Motherhood Realized Power of Moms, 2014-04-08 We believe that family life is beautiful and that motherhood is a privilege. But we also believe it is often really hard to see all that beauty when we're in the midst of mothering. So often we feel like we're spread too thin. We feel like we don't match up. Our hearts want to do more than our hands can manage. And every day as we cycle through household duties, discipline, errands, conversations, teaching and hundreds of unexpecteds we're often left tired, worried and in need of some extra inspiration and encouragement. Power of Moms is an online community of deliberate mothers. Since 2007 millions of mothers from all backgrounds who are striving to be the best they can be have gathered to our website to learn and grow together. Time and again our posts receive comments that say something like "I am going to print this out and put it on my nightstand so I can read it again and again." We've been concerned about those nightstands getting all cluttered up with paper. So we've selected dozens of our most popular posts and compiled them neatly into this book just for you. This book isn't just a book. It's a tangible representation of a living, breathing community of mothers. Motherhood is the hardest job we'll ever love and it's so much better when we're doing it together.
