Rx, Prescription for the Successful Alternative Health Care Practitioner Eileen Renders, 2002-01-01 A helpful guide for those establishing themselves in practice as an alternative health care practitioner **Alternative & Complementary Therapies**, 2000 **Cured!** Stephen S. S. Hyde, 2009 Veteran health care insider Stephen S S Hyde says we can cure today's health care crisis by enabling every American consumer to demand the answers to two questions Which are the best doctors and hospitals for my medical needs and Which of them are the least expensive None of these answers are available now They should be and they can be But to get there we must first correct the fundamental market and regulatory failure that has given us 7 decades of misguided actions by employers government insurers medical providers and consumers to produce the dysfunctional mess we have today Hyde reveals how we can have affordable portable health insurance and high quality health care for everyone and How we can double medical quality at half the cost Why the government must adopt 3 critical regulatory reforms The 7 key elements of health care reform to achieve 8 essential goals **Brand Medicine** T. Blackett, R. Robins, 2001-04-27 As governments seek to mitigate the cost of state subsidised healthcare branding in the pharmaceutical industry has become a critical issue Drugs companies must change their methods of communication and distribution focusing more on their direct relationship with the consumer This requires fundamental changes in consumer behaviour access to information freedom of choice and value for money Brands and brand values will play a leading role in this process as has been seen with products such as Prozac and Viagra This book by Interbrand Newell and Sorrell the world's leading branding consultancy provides cutting edge thinking on this area and lessons for anyone involved in brand development and management **United States Fedstapo's** Lawrence L.
