## **Sacred Journeys The Conversion Of Young Americans To Division Light Mission:**

The SAGE Handbook of the Sociology of Religion James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

**Meaning and Moral Order** Robert Wuthnow, 1989-04-27 Meaning and Moral Order goes beyond classical neoclassical and poststructural theories of culture in its attempt to move away from problems of meaning to a more objective concept of culture Innovative controversial challenging it will compel scholars to rethink many of the assumptions on which the study of ideology ritual religion science and culture have been based

*Religious Books 1876-1982*, 1983

**The Odyssey Experience** Neil J. Smelser, 2009-03-05 This bold and innovative book traces the phenomenon of the odyssey experience as it shapes informs and defines our lives Drawing on an astonishing range of examples Neil J Smelser focuses on how such experiences enhance our lives and provide us with meaning and dignity The odyssey experience as Smelser advances it is generic widespread and recurring It is a finite period of disengagement from the routines of life and immersion into a simpler transitory often collective usually intense period of involvement that culminates in some kind of regeneration By examining a variety of topics as part of a larger overarching phenomenon

Smelser transforms their study from the particular to the comparative The Odyssey Experience thus reaches beyond a simple description of where and how transformations occur in daily life to offer a profound explanation for why they are there

*Weekly Record* ,1978      *Western Sociological Review* ,1980      **America, History and Life** ,1980 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide      American Book Publishing Record ,1979      Journal of Dharma ,1982      **Current Book Review Citations** ,1983      *The Nation* ,1979-07      *Book Review Digest* ,1980      **Choice** ,1984      **Sociological Abstracts** Leo P. Chall,1982      Substance Abuse Joyce H. Lowinson,1997 A textbook for students and comprehensive reference for professionals in any field that deals with substance abuse Retains chapters from the 1981 and 1992 editions on the sociology evaluation and treatment of particular populations offers new information on the relation of psychopathology psychiatric diagnoses and methods and programs for treating patients with dual diagnoses and adds new chapters on the related addictions of gambling sex and cults Whenever possible materials on treatment modalities provide process and outcome data to help workers evaluate them and make referrals Annotation copyrighted by Book News Inc Portland OR

**Orientamenti pedagogici** ,1981      The British National Bibliography Arthur James Wells,1979      **Bulletin of the Atomic Scientists** ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world      **The Standard** ,1909      **Sunday School Times** ,1893
