Amanka Stories Lou Grossfeldt, David Blissett, 2021-09-01 Amanka is a word from one of the languages used by people living in the rural north west of Uganda It s a beautiful rich word that means family Yet in the forests and villages of this part of Uganda and across much of tropical Africa and Asia families are at war In the narrowing margins between forest and farm human and non human there is a growing conflict A deadly conflict The Amanka Book Project has been coordinated by writer David Blissett and primate curator Lou Grossfeldt They celebrate our closest living relatives by sharing the stories and experiences of the people who are working fighting and sometimes risking their lives to save them The focus is on all ape species gorilla orangutan chimpanzee bonobo and the gibbon family These are stories of sacrifice and courage and hope tears and happiness love and loss In each chapter Lou and David speak with people who devote their lives to the conservation and wellbeing of the apes This includes scientists researchers caregivers vets filmmakers and conservation advocates Many of the stories in this book have never been told before and will give readers a direct insight into the day to day heartaches

challenges and joys of working with these intelligent sentient beings We wrote this book to raise awareness of the plight of our ape family and to share the stories of the unsung heroes who are trying to help them All contributors have donated to this project and profits from book sales will be donated to various ape conservation and enrichment programs or projects Lou Grossfeldt and David Blissett

Natural History Book Reviews ,1984 [Foreign Policy in Post-Genocide Rwanda](#)

Jonathan R. Beloff, 2020-07-29 This book examines how Rwandan elites within the government private sector and civil society perceive the nation s political and economic relationship with the international community Using testimonies and interviews of Rwandan political military and economic leaders and bureaucrats this book examines the intersubjective beliefs that formulate how Rwanda engages with the international community The book presents and analyses three primary intersubjective themes historical and possible future abandonment of Rwanda implementing an ideology of agaciro to

promote self respect dignity and self reliance for state security and economic development and the belief in the government's obligation to promote human security for those who identify as Rwandan These perceptions help us understand how post genocide Rwanda engages with the international community in the pursuit of state security economic development and to prevent a future genocide This book will be of interest to students and scholars of African politics and international relations as well as the politics of post genocide states

BBC Wildlife, 2002 [Lesser Flamingos](#) Lothar Krienitz, 2018-12-31 This book provides insights into the fascinating life of the Lesser Flamingo *Phoeniconaias minor*

and describes how this enigmatic bird has adapted to the extreme conditions of tropical soda lakes and can even withstand the caustic effects of brine. However, humans are increasingly disrupting the natural cycles of these wetlands, and for these pink birds characteristic of these salt lakes, it is becoming more and more difficult to find suitable habitats, food, and breeding grounds. Their fate is considered a cautionary example of man's dealings with nature. Will the Lesser Flamingo survive in a man-made world? Flamingos are considered to be an embodiment of the Phoenix, and the author interweaves his personal experiences with and observations of the flamingos' unusual habitats with the Phoenix motif in order to stimulate reflection on the circle of life. Written in an accessible style that combines science, biological information, and the author's own travels and fieldwork, the book also includes a wealth of captivating images. As such, it offers a unique resource for biologists and nature-loving Africa and Asia enthusiasts alike.
