The Russian Jewish Diaspora and European Culture, 1917-1937 Jörg Schulte,Olga Tabachnikova,Peter Wagstaff,2012-04-03 The Jewish emigration from Russia after the Revolution of 1917 changed the face of Jewish culture in Western Europe Russian Jews brought with them the visions of a national Jewish literature in Hebrew Yiddish or Russian and new concepts of secular Jewish music and art Often they acted as intermediaries between Jewish centres in Europe which resulted in the creation of a single sphere of Jewish culture common to all parts of the European diaspora Although some stayed in Western Europe for only a few years before moving on to Palestine the budding Hebrew culture in Palestine would not have been the same without this relatively short period of intense contact between Russian Jewish and Western European cultures

Russian Jews Between the Reds and the Whites, 1917-1920 Oleg Budnitskii, 2012-07-24 In the years following the Russian Revolution a bitter civil war was waged between the Bolsheviks with their Red Army of Workers and Peasants on the one side and the various groups that constituted the anti Bolshevik movement on the other The major anti Bolshevik force was the White Army whose leadership consisted of former officers of the Russian imperial army In the received and simplified version of this history those Jews who were drawn into the political and military conflict were overwhelmingly affiliated with the Reds while from the start the Whites orchestrated campaigns of anti Jewish violence leading to the deaths of thousands of Jews in pogroms in the Ukraine and elsewhere In Russian Jews Between the Reds and the Whites 1917 1920 Oleg Budnitskii provides the first comprehensive historical account of the role of Jews in the Russian Civil War According to Budnitskii Jews were both victims and executioners and while they were among the founders of the Soviet state they also played an important role in the establishment of the anti Bolshevik factions He offers a far more nuanced picture of the policies of the White leadership toward the Jews than has been previously available exploring such issues as the role of prominent Jewish politicians in the establishment of the White movement of southern Russia the Jewish Question in the White ideology and its international aspects and the attempts of the Russian Orthodox Church and White diplomacy to forestall the establishment of a Jewish state in Palestine The relationship between the Jews and the Reds was no less complicated Nearly all of the Jewish political parties severely disapproved of the Bolshevik coup and the Red Army was hardly without sin when it

came to pogroms against the Jews Budnitskii offers a fresh assessment of the part played by Jews in the establishment of the Soviet state of the turn in the policies of Jewish socialist parties after the first wave of mass pogroms and their efforts to attract Jews to the Red Army of Bolshevik policies concerning the Jewish population and of how these stances changed radically over the course of the Civil War
