Christians read Scripture to encounter Christ and be conformed to his image Scripture is no mere human text it is God's living word So how should we read it For Christians throughout the centuries the answer has been *lectio divina* divine reading em *Lectio divina* is a sacramental reading It aims to take us more deeply into the life of God Through practicing the four movements of *emlectio divina* attentive reading extended meditation prayerful reflection and silent resting we have a structured and simple way to focus on Christ listen to the Spirit and rest in God's love We no longer simply read the words of Scripture instead we read the face of God in the eternal Word

**A Nonviolent Theology of Love** Sharon L. Baker Putt, 2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in

Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance **Doors to Life! In alternating chapters Tom and Lyle engage in dialogue concerning basic questions of Christian faith from Reformed and Roman Catholic perspectives providing readable intelligible and accessible answers to questions believers are asking while simultaneously stimulating ongoing thought and fostering mutual respect between two rich traditions within the broader Christian family.

**In the Spirit of Love** Ames, 2009

Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames' life. Reading and reflecting on the words people will be deeply moved by the love, the tenderness and the kindness in which God reaches out to all of us. His words explain sometimes in mystical and deeply spiritual ways but always with simplicity the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church. It is amazing that the almighty God would love mankind so much that He sent His only Son Jesus to suffer and die for us. This book helps bring a better understanding of the immeasurable love that God has for each one of us and in places brings those who will be open to it to a close relationship with Jesus on the cross of love.
