Sabbath Keeping Lynne M. Baab, 2012-02 Let's give ourselves an A for effort We keep our minds so preoccupied with work projects that we act and think on autopilot We keep our kids so occupied with activities that they need day planners before grade school We keep our schedules so full with church meetings and housekeeping and even entertaining that down time sounds like a mortal sin When we fail to rest we do more than burn ourselves out We misunderstand the God who calls us to rest who created us to be people of rest Let's face it our rest needs work Sabbath recalls our creation and with it God's satisfaction with us as he made us without our hurried wrangling and hurried worrying It also recalls God's deliverance of the Israelites from Egypt and with it God's ability to do completely what we cannot complete in ourselves Sabbath keeping reminds us that we are free to rest each week Eighteen months in Tel Aviv Israel where a weekly sabbath is built into the culture began Lynne M Baab's twenty five year embrace of a rhythm of rest as a stay at home mom as a professional writer working out of her home and as a minister of the gospel With collected insights from sabbath keepers of all ages and backgrounds Sabbath Keeping offers a practical and hopeful guidebook that encourages all of us to slow down and enjoy our relationship with the God of the universe

Anderson,2008-10-01 Pastors leaders of Christian organizations and lay persons will find an invaluable guide and spiritual wisdom in this book Focusing primarily on the what rather than the how of managing Christian organizations Ray Anderson clearly presents a biblical and theological basis for understanding the unique characteristics of Christian organizations and what it means to manage such organizations in a Christian way Anderson emphasizes the role of leadership for pastors and those who manage Christian organizations providing helpful teaching on issues such as strategic planning the development of mission statements as a definition of the organization s goals and what it means to use biblical principles prayer and dependence on the Holy Spirit in carrying out the organization s goals **Emotionally Healthy Spirituality** Peter Scazzero,2017-04-25 MORE THAN 1 MILLION COPIES SOLD A road map for discipleship with Jesus that is powerfully transformative Peter Scazzero learned the hard way you can t be spiritually mature while remaining emotionally immature Even though he was the pastor of a growing church he did what most people do avoid conflict in the name of Christianity ignore his anger sadness and fear use God to run from God and live without boundaries Eventually God awakened him to a biblical integration of emotional health and the spiritual practice of slowing down and quieting your life for to experience a firsthand relationship with Jesus It created nothing short of a spiritual revolution in Scazzero in his church and now in thousands of other churches In this updated edition Scazzero shares new stories and principles as he outlines his journey and the signs of emotionally unhealthy spirituality Then he provides seven biblical reality tested steps to become emotionally mature Become your authentic self Break the power of the past Let go of power and control Surrender to your limits Stop to breathe by practicing rest and Sabbath Learn new skills to love well Love Christ above all else Plus check out the full line of Emotionally Healthy Spirituality books dedicated to many different key areas of life Workbooks study guides curriculum and Spanish editions are also available **Blessed Connections** Judith Schwanz,2008-01-15 No pastor sets out to fail but statistics say 15 to 20 percent of pastors leave pastoral ministry within the

first five years One seminary administrator said that every person he had heard of leaving the ministry had done so because of a relationship failure We cannot escape relationships in ministry yet few seminaries offer courses in how to build healthy relationships The assumption is that the type of person who is called to ministry will have all the people skills they need which sadly is not always true n Blessed Connections seminary professor Judith Schwanz focuses on the person of the minister and the relational system of the minister s life She spotlights three areas of connection relationship with self relationships with other people and relationship with God Attending to these three primary connections will strengthen the pastor and cushion her or him against the pressures and stresses of daily ministry Blessed Connections is ideal for seminary students and new pastors and includes Assessment Journal questions at the end of each chapter for personal application

Smither,2014-02-14 What happens to the church when the emperor becomes a Christian Seventeen hundred years after Constantine s victory at Milvian Bridge scholars and students of history continue to debate the life and impact of the Roman emperor who converted to faith in the Christian God and gave peace to the church This book joins that conversation and examines afresh the historical sources that inform our picture of Constantine the theological developments that occurred in the wake of his rise to power and aspects of Constantine s legacy that have shaped church history Spes Christiana 2021-01 Reinder Bruinsma,2021-08-11 Spes Christiana is the journal of the European

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price
