

Love Catches You

Captured in the moment
And stopped dead in your tracks
Knowing in an instant
There is no going back

Fear is clearly present
But just to be embraced
It is worth the challenge
Lest the moment is erased

Many plans were present
Until this moment came
Now they are rewritten
As nothing is the same

You never see it coming
That time love catches you
Be sure to make it welcome
You should know what to do
