the tenth century and continues into the present He offers compelling assessments of all the main masterpieces of Russian architecture and frames a radically new architectural history for Russia The book systematically analyzes Russian buildings in relation to developments in European art pointing out where familiar European features are expressed in Russian projects Special attention is directed toward decorations based on Byzantine models the heritage of Italian master builders and carvers the impact of architects and others sent by Elizabeth I the formation of the Russian Imperial Baroque the Enlightenment in Russian art and 19th and 20th century European influences With over 300 specially commissioned photographs of sites throughout Russia and western Europe this magnificent book is both beautiful and groundbreaking

Trial of the Major War Criminals Before the International Military Tribunal, Volume 08, Nuremburg 14 November 1945-1 October 1946 Various,2023-09-03 Excerpt In April 1949 judgment was rendered in the last of the series of 12 Nuernberg war crimes trials which had begun in October 1946 and were held pursuant to Allied Control Council Law No 10 Far from being of concern solely to lawyers these trials are of especial interest to soldiers historians students of international affairs and others The defendants in these proceedings charged with war crimes and other offenses against international penal law were prominent figures in Hitler s Germany and included such outstanding diplomats and politicians as the State Secretary of the Foreign Office von Weizsaecker and cabinet ministers von Krosigk and Lammers military leaders such as Field Marshals von Leeb List and von Kuechler SS leaders such as Ohlendorf Pohl and Hildebrandt industrialists such as Flick Alfried Krupp and the directors of I G Farben and leading professional men such as the famous physician Gerhard Rose and the jurist and Acting Minister of Justice Schlegelberger In view of the weight of the accusations and the far flung activities of the defendants and the extraordinary amount of official contemporaneous German documents introduced in evidence the records of these trials constitute a major source of historical material covering many events of the fateful years 1933 and even earlier to 1945 in Germany and elsewhere in Europe The Nuernberg trials under Law No 10 were carried out under the direct authority of the Allied Control Council as manifested in that law which authorized the establishment of the Tribunals The judicial machinery for the trials including the Military Tribunals and the Office Chief of Counsel for War Crimes was prescribed by Military Government Ordinance No 7 and was part of the occupation administration for the American zone the Office of Military Government OMGUS Law No 10 Ordinance No 7 and other basic jurisdictional or administrative documents are printed in full hereinafter The proceedings in these trials were conducted throughout in the German and English languages and were recorded in full by stenographic notes and by electrical sound recording of all oral proceedings The 12 cases required over 1 200 days of court proceedings and the transcript of these proceedings exceeds 330 000 pages exclusive of hundreds of document books briefs etc Publication of all of this material accordingly was quite unfeasible This series however contains the indictments judgments and other important portions of the record of the 12 cases and it is believed that these materials give a fair picture of the trials and as full and illuminating a picture as is possible within the

space available Copies of the entire record of the trials are available in the Library of Congress the National Archives and elsewhere In some cases due to time limitations errors of one sort or another have crept into the translations which were available to the Tribunal In other cases the same document appears in different trials or even at different parts of the same trial with variations in translation For the most part these inconsistencies have been allowed to remain and only such errors as might cause misunderstanding have been corrected      *The Iconographic Encyclopaedia of the Arts and Sciences: Architecture* ,1888

**Historical Dictionary of Medieval Russia** Lawrence N. Langer, 2021-09-15 The emergence of Russia or Rus as it was known from a group of scattered Slavic tribes into one of the most powerful states of medieval and modern European history is an extraordinary story It is a story filled with much struggle as there were historical periods when Russia almost ceased to exist as it underwent invasion and conquest Historical Dictionary of Medieval Russia Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about medieval Russia

**Framing Russian Art** Oleg Tarasov, 2012-01-01 The notion of the frame in art can refer not only to a material frame bordering an image but also to a conceptual frame Both meanings are essential to how the work is perceived In Framing Russian Art art historian Oleg Tarasov investigates the role of the frame in its literal function of demarcating a work of art and in its conceptual function affecting the understanding of what is seen The first part of the book is dedicated to the framework of the Russian icon Here Tarasov explores the historical and cultural meanings of the icon s setting and of the iconostasis Tarasov s study then moves through Russian and European art from ancient times to the twentieth century including abstract art and Suprematism Along the way Tarasov pays special attention to the Russian baroque period and the famous nineteenth century Russian battle painter Vasily Vereshchagin This enlightening account of the cultural phenomenon of the frame and its ever changing functions will appeal to students and scholars of Russian art history

Medieval Russian Fortresses AD 862-1480 Konstantin S Nossov, 2012-06-20 According to Russian legend in the year AD 862 the Slav tribes of what is now European Russia invited a number of Scandinavian princes to rule over them However on the death of these princes Prince Oleg seized Kiev and united the Northern and Southern Russian territories building extensive fortifications to protect its borders The rise of feudalism in the 11th century led to the development of individual fortified sites and the extended border defenses fell into disrepair Consequently Mongol hordes poured over the border introducing the siege warfare techniques of the East heavily influencing the fortification styles thereafter Using a wealth of archeological evidence and first hand sources Konstantin Nossov charts the history of the medieval Russian fortress from its early beginnings until the 14th century paying special attention to the development of one of the most iconic fortifications in the world the Kremlin

**Russian Fortresses 1480-1682** Konstantin Nossov, 2012-06-20 In 1462 the throne of the Principality of Moscow passed to Ivan III 1462-1505 who succeeded in throwing off the Tatar yoke For the next 200 years this new state struggled to maintain her borders against a series of attacks from the Lithuanians Swedes and Poles to the west as well as the Tatars to the south They achieved this through the development of a network of fortified sites and a series of linear defensive systems This book examines how these fortifications were developed to respond to ever changing situations under the command of such

charismatic rulers as Ivan the Terrible right through to the military reforms of Peter the Great

**The Nuremberg Trials (Volume 8)** International Military Tribunal, 2022-11-13 The Nuremberg Trials Volume 8 is a pivotal compendium that delves into the groundbreaking proceedings held in the aftermath of World War II where leading figures of Nazi Germany were held accountable for war crimes This volume meticulously chronicles the testimonies legal arguments and judgments rendered during the trials presenting a rich tapestry of evidence and moral consideration that galvanized international law and human rights The literary style is characterized by its thorough and formal documentation supported by an analytical lens that captures the profound moral complexities entailed in prosecuting crimes against humanity Arising from a historical context that necessitated justice and reparation this volume serves as both a scholarly resource and a powerful narrative of accountability The International Military Tribunal composed of judges and prosecutors from the Allied powers was tasked with this monumental undertaking in 1945 1946 Their determination to address the atrocities of the Holocaust and wartime aggression was fueled by a collective responsibility to ensure that such acts would never go unpunished This tribunal laid the critical groundwork for contemporary international law addressing the very philosophical and moral questions surrounding justice in times of war I highly recommend The Nuremberg Trials Volume 8 to scholars historians and anyone interested in the intersections of law ethics and human rights This volume not only highlights the historical significance of the trials but also serves as a compelling reminder of the need for vigilance in the face of human rights violations It provides invaluable insights into how global societies reckon with their dark pasts while striving toward a more just future
