzling work of intellectual history by a world renowned scholar spanning the years from Peter the Great to the fall of the Soviet Union this

book gives us a clear and sweeping view of Russia not as an eternal barbarian menace but as an outermost if laggard member in the continuum of European nations **Power Restructuring In China And Russia** Mark Lupher,2018-02-12

The massive economic transformations and political upheavals that have been sweeping China and the Soviet Union in the final decades of the twentieth century are among the great dramas of our time Yet the origins of these revolutionary changes are murky and their outcomes unclear Have we witnessed the demise of an archaic authoritarian order and the rise of pluralism and democracy or are the tumultuous events of the post Mao era and the period of perestroika more usefully viewed in light of broader patterns of power and politics in Chinese and Russian history Considering these questions with a new interpretation of power relations and political processes in China and Russia Mark Lupher explores the imperial era the communist period and the current situation in both countries Rather than speaking of reform which too often is understood as liberalization along Western lines his discussion is focused on power restructuring the ebb and flow of state power the centralization and decentralization of political and economic power and the three way struggles between central rulers various elites and nonprivileged groups that drive these processes Lupher s power restructuring analysis is noteworthy in combining broad comparative historical analysis and conceptualization with a closely focused discussion and reinterpretation of the Chinese Cultural Revolution the core of his book By comparing and bringing new light to bear on a series of pivotal episodes in Chinese and Russian history he furthers our understanding and assessment of processes that will continue to unfold in China Russia and the former Soviet republics **Russia Under Khrushchev** Alexander 1901- Werth,2021-09-10

Khrushchev's Thaw and National Identity in Soviet Azerbaijan, 1954-1959 Jamil Hasanli,2014-12-18 On February 25 1956 Soviet leader Nikita S Khrushchev delivered the so called secret speech in the Twentieth Party Congress of the CPSU in which he denounced Stalin s transgressions and the cult of personality around the deceased dictator Replete with sharp criticism of the Terror of the late 1930s the unpreparedness of the USSR for the Nazi invasion numerous wartime blunders and the deportation of various nationalities the speech reverberated throughout the subordinate Soviet republics For republics such as Azerbaijan the speech was an unmistakable signal to readjust the entire political orientation and figure out ways to redefine governance in post Stalin era Previously frozen under the mortal threat of Stalinist persecution various

forms of national self expression began to experience rapid revival under the Khrushchev thaw Encouraged by the winds of change at the Center the Azeris cautiously began to reclaim possession of their administrative domain Among other local initiatives the declaration of the Azerbaijani language as the official language was one step that stood out in its audacity for it was not pre arranged with the Kremlin and defied the modus operandi of the Soviet leadership Somewhat reformist in his intentions yet ignorant of the non Slavic peripheries Mr Khrushchev had not foreseen the scenarios that would unfold as a result of its new tone and the developments that would come to be interpreted as the rise of nationalism in the republics Jamil Hasanli s research on 1950s Azerbaijan sheds light on this watershed period in Soviet history while also furnishing the reader with a greater understanding of the root causes of the dissolution of the USSR

The Course of Russian History, 5th Edition Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history
