Amethyst WI is a small peaceful town on a pristine lake with an active tourist season in summer. When the air turns chill the area is transformed into a ghost town with only a handful of lifers who stay. Amethyst is bursting with mystery, romance, and jealousy all year round. When Quinn Rutledge and Summer Rosales met on a warm summer night on the shores of beautiful Lake Amethyst they were both young, all was right in the world, and the only thing on their agenda was romance, one that neither of them wanted to end with the summer and closing of resort town Amethyst's tourist season. Promises and plans were made. Promises were broken. Summer was just about to begin law school with her closest friend, her pole opposite who'd dragged her to Amethyst in the first place. Apple Wooten came from a rich family she didn't appreciate and was sliding her way through life trying to get the most fun she could out of it including stealing just to see what she could get away with. Summer found herself in the unfortunate position of taking the blame for one of Apple's thefts and not only spent time in jail but also was the victim of an inmate's wrath that led to the disfigurement of one side of her face before she was acquitted of all charges and allowed to pursue her law degree. Quinn had a lucrative dream career stretching out before him as an author who'd already won numerous accolades despite his youth. Though he'd returned to his livelihood after the summer with the woman he'd fallen so hard for, his heart prevented him from keeping away until they could see each other again the following summer as they planned. When Summer didn't show up he'd tried to find her and couldn't. Though he should have returned to his writing he's instead found himself settling in Amethyst waiting hopefully and probably foolishly through endless winters until Summer comes around. **War in the South** Max Overton, 2020-10-27 Intrigue and rebellion rule in Egypt's southern kingdom as the house of King Nebiryraw tears itself apart.
